COUNTY OF FORT BEND §

AGREEMENT FOR PROFESSIONAL ENVIRONMENTAL SERVICES

THIS AGREEMENT is made and entered into by and between Fort Bend County, (hereinafter "County"), a body corporate and politic under the laws of the State of Texas, and SWCA Environmental Consultants (hereinafter "Contractor"), a company authorized to conduct business in the State of Texas.

WITNESSETH

WHEREAS, County desires that Contractor provide environmental services for various 2013 Mobility Bond Projects (hereinafter "Services") pursuant to SOQ 14-025; and

WHEREAS, Contractor represents that it is qualified and desires to perform such services.

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth below, the parties agree as follows:

AGREEMENT

Section I. Scope of Services

Contractor shall render Services to County as defined in the Scope of Services (attached hereto as Exhibit A).

Section II. Personnel

2.1 Contractor represents that it presently has, or is able to obtain, adequate qualified personnel in its employment for the timely performance of the Scope of Services required under this Agreement and that Contractor shall furnish and maintain, at its own expense, adequate and sufficient personnel, in the opinion of County, to perform the Scope of Services when and as required and without delays.

2.2 All employees of Contractor shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of Contractor who, in the opinion of County, is incompetent or by his conduct becomes detrimental to the project shall, upon request of County, immediately be removed from association with the project.

Section III. Compensation and Payment

3.1 Contractor's fees shall be calculated at the rates set forth in the attached Exhibit B. The Maximum Compensation for the performance of Services within the Scope of Services described in Exhibit B is thirty-five thousand eight hundred forty-six dollars and 00/100 (\$35,846.00). In no case shall the amount paid by County under this Agreement exceed the Maximum Compensation without an approved change order.

3.2 All performance of the Scope of Services by Contractor including any changes in the Scope of Services and revision of work satisfactorily performed will be performed only when approved in advance and authorized by County.

3.3 County will pay Contractor based on the following procedures: Upon completion of the tasks identified in the Scope of Services, Contractor shall submit to County staff person designated by the County Engineer, one (1) electronic (pdf) copy and two (2) original hard copies of invoices showing the amounts due for services performed in a form acceptable to County. County shall review such invoices and approve them within 30 calendar days with such modifications as are consistent with this Agreement and forward same to the Auditor for processing. County shall pay each such approved invoice within thirty (30) calendar days. County reserves the right to withhold payment pending verification of satisfactory work performed.

Section IV. Limit of Appropriation

4.1 Contractor clearly understands and agrees, such understanding and agreement being of the absolute essence of this Agreement, that County shall have available the total maximum sum of thirty-five thousand eight hundred forty-six dollars and 00/100 (\$35,846.00), specifically allocated to fully discharge any and all liabilities County may incur.

4.2 Contractor does further understand and agree, said understanding and agreement also being of the absolute essence of this Agreement, that the total maximum compensation that Contractor may become entitled to and the total maximum sum that County may become liable to pay to Contractor shall not under any conditions, circumstances, or interpretations thereof exceed thirty-five thousand eight hundred forty-six dollars and 00/100 (\$35,846.00).

Section V. Time of Performance

Time for performance of the Scope of Services under this Agreement shall begin with receipt of the Notice to Proceed and end no later than twenty-four (24) months thereafter. Contractor shall complete the tasks described in the Scope of Services, within this time or within such additional time as may be extended by the County.

Section VI. Modifications and Waivers

6.1 The parties may not amend or waive this Agreement, except by a written agreement executed by both parties.

6.2 No failure or delay in exercising any right or remedy or requiring the satisfaction of any condition under this Agreement, and no course of dealing between the parties, operates as a waiver or estoppel of any right, remedy, or condition.

6.3 The rights and remedies of the parties set forth in this Agreement are not exclusive of, but are cumulative to, any rights or remedies now or subsequently existing at law, in equity, or by statute.

Section VII. Termination

7.1 Termination for Convenience

7.1.1 County may terminate this Agreement at any time upon forty-eight (48) hours written notice.

7.2 Termination for Default

7.2.1 County may terminate the whole or any part of this Agreement for cause in the following circumstances:

7.2.1.1 If Contractor fails to perform services within the time specified in the Scope of Services or any extension thereof granted by the County in writing;

7.2.1.2 If Contractor materially breaches any of the covenants or terms and conditions set forth in this Agreement or fails to perform any of the other provisions of this Agreement or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in any of these circumstances does not cure such breach or failure to County's reasonable satisfaction within a period of ten (10) calendar days after receipt of notice from County specifying such breach or failure.

7.2.2 If, after termination, it is determined for any reason whatsoever that Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the County in accordance with Section 7.1 above.

7.3 Upon termination of this Agreement, County shall compensate Contractor in accordance with Section 3, above, for those services which were provided under this Agreement prior to its termination and which have not been previously invoiced to County. Contractor's final invoice for said services will be presented to and paid by County in the same manner set forth in Section 3 above.

7.4 If County terminates this Agreement as provided in this Section, no fees of any type, other than fees due and payable at the Termination Date, shall thereafter be paid to Contractor.

Section VIII. Ownership and Reuse of Documents

All documents, data, reports, research, graphic presentation materials, etc., developed by Contractor as a part of its work under this Agreement, shall become the property of County upon completion of this Agreement, or in the event of termination or cancellation thereof, at the time of payment under Section 3 for work performed. Contractor shall promptly furnish all such data and material to County on request.

Section IX. Inspection of Books and Records

Contractor will permit County, or any duly authorized agent of County, to inspect and examine the books and records of Contractor for the purpose of verifying the amount of work performed under the Scope of Services. County's right to inspect survives the termination of this Agreement for a period of four years.

Section X. Insurance

10.1 Prior to commencement of the Services, Contractor shall furnish County with properly executed certificates of insurance which shall evidence all insurance required and provide that such insurance shall not be canceled, except on 30 days' prior written notice to County. Contractor shall provide certified copies of insurance endorsements and/or policies if requested by County. Contractor shall maintain such insurance coverage from the time Services commence until Services are completed and provide replacement certificates, policies and/or endorsements for any such insurance expiring prior to completion of Services. Contractor shall obtain such insurance written on an Occurrence form from such companies having Bests rating of A/VII or better, licensed or approved to transact business in the State of Texas, and shall obtain such insurance of the following types and minimum limits:

10.1.1 Workers' Compensation insurance. Substitutes to genuine Workers' Compensation Insurance will not be allowed. Employers' Liability insurance with limits of not less than \$1,000,000 per injury by accident, \$1,000,000 per injury by disease, and \$1,000,000 per bodily injury by disease.

10.1.2 Commercial general liability insurance with a limit of not less than \$1,000,000 each occurrence and \$2,000,000 in the annual aggregate. 10.1.3 Business Automobile Liability insurance with a combined Bodily Injury/Property Damage limit of not less than \$1,000,000 each accident. The policy shall cover liability arising from the operation of licensed vehicles by policyholder.

10.1.4 Professional Liability insurance with limits not less than \$1,000,000.

10.2 County and the members of Commissioners Court shall be named as additional insured to all required coverage except for Workers' Compensation. All Liability policies including Workers' Compensation written on behalf of Contractor shall contain a waiver of subrogation in favor of County and members of Commissioners Court.

10.3 If required coverage is written on a claims-made basis, Contractor warrants that any retroactive date applicable to coverage under the policy precedes the effective date of the contract; and that continuous coverage will be maintained or an extended discovery period will be exercised for a period of 2 years beginning from the time that work under the Agreement is completed.

Section XI. Indemnity

CONTRACTOR SHALL INDEMNIFY AND DEFEND COUNTY AGAINST ALL LOSSES, LIABILITIES, CLAIMS, CAUSES OF ACTION, AND OTHER EXPENSES, INCLUDING REASONABLE ATTORNEYS FEES, ARISING FROM ACTIVITIES OF CONTRACTOR, ITS AGENTS, SERVANTS OR EMPLOYEES, PERFORMED UNDER THIS AGREEMENT THAT RESULT FROM THE NEGLIGENT ACT, ERROR, OR OMISSION OF CONTRACTOR OR ANY OF CONTRACTOR'S AGENTS, SERVANTS OR EMPLOYEES.

Section XII. Confidential and Proprietary Information

12.1 Contractor acknowledges that it and its employees or agents may, in the course of performing their responsibilities under this Agreement, be exposed to or acquire information that is confidential to County. Any and all information of any form obtained by Contractor or its employees or agents from County in the performance of this Agreement shall be deemed to be confidential information of County ("Confidential Information"). Contractor shall use its best efforts to assist County in identifying and preventing any unauthorized use or disclosure of any Confidential Information. Without limitation of the foregoing, Contractor shall advise County immediately in the event Contractor learns or has reason to believe that any person who has had access to Confidential Information has violated or intends to violate the terms of this Agreement and Contractor will at its expense cooperate with County in seeking injunctive or other equitable relief in the name of County or Contractor against any such person. Contractor agrees that, except as directed by County, Contractor will not at any time during or after the term of this Agreement disclose, directly or indirectly, any Confidential Information to any person, and that upon termination of this Agreement or at County's request, Contractor will promptly turn over to County all documents, papers, and other matter in Contractor's possession which embody Confidential Information.

12.3 Contractor acknowledges that a breach of this Section, including disclosure of any Confidential Information, or disclosure of other information that, at law or in equity, ought to remain confidential, will give rise to irreparable injury to County that is inadequately compensable in damages. Accordingly, County may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Contractor acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interest of County and are reasonable in scope and content.

12.5 Contractor expressly acknowledges that County is subject to the Texas Public Information Act, TEX. GOV'T CODE ANN. §§ 552.001 *et seq.*, as amended, and notwithstanding any provision in the Agreement to the contrary, County will make any information related to the Agreement, or otherwise, available to third parties in accordance with the Texas Public Information Act. Any proprietary or confidential information marked as such provided to County by Consultant shall not be disclosed to any third party, except as directed by the Texas Attorney General in response to a request for such under the Texas Public Information Act, which provides for notice to the owner of such marked information and the opportunity for the owner of such information to notify the Attorney General of the reasons why such information should not be disclosed.

RE: Proposal for Environmental Desktop Review, Mapping and Letter Reports for Eight of Fort Bend County's 2013 Mobility Projects 2013 in Fort Bend County, Texas.

Dear Mr. Slawinski:

SWCA Environmental Consultants (SWCA) appreciates the opportunity to provide a scope and cost to conduct environmental desktop review and field reconnaissance necessary to prepare an environmental constraints map and brief letter report summarizing the findings of environmental data for eight of Fort Bend County's Mobility Plan projects. The proposed projects include the following eight projects discussed at the October 7, 2014 meeting at the Fort Bend County's Engineering Office:

- Project 13201 – Beechnut Boulevard – FM 1464 East (Clodine Rd.) to Lobera Dr.
- Project 13202 – Bellaire Boulevard – San Pablo Dr. to FM 1464
- Project 13207 – Lake Olympia Parkway Segment 1 – Hurricane Lane to Chimney Rock
- Project 13208 – Ludwig Road – Dulles Ave. to Brand Lane
- Project 13211 – Sugar Land – Howell Road – Bissonnet Road to Old Richmond Road
- Project 13401 – Beechnut Rehab – Peek Road to FBISD
- Project 13403 – Owens Road – FM 1464 to Harlem Rd.
- Project 13411 – West Airport Boulevard – EB W Airport to SB SH 6

Proposed Scope of Work

SWCA will conduct an environmental desktop review of the proposed project study area. SWCA will obtain and review the most recently produced natural and cultural resources, land use, and ASTM hazardous materials data associated with the project area to assist in planning and designing the proposed construction activities.

SWCA will request and review the Texas Parks and Wildlife Department's (TWP) Natural Diversity Database (TxNDD) to identify any federally protected species or their preferred habitats documented in the project study area. Additional natural resource data sources will include the United States (U.S.) Fish and Wildlife Service's National Wetlands Inventory (NWI) data for wetlands, U.S. Geological Survey's National Hydrography Dataset for water bodies, Federal Emergency Management Agency floodway and floodplain data, and the Natural Resources Conservation Service's Soil Survey for Fort Bend County. SWCA will conduct a field

reconnaissance to confirm remotely sensed natural resource data and will conduct a preliminary wetland determination to identify potential wetlands and waters of the United States based on visual wetland indicators. The preliminary wetland determination does not include a complete wetland delineation following the United States Army Corps of Engineers (USACE) required methods. Any potential wetlands will be identified and approximated in size by visual and desktop assessment.

SWCA will conduct a thorough background archaeological literature and records search of the project area. An SWCA archaeologist will search site files, records, and maps available on the Texas Historical Commission's Texas Archeological Sites Atlas (Atlas). In addition to identifying previously recorded archeological sites, the Atlas includes the locations of National Register of Historic Places (NRHP) properties, State Antiquities Landmarks (SALs), historical markers, and cemeteries. Additional sources of information may include readily available historical topographic maps and aerial photography.

SWCA will obtain a hazardous materials ASTM data search from the TelALL Corporation for the proposed project areas. SWCA will verify any locations within the project area during the field reconnaissance and map the locations.

Once the data review is completed, SWCA will prepare an environmental constraints map at an appropriate scale as well as a brief letter report summarizing the environmental review and any recommendations for further assessments. A separate letter report and map will be completed for each project.

At least three of the proposed projects include new location roadway alignments. Therefore, for SWCA to conduct field reconnaissance, SWCA will prepare draft right-of-entry letters for the County to print on their letterhead. SWCA assumes the County will provide the parcel owner addresses and coordinate right-of-entry for SWCA's field reconnaissance.

Cost Estimate

SWCA will complete the requested tasks described in this proposal on a lump sum basis per the County's request. The cost will be **\$35,846**. If out of scope items are deemed appropriate, prior notification will be provided and change order will be requested. Invoicing will be monthly.

SWCA appreciates the opportunity to provide this scope and cost. If you have any questions, I can be reached by phone (o - 281.617.3217, c - 281.851.2301) or email (kwinkler@swca.com).

Sincerely,

SWCA Environmental Consultants
