RE: Bid 15-053 Price Increase

Dear Ms. Krejci:

In accordance with Paragraph 1.35 in the above mentioned bid, Century Asphalt hereby requests a price increase on Hot Mix Asphalt for Fort Bend County.

This price increase is being driven by two factors: First, Century's aggregate supplier, Martin Marietta Materials, recently announced and applied price increases for all crushed stone products delivered via rail into their Rosenberg Terminal. Secondly, Century's operating costs have risen significantly due to the indefinite suspension of natural gas flow to our production facility. Century was notified by our natural gas supplier, James Construction Group, that the public utility gas line which feeds our production facility has been indefinitely shut down because of right of way encroachment issues, thereby forcing us to use a much more expensive fuel for operating the facility.

I have attached a letter from our aggregate supplier as well as notification from the pipeline owner as justification for the following price increases.

### Current Pricing

	Material	Rosenberg
THD #292	Black Base without RAP	\$50.00/ton
THD #292	Black Base with RAP	\$42.50/ton
THD #340	Type D without RAP	\$62.00/ton
THD #340	Type D with RAP	\$48.50/ton

### New Pricing

	Material	Rosenberg	Percent Increased
THD #292	Black Base without RAP	\$54.65/ton	9.3%
THD #292	Black Base with RAP	\$46.90/ton	10.4%
THD #340	Type D without RAP	\$66.75/ton	7.7%
THD #340	Type D with RAP	\$53.00/ton	9.3%

We value the relationship that we have with Fort Bend County and look forward to a continued working relationship.
