If any event constituting a Force Majeure occurs, the affected party shall notify the other parties in writing, within twenty-four (24) hours, and disclose the estimated length of delay, and cause of the delay.
- 2.18 Assignment-Delegation: No right or interest in an order shall be assigned or delegation of any obligation made by Seller without the written permission of Fort Bend County. Any attempted assignment or delegation by Seller shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

- 2.24 Right to Assurance: Whenever the County in good faith has reason to question the other party's intent to perform. The County may demand that the other party give written assurance of his intent to perform. In the event that a demand is made and no assurance is given within five (5) days, the County may treat this failure as an anticipatory repudiation of the contract.
- 2.25 Venue: Both parties agree that venue for any litigation arising from this contract shall lie in Richmond, Fort Bend County, Texas.
- 2.26 Prohibition Against Personal Interest in Contracts: No officer or employee of the County shall have a financial interest, direct or indirect, in any contract with the County, or shall be financially interested, directly or indirectly, in the sale to the County of any land, materials, supplies, or service, except on behalf of the County as an officer or employee. Certification No. 07-90973

Laserlink International, Inc.
1310 63rd Street
Emeryville, CA 94608

Attention: Mr. Pradeep Singh

Congratulations on the successful completion of your recertification application for Alameda County's Small, Local, Emerging Business (SLEB) Program!

You have been recertified as a SMALL business for the period of April 1, 2013 through March 31, 2015 for the following NAICS code(s): 334118, 423210, 423430, 424120, 443120, 443142, 453210, 561990 and 811212.

When permitted by law, the County's procurement policy is to solicit bids and proposals from certified SLEBs, and if none are available, then from local Alameda County firms. Other benefits of being a certified SLEB include:

1. Laserlink International, Inc. will be added as a certified vendor to Alameda County's Local Vendor Database.
2. SLEBs competing for County contracts over \$25,000 may be eligible to receive a 5% SLEB bid preference on qualified goods and services contracts and an additional 5% local preference (for a total 10% bid preference) when submitting sealed bids.
3. Non-SLEB certified firms are required to partner a minimum 20% with certified SLEBs for most goods and services contracts with the County.
4. As a certified SLEB you may receive e-mail information from the County about contracting opportunities and outreach/training events. You can register and select the type of messages you receive by visiting the County's main website at www.acgov.org and clicking on the envelope icon for eSubscribe.

Alameda County reserves the right to reevaluate your company at any time during the certification period to determine if your firm continues to meet the County of Alameda and U.S. Small Business Administration size standards and definitions.

You are required to report any changes in your business structure or ownership. You are also required to submit a current business license each year. If you are named as a SLEB prime or sub-contractor in an Alameda County contract, you must maintain your SLEB certification status as active during the term of the contract. County contract terms may also require that you utilize the County's online web-based contract compliance application, Elation Systems at www.elationsys.com. Failure to comply with the requirements stated in this letter could jeopardize your SLEB certification status and impact County contracting opportunities.

Laserlink International, Inc. will be notified 90 days prior to the expiration of this certification.

If you have any questions, please contact the Contract Compliance Certification office at 510-891-5500 or by e-mail at ACSLEBcompliance@acgov.org. Please refer to your certification number as it appears on this letter.

Thank you for your interest in the SLEB program and doing business with Alameda County!

Sincerely,

Patricia McFadden

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or

At Brother, we place a tremendous value on relationships with our customers, resellers and distributors; it is the cornerstone of our success. We work closely with our distributor partners to establish long-term business relationships. We believe our distributors add significant value and provide the services necessary to expand our business through the reseller community.

Our distribution philosophy is based on meeting the needs of our customers via Reseller Partners. There is a dedicated Brother team in place to ensure that the reseller's distributor of choice not only has and can deliver our product, but can also provide additional support services as well. Brother offers three special pricing programs for hardware through our distributors to enable resellers to respond quickly to end customer requests. Brother hosts an online Partner Portal (include link) that provides registered users with accessibility to business tools, marketing resources and support documents relevant to your reseller's business needs.

Brother has a Commercial Account team in place to work closely with end customers to develop new and existing business opportunities. Once an opportunity is defined, Brother will support both the end customer and Reseller Partner to make sure that the entire sales cycle and implementation process go as planned. Whether it involves free evaluation units or working closely with IT personnel to develop custom applications, Brother's nationwide sales and field engineering teams are there to help your resellers realize their project's goals.
