Ref: Hotel Bill San Antonio Training

On or about July 22, 2014, I made Hotel Reservations for 5 Deputies traveling to San Antonio Texas for training related to the 1115 Waiver project. I was told that the rate we received was the State Rate. Attached is a reservation confirmation that states on the reservation that we received the State Rate.

I am concerned that the Deputies who attended the training will be held responsible for the charges. They did not make the reservations nor were they involved in any of the planning for travel. I made all of the travel and training arrangements. I believed that the state rate indicated on the reservations was the agreed upon rate. Any error that occurred was on my part.
