RE: Fresno Fire Station Attendant Funding

To Commissioner Morrison, Precinct 1:

First, I want to thank you for your continued support of the station day attendant project. This program has been a great benefit to the community since it provides immediate response capability during weekday normal business hours to the various incidents without having to wait for neighboring fire departments mutual aid response. The weekday normal business hours are the department's most venerable time due to the fact most members are at their personal jobs.

Therefore, we are submitting another request to fund the project another year, for the period of Oct. 1, 2014 through Sept. 31, 2015. We are requesting the same amount as submitted last year, \$37,418.00.

If you have any questions, please feel free to contact me.
