Texas law imposes a margin tax on each company conducting business in Texas, including the Hotel Owner. To recover the cost of the margin tax, guest room rates are subject to a "State Cost-Recovery Fee" (currently 0.7% of the room rate, plus applicable state and local taxes). Although the fee is not a government mandated charge, the state allows this charge to be passed on to the customer.

Texas law imposes a margin tax on each company conducting business in Texas, including the Hotel Owner. To recover the cost of the margin tax, guest room rates are subject to a "State Cost-Recovery Fee" (currently 0.525% of the room rate, plus the applicable state and local taxes). Although the fee is not a government mandated charge, the state allows this charge to be passed on to the customer.
