- D. Take all appropriate action to set a public hearing to be conducted on Tuesday, February 10, 2015 at 1:00 p.m. in the Commissioners Courtroom at 401 Jackson Street in Richmond, Texas for the proposed creation of a new Emergency Service District to be named Emergency Service District Number 7, and issue the necessary notices pursuant to Sec. 775.015 of the Health & Safety Code.**

Pulled.

Commissioner Meyers enquired whether the other subdivisions would be contacted to see if they would like to move forward in creating the district.

Judge Hebert commented for the record that there is a valid petition before the court to allow the calling of an election decree for an Emergency Services District that would encompass Pecan Grove and other areas adjacent to Pecan Grove. The City of Richmond at their commission meeting this past week denied the petition for all of the territory within the City of Richmond's ETJ which removes the entirety of Pecan Grove from the area. There is a cost to the county between \$2600 and \$3000 to publish Notice of Public Hearings for this election and since the majority of the voters and petitioners are no longer eligible to be in that district by law, the question then becomes: "Do the remaining petitioners wish to move forward?" That is not for this court to decide so the items are being pulled for one week to allow counsel for the other petitioners to meet with those petitioners and if they choose to go forward, they still have a valid petition before the court for next week. If these items come back on the agenda next Tuesday, then commissioners court will go through with the public hearings and take testimony and then amend the boundaries of the district as necessary to take into consideration the testimony and actions of the City of Richmond.
