SUBJECT: Fort Bend County Quote for PDF Creation

Dear Ms. Krejci:

Due to offering changes by Linebarger to the tax offices, Linebarger asked me to write new programs that give you individual indexed PDF's for your online COLD system storage. This instituted the pricing change from a flat fee to **\$0.0085** per image. I will still continue to provide the tax office with as many CD's as they need as well and this will be included in this new pricing. I am also providing CD's for the reminder statements at no charge.

Thank you for you for allowing HOV Services the continued opportunity to serve Fort Bend County.

Best regards.
