Grace Industries, Inc. - Telemetry Products

To whom it may concern,

This letter is to notify all concerned parties that Grace Industries, Inc. of Fredonia, Pennsylvania is the manufacturer of the Grace Telemetry TPASS® (One and Two-way signaling Personal Alert Safety Systems) and In-Command (an Automated Personnel Accountability and Emergency Signaling System).

Grace Industries, Inc. is the sole source for all Grace Telemetry product purchase and support (including all replacement parts). Grace Telemetry products incorporate proprietary technology developed by Grace Industries and is protected by the following partial list of patents:

No. 7,538,666 Automated Accountability Locating System

No. 6,756,901 Multi-Function Electronic Personal Monitor and Radio Telemetry Cell System

No. 6,016,099 Automatically Active Personal Alert Safety System

No. D579,810 Cover for a Device

Grace has appointed Kevin Lentz as the sole source supplier and authorized representative for the purchase and after sale support (including all replacement parts) of fire service related telemetry products in the states of Oklahoma and Texas. All requests for quotes, bids and the submission of purchase orders should be directed to Grace Industries, Inc. or Kevin Lentz at the addresses below (contact information noted below).

All warranty, service and product repair shall be provided solely by Grace, the manufacturer, and doing such business directly with the end-user is not considered a conflict of interest.

If you have any questions regarding the above, please do not hesitate to contact me at 1-800-969-6933. Thank you for your interest in Grace's Solutions for Life Safety.

Regards,

Paul Emmett | VP Operations
