Approval of Temporary Road Closure of Hillcrest Drive at Williams Way during  
Construction**

Dear Commissioner:

Fort Bend County Engineering is requesting approval of temporary road closure of Hillcrest Drive at Williams Way during construction. The closure date is June 8, 2015 and will remain closed until construction is completed. (The duration should be around three weeks depending on the weather). The closure is to thru traffic only. Hillcrest residents will not be affected.

A message board will be put in place one week prior to closure to notify those using Hillcrest Drive as notification of the up-coming closure.

If this meets your approval, we will place it on the May 26th agenda.

Sincerely,

Wesley Crawford  
Construction Coordinator
