Grant Sub-recipient Agreement

This Grant Sub-recipient Agreement (consisting of this 2012 Grant Sub-recipient Award and these Terms and Conditions) is made and entered into by and between the Department of Public Safety / Texas Homeland Security State Administrative Agency, an agency of the State of Texas, hereinafter referred to as "DPS/THSSAA," and the funds recipient, hereinafter referred to as the "Sub-recipient" or "Sub-grantee." Furthermore, DPS/THSSAA and the Sub-recipient are collectively hereinafter referred to as the "Parties." This Grant Sub-recipient Agreement (SRA), or otherwise referred to herein as "this Grant" or "this Agreement", is only an offer until Sub-recipient returns the signed copy of this Grant on or before the date provided in the transmittal letter and/or in this Grant Sub-recipient Award.

The FY 2012 Homeland Security Grant Program (HSGP) funding plays an important role in the implementation of Presidential Policy Directive – 8 (PPD-8) by supporting the development and sustainment of core capabilities to fulfill the National Preparedness Goal (NPG). HSGP funding shall be used for costs related to the planning, organization, equipment, training, and exercise needs that prevent, protect against, mitigate, respond to, and recover from acts of terrorism and other catastrophic events.

Sub-recipient may not assign or transfer any interest in this Grant without the express, prior written consent of DPS/THSSAA. If Sub-recipient issues subawards as part of this Grant project, Sub-recipient shall include and require its subawardees to comply with the terms and conditions of this Grant.

The FY 2012 Nonprofit Security Grant Program (NSGP) funding plays an important role in the implementation of Presidential Policy Directive 8 (PPD-8) by supporting the development and sustainment of core capabilities to fulfill the NPG. NSGP provides funding for target hardening and other physical security enhancements and activities to nonprofit organizations that are at high risk of terrorist attack and located within one of the specific Urban Areas Security Initiative (UASI)-eligible Urban Areas. While this funding is provided specifically to high-risk nonprofit organizations, the program seeks to integrate nonprofit preparedness activities with broader State and local preparedness efforts.

The term "Sub-recipient agreement funds" as used in this Grant means funds provided by DPS/THSSAA under the United States Department of Homeland Security (DHS) Federal Emergency Management Agency (FEMA) grant programs (also referred to herein as DHS/FEMA). The term "Sub-recipient's funds" or match funds as used in this Grant means funds provided by the Sub-recipient.

Overview and Performance Standards

All allocations and use of funds under this Grant shall be in accordance with the FY 2012 Funding Opportunity Announcement (FOA) for the Federal Grant Title specified on this Grant, and such FY 2012 FOA is incorporated by reference herein. Sub-recipient shall read, understand and accept the FY 2012 Funding Opportunity Announcement as binding.

Standard of Performance. Sub-recipient shall perform all activities and projects entered into the DPS/THSSAA web-based grants management system which are approved by DPS/THSSAA. Any change to a project shall receive prior written approval by the appropriate local, regional and state-level grant administrator(s). Sub-recipient shall perform all activities in accordance with all terms, provisions and requirements set forth in this Grant, including but not limited to the following Exhibits:

1. Assurances – Non-Construction Programs, hereinafter referred to as "**Exhibit A**"
2. Assurances – Construction Programs, hereinafter referred to as "**Exhibit B**"
3. Certifications, hereinafter referred to as "**Exhibit C**"
4. State of Texas Assurances, hereinafter referred to as "**Exhibit D**"

Failure to Perform. In the event Sub-recipient fails to implement the project(s) entered and approved in the DPS/THSSAA web-based grants management system, or comply with any provision of this Grant, Sub-recipient shall be liable to DPS/THSSAA for an amount not to exceed the award amount of this Grant and may be barred from applying for or receiving additional DHS/FEMA grant program funds or any other grant program funds administered by DPS until repayment to DPS/THSSAA is made and any other compliance or audit finding is satisfactorily resolved, in addition to any other remedy specified in this Grant. Failure to timely implement projects may reduce future funding in additional DHS/FEMA and/or other grant programs administered by DPS.

Environmental Review

Sub-recipient shall assess its federally funded projects for potential impact to environmental resources and historic properties. Sub-recipient shall submit any required screening form(s) as soon as possible and shall comply with deadlines established by DPS/THSSAA. Timelines for the Environmental Planning and Historic Preservation (EHP) review process will vary based upon the complexity of the project and the potential for environmental or historical impact. Sub-recipient shall include sufficient review time within its project management plan to comply with EHP requirements. **Initiation of any activity prior to completion of FEMA's EHP review will result in a non-compliance finding and DPS/THSSAA will not authorize or release grant funds for non-compliant projects.**

Sub-recipient, as soon as possible upon receiving its grant award, shall provide information to DPS/THSSAA to assist with the legally-required EHP review and to ensure compliance with applicable EHP laws and Executive Orders (EO) currently using the FEMA EHP Screening Form OMB Number 1660-0115/FEMA Form 024-0-01 and submitting it, with all supporting documentation, to DPS/THSSAA for review. These EHP requirements include but are not limited to the National Environmental Policy Act, the National Historic Preservation Act, the Endangered Species Act, EO 11988 – Floodplain Management, EO 11990 – Protection of Wetlands, and EO 12898 – Environmental Justice. Sub-recipient shall comply with all Federal, State, and local EHP requirements and shall obtain applicable permits and clearances. See FEMA Information Bulletin 329.

Sub-recipient shall not undertake any activity from the project that would result in ground disturbance, facility modification, or purchase and use of sonar equipment without the prior approval of FEMA. These include but are not limited to communications towers, physical security enhancements involving ground disturbance, new construction, and modifications to buildings. Sub-recipient shall comply with all mitigation or treatment measures required for the project as the result of FEMA's EHP review. Any changes to an approved project description will require re-evaluation for compliance with EHP requirements before the project can proceed. If ground disturbing activities occur during project implementation, Sub-recipient shall ensure monitoring of ground disturbance and if any potential archeological resources are discovered, Sub-recipient shall immediately cease construction in that area and notify FEMA and the appropriate State Historical Preservation Office.

A waiver does not become effective unless DPS/THSSAA expressly agrees to such waiver in writing. Any payment by DPS/THSSAA shall not constitute a waiver or otherwise impair or prejudice any right, power, privilege, or remedy available to DPS/THSSAA to enforce its rights, as such rights, powers, privileges, and remedies are specifically preserved.

The costs of Sub-recipient resulting from obligations incurred by Sub-recipient during a suspension or after termination of this Grant are not allowable unless DPS/THSSAA or DHS expressly authorizes them in the notice of suspension or termination or subsequently. Other Sub-recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

1. The costs result from obligations which were properly incurred by Sub-recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are non-cancellable; and
2. The costs would be allowable if this Grant were not suspended or expired normally at the end of the funding period in which the termination takes effects.
