2020	75%

2023	75%
2024	75%

2025	75%
------	-----

Notwithstanding the foregoing, if the Improvements are not fully completed for their intended use for any reason, Owners may elect to begin the abatement years on the January 1 following such completion, by giving written notice to the County of its election to do so. In such event one year shall be added to the tax year listed above for each year for which the Owner provides such notice. Provided, however, that the abatement may not begin later than tax year 2018, and in no event shall the abatement period exceed 10 tax years. The Owners must provide written notice to the County under this Section by November 30th of the calendar year preceding the tax year in which abatement would otherwise apply.

- 1) The abatement granted shall not apply to the value of the Real Property, increases in the value of the Real Property, Ineligible Property, Eligible Property, inventory or supplies.
- 2) All Eligible Property shall be placed and/or installed in accordance with applicable laws, ordinances, rules or regulations in effect at the time such Eligible Property is placed and/or installed.
- 3) The FBCAD's determination of values shall be used to determine the value of the property subject to this Agreement. If Owners protest the FBCAD's valuation of the property, the valuation placed on the property after the protest is resolved under State law shall be used.
- 4) On or before September 1 of each year of this Agreement, Owners shall certify in writing to Fort Bend County Tax Assessor/Collector Owners' compliance with each term of this Agreement.
- 5) Tax Abatement Reduction and Calculation
 - a. Value of the Improvements
 - i. The property tax abatement granted on the Value of the Improvements is reduced, as provided in this Section where the Value of the Improvements has a Value less than \$12,840,000 on January 1 of any year subject to the tax abatement.
 - ii. If the property tax abatement reduction applies in any of the years as provided in this Section, the property tax abatement is reduced by a percentage equal to $\frac{\$12,840,000 - \text{sum of the Value of the Improvements on January 1 of that year}}{\$12,840,000} \times 100$ ($\frac{\$12,840,000 - (\text{Value of Improvements})}{\$12,840,000} \times 100\% = \text{percentage reduction}$).
 - iii. An example of the percentage reduction is as follows: If on January 1, 2018, the Value of Improvements were \$10,000,000, the calculation would be $\frac{(\$12,840,000 - \$10,000,000)}{\$12,840,000} \times 100 = 22.12\%$. For 2018, the property tax abatement for Improvements would be reduced by 22.12% from 75% to 52.88%.
 - b. Job Requirements
 - i. Owners agree to maintain the Job Requirements as shown in the chart in Par. 4(f).

- ii. The tax abatement will be reduced if the actual number of jobs for any period is less than what is required for any specific period.
- iii. the reduction in the tax abatement would be calculated as follows
- iv. An example of the reduction is as follows: If the actual average number of Employees is 400 in any 90-day period in 2017, the percentage decrease in the actual number of Employees below the number required would be 25.1% $[(534 - 400) \div 534] = 25.1\%$. The percentage of the tax abatement granted in 2018 under this Agreement would be decreased by the same percentage $(75\% - 25.1\% = 49.9\%)$.

6. Taxability:

During the period that this tax abatement is effective, taxes shall be payable by the Owners as follows:

- a. The value of Real Property, Ineligible Property and Eligible Property shall be fully taxable, including inventory, and
- b. The value of existing improvements, if any, and existing Eligible Property shall be determined in the base year by the FBCAD.

7. Event of Default:

- a. County may declare Owners in default of this Agreement if: (1) Owners fail to comply with any term of this Agreement or (2) Owners allow County ad valorem taxes on any Eligible Property or Ineligible Property, or any property located thereon, to become delinquent, or (3) Owners cease operations on the Real Property for a continuous period of one hundred eighty (180) days before the expiration of the term of the Abatement without the prior written consent of the County, except that in the event of (i) a temporary shutdown of the facility, with assurance of the resumption of operations, for the purpose of facility modification, expansion, improvement, retooling or similar purpose, (ii) the facility is being actively marketed, the County shall not unreasonably withhold consent to a reasonable extension to such period to permit the sale of the facility to another operator, (iii) the closure of the facility pending settlement of insurance, casualty or condemnation claims or (iv) the closure of the facility due to inadequate or unacceptable raw water supply shall not constitute a vacating of or a cessation of operations on the Real Property under this Section 7(a)(3). Such exceptions are subject to further extension for force majeure as defined in Section 11 herein.
- b. County shall notify Owners of any default in writing specifying the default. Owners shall have sixty (60) days from the date of the notice to cure any default. If Owners fail to cure the default within ninety (90) days from receipt of notice, County may terminate this Agreement by written notice.
- c. If this Agreement is terminated by County, as County's sole and exclusive remedy, Owners agree that they are liable for and will pay to County within thirty (30) days of the termination of this Agreement:
 - i. The amount of all taxes abated during the term of this Agreement; and
 - ii. Interest on the abated amount at the rate provided for in the Texas Tax Code for delinquent taxes.
- d. Penalties on the amount abated in the year of default, at the rate provided for in the Texas Tax Code for delinquent taxes. County shall have a lien against the Real Property, Ineligible Property and Eligible Property for the taxes and interest owed because of the recapture of taxes under this paragraph during the time period beginning on the date such payment obligation accrues and continuing until the date is paid.
- e. This paragraph is required by Chapter 2264, Texas Government Code and governs over any conflicting provisions of this Agreement. Owners are

prohibited from knowingly employing undocumented workers as that term is defined in Section 2264.001, Texas Government Code. If Owners are convicted of a violation under 8 U.S.C. Section 1324a(f), the conviction shall be considered a default of this Agreement, from which no cure provisions shall apply. In such event, County shall provide written notice to Owners of the default and this Agreement shall automatically terminate on the 30th day after the date of the notice of default from County to Owners. In the event of termination under this paragraph, Owners shall repay to County the amount of all property taxes abated under this Agreement, plus interest on the abated amount at the rate provided for in the Texas Tax Code for delinquent taxes.

8. Administration and Inspection

- a. This Agreement shall be administered on behalf of the Fort Bend County Tax Assessor/Collector or her designee. All regular inspections shall be made only after two (2) business days prior notice and will be conducted in such a manner as not to unreasonably interfere with the construction or operation of the facility. A representative of Owners may accompany the inspector. County shall cause each of its employees and representatives who conduct such inspections to abide by all of Owners' security, safety and operational rules (as the same may be amended from time to time), copies of which have been made available to County.
- b. Upon completion of the placement and/or installation of the Eligible Property, County shall annually evaluate the Improvements and any Eligible Property to ensure compliance with the terms and provisions of this Agreement and shall report potential defaults to the Owners.
- c. The Chief Appraiser of the FBCAD shall annually determine (1) the taxable value under the terms of this abatement of the Improvements, and any Eligible Property located on the Real Property and (2) the full taxable value without abatement of the Real Property, the Improvements, and any Eligible Property located on the Real Property. The Chief Appraiser shall record both abatement taxable value and full taxable value in the appraisal records. The full taxable value figure listed in the appraisal records shall be used to compute the amount of abated taxes that is terminated in a manner that results in recapture of abated taxes.
- d. Owners shall furnish the Chief Appraiser annually such information as provided for under Chapter 22 of the Texas Tax Code, including payroll records, as may be necessary for the administration of the this Agreement. Such information, including payroll records, shall also be provided annually to the County Tax Assessor/Collector in preparation of its annual evaluation for compliance with the terms and provisions of this Agreement.

- ii. Owners give written notice to the County of the proposed assignment at least 30 days before the Agreement is assigned.

Otherwise, Owners may not assign this Agreement without prior written consent of County. No assignment shall be effective or approved if County has declared a default hereunder which has not been cured or the assignee is delinquent in the payment of any ad valorem taxes owed to County. Approval shall not be unreasonably withheld.

- b. Any and all assignments shall contain the same terms and conditions as set out in this Agreement and shall be granted for the remaining term of the original Agreement only.
