Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

RETURN POLICY

At Bound Tree Medical, we recognize there are times when customers need to return an item. To help make the process a seamless one, please contact our customer service department to obtain a return authorization number prior to returning a product. This will help expedite your return and allow us to give you the proper credit. If we have fallen short and created the error, the product will be picked up and a full credit will be applied to your account.

If you decide you do not want the product and wish to return it, please call so we can give you a return authorization number. When calling for a return authorization number, it is extremely helpful if you have your invoice number and product number available.

We will issue a separate return authorization number for each invoice. Once you have the return authorization number, please put the number on the outside of the box and ship to the designated warehouse. If possible, please send a copy of the invoice with the package.

There will be no restocking fee if the product is returned within 30 days of the invoice date unless it is a customized item, not in the original sealed package, a non-stock item, not in new condition or if it has been more than 60 days. Items that you wish to return after 30 days from the invoice date will receive a 15% restocking fee. This will be deducted from the credited invoice.

Return authorization numbers are valid for 30 days after the date they are issued.
