Fort Bend County - Purchasing

Re: Fort Bend County Bid 14-012 - Term Contract for Concrete Pavement Rehabilitation

Attn: Cheryl Krejci

S&C Construction Co., Inc. would like to keep our prices the same for 2016/2017 Road & Bridge Street Repair Contract but due to material, insurance, and tax increases, we are requesting a 5% increase on all unit prices. We did not request an increase for last year's contract.

The most affected items are:

	<u>2014/2015</u>	5% inc.	<u>2016/2017</u>
Concrete pavement removal and replacement -	\$82.50		\$86.63
Concrete pavement removal, disposal and replacement-6" thickness	- \$79.75		\$83.74
Concrete pavement removal, disposal and replacement-7" thickness	- \$81.40		\$85.47

Concrete for 5.5 sack increased from \$96.00/CY in Aug. 2014 to \$105.00/CY with expected increases per my supplier (Allied Concrete). See attached

We have had an excellent working relationship with Fort Bend County Road & Bridge and hope to continue that in the future.

Please call me if you have any questions.

Sincerely,

Roger L. Douglas
President
