Dear Ms. Kaminski,

Thank you for your email and the renewal bid. ECI would be interested in renewing. In our bid contract, the following wording covers any increases:

Pricing Adjustment for option years stated in RFP. ECI's proposed prices are based on 98% of the USDA Published Reimbursement Rates for Vended, Urban Sites, Administrative & Operating Combined: 1.8975 for Breakfast and 3.3250 for lunch. The result of the calculation resulted in our proposed pricing for this proposal of 1.776 for Breakfast and 3.131. Pricing for the Option Years stated in RFP will include the same pricing calculation: 98% of the then current published rates for Vended, Urban Sites, Administrative and Operating Combined.

This results in a slight increase. We are using the following site as our source of the current rates:

<http://www.summerfood.org/CONTRACTINGENTITY/Administrative/USDAReimbursementRates.aspx>.

The current reimbursement rates are 1.985 for Breakfast and 3.4875 for Lunch. This results in our renewal year pricing as follows:

Breakfast: \$1.945
Lunch: \$3.417

Please let me know if you have any questions or need any clarification.

Thanks,
