Re: Street Acceptance for Private Streets for Lakes of Bella Terra, Sections 16, 19 & 20

Dear Mr. Evans;

This letter shall confirm the documentation regarding provisions by the Lakes of Bella Terra community Association, Inc. ("LOBCA") to maintain the private streets in the above referenced neighborhoods.

The above referenced neighborhoods collect a specific neighborhood assessment from the property owners in Lakes of Bella Terra. The revenue generated is used to cover specific neighborhood operating expenses as well as capital reserve expenses, such as maintenance of private streets.

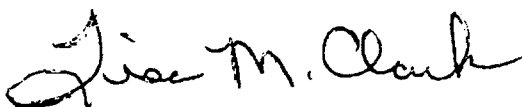

The governing documents of the LOBCA, Conditions and Restrictions for Lakes of Bella Terra and the Supplemental Declaration of Covenants Conditions and Restrictions for Lakes of Bella Terra, grant the authority to levy and collect these neighborhood assessments and legally obligate each property owner to pay said assessment each year.

Each year, contributions from the neighborhood assessments are placed in a Capital Reserve account for these neighborhoods. Monies from the Capital Reserve account will be used for future repair of these private streets.

Should you require more specific documentation regarding our provisions to provide for maintenance of these private streets, please advise me of that. Otherwise, I shall assume this letter satisfies the documentation request. If this is satisfactory then arrangements can be made for the County to inspect these streets and L.O.B. Limited Partnership may request the release of their bond or letter of credit.

Thank you for your review in this matter. If I can be of further assistance, do not hesitate to call me.

Sincerely,

Lisa M. Clark  
Vice President  
Lakes of Bella Terra Community Association, Inc.
