INTERLOCAL PROJECT AGREEMENT

This Interlocal Project Agreement ("Project Agreement"), is made and entered into pursuant to the Interlocal Cooperation Act, Chapter 791 of the Texas Government Code and Chapters 251.012 and/or 251.015 of the Texas Transportation Code, between Fort Bend County, Texas, ("County") a body corporate and politic, acting by and through its Commissioners Court and the Pecan Grove Municipal Utility District ("District") a county, municipality, special district, or other political subdivision (including a corporate or political Local Government organized under State law), acting by and through its board..

In consideration of the foregoing and further consideration of the mutual promises, covenants and conditions herein, the parties hereby agree as follows:

I. BASIC TERMS

This Project Agreement is entered into pursuant to the Primary Interlocal Agreement ("Primary Agreement") previously agreed to by the parties on July 5, 2011. The terms of that Primary Agreement are incorporated into this Project Agreement by reference for all purposes as if they were set forth herein word for word.

County, by and through its Commissioners Court, hereby affirmatively finds that Fort Bend County will receive a benefit as the result of this Project.

County, by and through its Commissioners Court, hereby affirmatively finds that the Project serves a public purpose.

County, by and through its Commissioners Court, hereby affirmatively finds that County is specifically authorized by law to individually and independently construct the Project on its own.

District, by and through its Board, hereby affirmatively finds that District is specifically authorized by law to individually and independently construct the Project on its own.

County and District agree that, in performing the governmental functions contemplated in this Agreement or in paying for the performance of those governmental functions, each party will make that performance or those payments from current revenues legally available to that party.

County and District affirmatively find that the performance of this Agreement is in the common interest of both parties, that undertaking this Agreement will benefit the public and that the division of costs associated with the Project fairly and adequately compensate the performing party for its services or functions performed under this Agreement.

Neither County nor District intends for any third party to obtain a right by virtue of this Agreement.

District agrees that County is relying upon District for notice to proceed with this Project, but that County shall not be required to perform this Agreement within any time limit.

County and District understand and agree that County is an Independent Contractor and that at no time will County's employees, agents or assignees be deemed for any purpose to be employees or agents of District.

County and District understand and agree that Districts is an Independent Contractor and that at no time will District's employees, agents or assignees be deemed for any purpose to be employees or agents of County.
