Project Description

Fort Bend County Public Transportation Department (FBCPT) provides general public demand response, deviated fixed route and commuter services. Elderly and disabled demand response services are part of our overall project as well as through an agreement with Fort Bend Seniors Meals on Wheels.

For general transportation, seniors must book their trips like any other individual seeking a ride. Reservations can be made up to 30 days in advance or no later than one (1) business day in advance. Reservations are accepted Monday through Friday between 8 am and 5 pm, excluding Holidays. Trips are scheduled Monday through Friday for first drop off by 8 am and last pick-up at 5 pm, excluding Holidays. General trip fare is \$1.00 per person each way. This service is curb to curb; however, door to door service is available to those with disabilities upon request.

Project Benefits

Fort Bend Seniors Meals on Wheels is a non-profit agency in which we continue to coordinate with. Fort Bend Seniors clients benefit by being able to utilize a transportation system that meet their needs. Fort Bend Seniors Meals on Wheels provides a portion of the costs for the clients transit needs so the seniors are not charged fares for their trips to the Senior Centers.

Additional Information

FBCPT does not directly operate services. All services are provided via a contract for bus services; therefore, we are requesting purchase of service funding from the Section 5310 Elderly and Disabled program. Funds will be used to maintain current service levels. The funds being request are for FY2015 and they were approved in the TIP on 9-14-2015 (MPOID 11788).

Location Description

This project will occur throughout Fort Bend County's service area.
