RE: FBC Project 13320
Per Bid 16-075
Spring Green Boulevard NB Lane from S. Firethorne Road to Morgan Parkway
PROPOSAL TO ASSIST WITH SELECTIVE CPS

Dear Mr. Slawinski:

As requested, Costello, Inc. (CI) is hereby submitting a proposal for selective Construction Phase Service assistance for the Drainage and Paving Improvements for the referenced project. The general scope of work to be undertaken for construction is approximately 1,950 linear feet of the remaining half of the street section for Spring Green Boulevard. A description of scope follows:

Field Observation

CI will provide one field observation personnel to the project on a part time basis to assist Fort Bend County (FBC) undertaking the same scope in a limited basis. It is our understanding that Costello is part of a team to support the project. We will provide periodic field observation to document that the Contractor is following the design plans and project specifications. A daily field report will be generated for each day CI is present at the site. We will be available for special field meetings and inspections with the Contractor, City of Katy and Fort Bend County (FBC) personnel.

Duties/Deliverables

CI will undertake all RFI requests from the Contractor as well as review and distribute any special submittals from the Contractor. CI can also work with FBC in advance (if requested to do so) to preliminarily review and verify pay estimate progress quantities. It is our understanding that the formal processing of pay estimates and generating a certificate of completion is the responsibility of FBC. CI will assist FBC to schedule final inspections and requests for ultimate project acceptance from the City of Katy. Finally, CI will prepare Record Drawings for submittal to the City at the conclusion of the project.

Fee Estimate

The estimated fee will be billed "Time & Materials", not to exceed \$11,000.00. This budget includes mileage to and from the site at current reimbursement cost allocated by the IRS.

We appreciate the opportunity to submit this proposal. Please return a signed copy of this proposal, which will serve as authorization to proceed pending receipt of a schedule of construction from the Contractor.

Sincerely,
Costello, Inc.
