The Agency named above represents and warrants to the Vendor that it is a Sub recipient of the Texas Department of Housing and Community Affairs ("TDHCA") and as such is authorized and has received funding from the TDHCA to provide energy assistance services for eligible low-income customers.

The Vendor named above is a Retail Electric Provider who represents and warrants that it is authorized to receive payments from the Agency on behalf of a customer that the Agency has determined to be eligible under CEAP guidelines and such is a "Certified Customer".

Vendor will, with reference to a Certified Customer:

- Extend the CEAP applicant's energy service for up to five (5) business days while the Agency determines whether the CEAP applicant is eligible pursuant to the CEAP guidelines;
- Upon accepting pledge from Agency for Certified Customer, continue or restore energy service to Certified Customer without increase in energy charges, service charges, or other charges affecting the total cost of the bill;
- Invoice the Certified Customer in accordance with Vendor's normal billing practices.
- Upon verbal or written request from Agency, provide at no cost to the Agency the Certified Customer's billing and usage history for the previous twelve (12) months, or available history plus monthly estimates if less than 12 months of billing history and usage is available. Vendor will transmit such billing history via electronic mail or facsimile no later than the end of the next business day following request. Wood and propane vendors may provide alternative consumption histories, if known.
- Work with Agency and Certified Customers to explore the feasibility of offering flexible payment arrangements that may include, without limitations, waiving security deposits, reconnect fees, application fees, and all other fees whenever possible.
- Not discriminate against Certified Customer in price of services, including the availability of deferred payment plans, level or average payment plans, discount, budget, advance payment or other credit plans;
- Not refuse to provide energy service or otherwise discriminate in the marketing and provision of energy service to any Certified Customer because of race, creed, color, national origin, ancestry, sex, marital status, lawful source of income, disability, financial status, location of customer in an economical distressed geographic area, or qualification for low- income or energy- efficiency services;
- Allow Agency forty-five (45) days from the date of the pledge to forward payment to the vendor. Vendor agrees not to consider the portion of the Certified Customer's account to be paid by the Agency delinquent if said payment is received within the above mentioned forty-five (45) day period and Vendor is provided with a signed pledge from the Agency within 5 days of identifying a Certified Customer and making the pledge;
- Not interrupt service if Certified Customer enters into an agreement with the Vendor concerning how the Certified Customer will pay the balance owed Vendor and the Certified Customer is meeting the obligations under such agreement.

The Agency will:

- Not provide pledges on behalf of a certified Customer to Vendor without having adequate funds to pay such pledge;
- Pay pledges within forty-five (45) days of making pledge to Vendor;
- Determine if a customer is a Certified Customer within five (5) business days of contacting Vendor.
- Provide Vendor a list of names, telephone numbers and e-mail addresses of Agency staff designated to make pledges on behalf of the Agency and Certified Clients.
