Question #6

There are no restrictions by any agencies or cities that would impede enforcement or operations. We will primarily concentrate our efforts in the unincorporated areas of Fort Bend County Pct 3, however, there will be no problems should our efforts branch into city limits in our jurisdiction. We continue to have a positive, productive relationship with other law enforcement agencies in our county.

We may partner with other law enforcement agencies and public school districts in our jurisdiction, if needed, to enforce tobacco laws concerning minors and assist with education and understanding of those laws as well. These agencies include, but are not limited to, the following:

- (01) Sugar Land Police Department
- (02) Fort Bend County Sheriff's Office
- (03) Katy Police Department
- (04) Texas Department of Public Safety
- (05) Richmond Police Department
- (06) Rosenberg Police Department (also acting as school district police for Lamar CSD)
- (07) Fort Bend ISD Police Department
- (08) Katy ISD Police Department
- (09) Texas Comptroller's Office
- (10) Fort Bend ISD
- (11) Katy ISD
- (12) Lamar CSD
- (13) Fulshear Police Department

Question #7

Our agency plan for enforcing the Health and Safety Code, Chapter 161 is a multi-faceted plan, but with the goal of keeping tobacco from the hands of minors. We use one of our several undercover minors to attempt to purchase tobacco products in accordance to state law. An undercover deputy goes in first and maintains visual and audible range to witness the transaction. The tobacco product then becomes evidence and is booked into the evidence locker as such. Two uniformed deputies go in and issue the citation for the violation. We will conduct follow-up stings at retailers who sold tobacco products to minors during a previous sting event.
