THANK YOU FOR YOUR BUSINESS!

Everbridge Mass Notification for State and Local Government (BASE)

Everbridge Mass Notification allows users to send notifications to individuals or groups using lists, locations, and visual intelligence. Everbridge Mass Notification is supported by state-of-the-art security protocols, an elastic infrastructure, advanced mobility, interactive reporting and analytics, adaptive people and resource mapping to mirror your organization, and true enterprise class data management capabilities to provide a wide array of data management options. Below is a list of key system inclusions with your new Everbridge Mass Notification system.

Usage*

Unlimited Domestic Emergency Alerts and Testing Messages

Unlimited Domestic Non-Emergency Alerts Messaging

*Usage above applies to notifications generated through the Everbridge Manager user interface. Automated notifications are subject to additional fees.

Core Platform Access

Unlimited Administrators for web-based portal to initiate messages, reporting, and administration

Unlimited Administrators for ManageBridge Application (iOS, Android) and Mobile Optimized Notification Site (for Blackberry, etc.)

Three (3) Organization with unlimited nested static and dynamic groups

Access to Everbridge Elastic Infrastructure for message delivery

Custom branded community opt-in portal with custom fields and opt-in subscriptions

Flexible role-based access controls to manage user permissions

Access to Real-Time Dashboard, Notifications Library, Everbridge Universe, and Custom Reporting

Access to Auto-Translate and Missing Person Message Guides

Key Notification Features

Integrated GIS/Map-based, rule-based, group-based, or individual contact selection

Ability to send standard, polling, or on-the-fly 'One-Touch' Conference Call messages

One-screen broadcast creation workflow to speed message creation and reduce human error

Everbridge Network to access situational intelligence & notifications shared by other public and private groups

Publish notifications directly Facebook and Twitter

Publish notifications directly to Websites and services that support API access via HTTPS using 'Web Posting'

Publish notifications directly to the Smartphones of residents and employees via Everbridge Mobile Application (fka ContactBridge)

Access to IPAWS for authorized agencies

Contact filtering based on custom criteria

Map-based drawing and selection tools and imported shape files (e.g. Google Maps, Bing Maps, ESRI)

Automatic address geo-coding for contacts

Organization specific customizable caller ID, greetings, and broadcast settings

SMPP based SMS text messaging

Multi-language Text to Speech Engine and Custom Voice Recording

Real-time reporting for improved situational awareness and easier after action analysis

5 Live Operator Message Initiations per year

Interactive Dashboard for Organizational Activity Summary

Unlimited Mass Notification Templates

Self-service Single Contact Record Adjustments, Contact Import via CSV Upload and via Contact API

Bulk Contact Management Automation via Secure FTP

Audio Bulletin Board

4 Everbridge basic conference bridge codes

Auto translate, Boil water and Weather alert message guides

Set-up, Implementation & Support

Up to 10 total hours of a dedicated Implementation Specialist during a Standard Implementation

Self Service Administrative Set-up, Configuration and Default Preferences

Initial Member Data Upload and Test Broadcast Support

Unlimited Access to Everbridge University classes

24x7 Customer Support (phone, web, email)

Global Support/Operations Centers for Redundant Live Support

***Invoice Submission Email Address(s):**

***Do you require a Purchase Order to process payment?**

Yes

No

If Yes, please send Purchase Order to Final.Documents@everbridge.com

(For U.S. Clients only)

***Is your organization exempt from paying Sales and Use Tax?**

Yes

No

If your organization is exempt or is utilizing Direct Pay, please attach a copy of your Exemption or Direct Pay Certificate to this form

*If either of the certificates is not attached to this form, sales tax will be added where applicable.

Please provide any special instructions for submitting and processing invoices for payment:

Please list and attach any required forms and/or web links for invoice processing:

e.g., Wire/EFT/ACH forms, Vendor forms, W9 forms, Registration links

GSA Approved End User License Agreement

This End User License Agreement (“**Agreement**”) is entered into by and between Everbridge, Inc. (“**Everbridge**”), and the client identified on the Quote (“**Customer**”), effective on the date of Customer’s signature on the Quote (“**Effective Date**”). Everbridge and Customer are each hereinafter sometimes referred to as a “**Party**” and collectively, the “**Parties**”.

1. SERVICE. Everbridge shall provide Customer access to its proprietary interactive communication service(s) (the “**Service(s)**”) subject to the terms and conditions set forth in this Agreement and the description of services and pricing provided in the applicable quote (the “**Quote**”). If applicable, Everbridge shall provide the training and professional services set forth in the Quote. Everbridge shall provide Customer with login and password information for each User (as defined below) and will configure the Service to contact the maximum number of households (each a “**Contact**”) set forth on the Quote.

2. PAYMENT TERMS. Customer shall pay the fees set forth in the Quote (“**Pricing**”). If Customer exceeds the usage levels specified in the Quote, then Everbridge may invoice Customer for any overages at the established rates. Everbridge shall invoice Customer annually in advance. All payments shall be made within thirty (30) days from receipt of invoice.

3. CUSTOMER RESPONSIBILITIES.

3.1 Users. If Customer has purchased Mass Notification, Customer shall in its discretion authorize certain of its employees and contractors to access that Service. If Customer has purchased Incident Management, Customer shall authorize only those employees or contractors who are Incident Operators (as defined on Exhibit A) or Incident Administrators (as defined on Exhibit A) to access that Service. Collectively, Customer’s employees and contractors who are authorized to access any Service as provided above are referred to as “**User(s)**”. Each User must be bound in writing to confidentiality obligations sufficient to permit Customer to fully perform its obligations under this Agreement. Customer shall undergo the initial setup and training as set forth in the Implementation – Standard inclusion sheet provided with the Quote. The Implementation sheet provides a detailed list of the services included as part of the implementation purchased and the corresponding timelines. If Customer fails to complete the Implementation process within the sixty (60) day timeframe, Customer must purchase any additional implementation services. Customer shall be responsible for: (i) ensuring that Users maintain the confidentiality of all User login and password information; (ii) ensuring that Users use the Service in accordance with all applicable laws and regulations, including those relating to use of personal information; (iii) any breach of the terms of this Agreement by any User; and (iv) all communications by Users using the Service. Customer shall promptly notify Everbridge if it becomes aware of any User action or omission that would constitute a breach or violation of this Agreement.

3.2 Customer Data. “**Customer Data**” is all electronic data transmitted to Everbridge in connection with the use of the Service, including data submitted by Contacts. Customer Data provided by Customer shall be true, accurate, current and complete, and shall be in a form and format

specified by Everbridge. Customer shall have sole responsibility for the accuracy, quality, integrity, legality, reliability, and appropriateness of all Customer Data. By purchasing the Service, Customer represents that it has the right to authorize and hereby does authorize Everbridge and its “**Service Providers**” to collect, store and process Customer Data subject to the terms of this Agreement. “**Service Providers**” shall mean communications carriers, data centers, collocation and hosting services providers, and content and data management providers that Everbridge uses in providing the Service. Customer shall maintain a copy of all Customer Contact data that it provides to Everbridge. Customer acknowledges that the Service is a passive conduit for the transmission of Customer Data and Everbridge shall have no liability for any errors or omissions or for any defamatory, libelous, offensive or otherwise objectionable or unlawful content in any Customer Data, or for any losses, damages, claims, suits or other actions arising out of or in connection with any Customer Data sent, accessed, posted or otherwise transmitted via the Service.

4. TERM. This Agreement will commence on the Effective Date and will continue in full force and effect until all executed Quotes have terminated.

5. TERMINATION; SUSPENSION.

5.1 Termination by Either Party. [Intentionally Deleted]

5.2 Termination by Everbridge. [Intentionally Deleted]

5.3 Suspension. Everbridge may suspend, with or without notice, the Service or any portion for (i) emergency network repairs, threats to, or actual breach of network security; or (ii) any legal, regulatory, or governmental prohibition affecting the Service. In the event of a suspension, Everbridge shall use its best efforts to notify Customer and reactivate any affected portion of the Service as soon as possible.

6. PROPRIETARY RIGHTS.

6.1 Grant of License. Everbridge hereby grants to Customer, during the term of this Agreement, a non-exclusive, non-transferable, non-sublicensable right to use the Service subject to the terms and conditions of this Agreement. Upon suspension of the Service or termination of this Agreement for any reason, the foregoing license shall terminate automatically and Customer shall discontinue all further use of the Service.

6.2 Restrictions. Customer shall use the Service solely for its internal business purposes and shall not make the Service available to, or use the Service for the benefit of, any third party except as expressly contemplated by this Agreement. Customer shall not: (i) copy, modify, reverse engineer, de-compile, disassemble or otherwise attempt to discover or replicate the computer source code and object code provided or used by Everbridge in connection with delivery of the Service (the “**Software**”) or create derivative works based on the Software, the Service or any portion thereof; (ii) merge any of the foregoing with any third party software or services; (iii) use any Everbridge Confidential Information to create a product that competes with the

Software; (iv) remove, obscure or alter any proprietary notices or labels on the Software or any portion of the Service; (v) create internet "links" to or from the Service, or "frame" or "mirror" any content forming part of the Service, other than on Customer's own intranets for its own internal business purposes; (vi) use, post, transmit or introduce any device, software or routine (including viruses, worms or other harmful code) which interferes or attempts to interfere with the operation of the Service; (vii) use the Service in violation of any applicable law or regulation; or (viii) access the Service for purposes of monitoring Service availability, performance or functionality, or for any other benchmarking or competitive purposes.

6.3 Reservation of Rights. Other than as expressly set forth in this Agreement, Everbridge grants to Customer no license or other rights in or to the Service, the Software or any other proprietary technology, material or information made available to Customer through the Service or otherwise in connection with this Agreement (collectively, the "**Everbridge Technology**"), and all such rights are hereby expressly reserved. Everbridge (or its licensors where applicable) owns all rights, title and interest in and to the Service, the Software and any Everbridge Technology, and all patent, copyright, trade secret and other intellectual property rights ("**IP Rights**") therein, as well as (i) all feedback and other information (except for the Customer Data) provided to Everbridge by Users, Customer and Contacts, and (ii) all transactional, performance, derivative data and metadata generated in connection with the Services.

7. CONFIDENTIAL INFORMATION.

7.1 Definition; Protection. As used herein, "**Confidential Information**" means all information of a Party ("**Disclosing Party**") disclosed to the other Party ("**Receiving Party**"), whether orally, in writing, or by inspection of tangible objects (including, without limitation, documents or prototypes), that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure. Confidential Information includes without limitation, any personally identifiable Customer Data, all Everbridge Technology, and either Party's business and marketing plans, technology and technical information, product designs, reports and business processes. Confidential Information shall not include any information that: (i) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party; (ii) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party; (iii) was independently developed by the Receiving Party without breach of any obligation owed to the Disclosing Party; or (iv) is received from a third party without breach of any obligation owed to the Disclosing Party. The Receiving Party shall not disclose or use any Confidential Information of the Disclosing Party for any purpose other than performance or enforcement of this Agreement without the Disclosing Party's prior written consent, unless (but only to the extent) otherwise required by a governmental authority. Each Party agrees to protect the Confidential Information of the other Party with the same level of care that it uses to protect its own confidential information, but in no event less than a reasonable level of care. Without limiting the foregoing, this Agreement and all terms hereof shall be Everbridge's Confidential Information.

8. WARRANTIES; DISCLAIMER.

8.1 Everbridge Warranty. Everbridge shall use commercially reasonable efforts to provide the Services herein contemplated. To the extent professional services are provided, Everbridge shall perform them in a professional manner consistent with industry standards.

8.2 Disclaimer. NEITHER EVERBRIDGE NOR ITS LICENSORS WARRANT THAT THE SERVICE WILL OPERATE ERROR FREE OR WITHOUT INTERRUPTION. WITHOUT LIMITING THE FOREGOING, IN NO EVENT SHALL EVERBRIDGE HAVE ANY LIABILITY TO CUSTOMER, USERS, CONTACTS OR ANY THIRD PARTY FOR PERSONAL INJURY (INCLUDING DEATH) OR PROPERTY DAMAGE ARISING FROM FAILURE OF THE SERVICE TO DELIVER AN ELECTRONIC COMMUNICATION, HOWEVER CAUSED AND UNDER ANY THEORY OF LIABILITY, EVEN IF EVERBRIDGE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.

8.3 Customer Representations and Warranties. Customer represents and warrants that during use of the Service, Customer shall (i) clearly and conspicuously notify Contacts of the way in which their personal information shall be used, and (ii) have primary safety and emergency response procedures including, without limitation, notifying 911 or equivalent fire, police, emergency medical and public health officials (collectively, "**First Responders**"). Customer acknowledges and agrees that Everbridge is not a First Responder, and that the Service does not serve as a substitute for Customer's own emergency response plan, which in the event of an actual or potential imminent threat to person or property, shall include contacting a First Responder prior to using the Service. Customer represents and warrants that all notifications sent through the Service shall be sent by authorized Users, and that the collection, storage and processing of Customer Data, and the use of the Service, as provided in this Agreement, will at all times comply with (x) Customer's own policies regarding privacy and protection of personal information; and (y) all applicable laws and regulations, including those related to processing, storage, use, disclosure, security, protection and handling of Customer Data.

9. INDEMNIFICATION.

9.1 By Customer. [Intentionally Deleted]

9.2 By Everbridge. Everbridge shall indemnify and hold Customer harmless from and against any Claim against Customer, but only to the extent it is based on a Claim that the Service directly infringes an issued patent or other IP Right in a country in which the Service is actually provided to Customer. In the event Everbridge believes any Everbridge Technology is, or is likely to be the subject of an infringement claim, Everbridge shall have the option, at its own expense, to: (i) to procure for Customer the right to continue using the Service; (ii) replace same with a non-infringing service; (iii) modify such Service so that it becomes non-infringing; or (iv) refund any fees paid to Everbridge and terminate this Agreement without further liability. Everbridge shall have no liability for any Claim arising out of (w) Customer Data or other Customer supplied content, (x) use of the Service or Software in combination with other products, equipment, software or data not supplied by Everbridge, (y) any use, reproduction, or distribution of any release of the Service or Software other than the most current release made available to Customer, or (z) any modification of the Service or Software by any person other than Everbridge.

10. LIMITATION OF LIABILITY. Except for breaches of Section 6, neither Party shall have any liability to the other Party for any loss of use, interruption of business, lost profits, costs of substitute services, or for any other indirect, special, incidental, punitive, or consequential damages, however caused, under any theory of liability, and whether or not the Party has been advised of the possibility of such damage. Notwithstanding anything in this Agreement to the contrary, in no event shall Everbridge's aggregate liability, regardless of whether any action or claim is based on warranty, contract, tort, indemnification or otherwise, exceed amounts actually paid by Customer to Everbridge hereunder during the 12 month period prior to the event giving rise to such liability. Customer understands and agrees that these liability limits reflect the allocation of risk between the Parties and are essential elements of the basis of the bargain, the absence of which would require substantially different economic terms. This clause shall not impair the U.S. Government's right to recover for fraud or crimes arising out of or related to this Agreement under any federal fraud statute. Furthermore, this clause shall not impair nor prejudice the U.S. Government's right to express remedies provided in the schedule contract (i.e. Price Reductions, Patent Indemnification, Liability for Injury or Damage, Price Adjustment, Failure to Provide Accurate Information).

11. MISCELLANEOUS.

11.1 Non-Solicitation. As additional protection for Everbridge's proprietary information, for so long as this Agreement remains in effect, and for one year thereafter, Customer agrees that it shall not, directly or indirectly, solicit, hire or attempt to solicit any employees of Everbridge; provided, that a general solicitation to the public for employment is not prohibited under this section.

11.2 Force Majeure; Limitations. Everbridge shall not be responsible for performance under this Agreement to the extent precluded by circumstances beyond Everbridge's reasonable control, including without limitation acts of God, acts of government, flood, fire, earthquakes, civil unrest, acts of terror, labor problems, computer, telecommunications, Internet service provider or hosting facility failures, or delays involving hardware, software or power systems, and network intrusions or denial of service attacks. The Service delivers information for supported Contact paths to public and private networks and carriers, but cannot guarantee delivery of the information to the recipients. Final delivery of information to recipients is dependent on and is the responsibility of the designated public and private networks or carriers. Customer acknowledges and agrees that territories outside the U.S. and Canada may have territorial restrictions resulting from applicable law, telecommunications or internet infrastructure limitations, telecommunications or internet service provider policies, or communication device customizations that may inhibit or prevent the delivery of certain SMS, text or other notifications, or restrict the ability to place or receive certain calls such as outbound toll free calls. Everbridge shall have no liability to the extent such restrictions impede the Service.

11.3 Waiver; Severability. The failure of either Party hereto to enforce at any time any of the provisions or terms of this Agreement shall in no way be considered to be a waiver of such provisions. If any provision of this Agreement is found by

any court or other authority of competent jurisdiction to be invalid, illegal or unenforceable, that provision shall, to the extent required, be deemed deleted and the remaining provisions shall continue in full force and effect.

11.4 Assignment. Neither this Agreement nor any rights granted hereunder may be sold, leased, assigned (including an assignment by operation of law), or otherwise transferred, in whole or in part, by Customer, and any such attempted assignment shall be void and of no effect without the advance written consent of Everbridge, which shall not be unreasonably withheld.

11.5 Governing Law; Attorney's Fees. This Agreement shall be governed and construed in accordance with the federal laws of the United States of America.

11.6 Notices. Either party may give notice at any time by any of the following: letter delivered by (i) nationally recognized overnight delivery service; (ii) first class postage prepaid mail; or (iii) certified or registered mail, (certified and first class mail deemed given following 2 business days after mailing) to the other party at the address set forth on the Quote. Either Party may change its address by giving notice as provided herein.

11.7 No Third-Party Beneficiaries. There are no third-party beneficiaries to this Agreement.

11.8 Entire Agreement. [Intentionally Deleted]

11.9 Marketing. Everbridge shall obtain Customer's express written consent in order to reference Customer's name and logo as an Everbridge customer in Everbridge publications, its website, and other marketing materials.

11.10 Survival. Sections 2, 3.2, 5.2, 6, 7, 9-11 and the applicable provisions of Exhibit A shall survive the expiration or earlier termination of this Agreement.

11.11 Counterparts. This Agreement may be executed in one or more counterparts, all of which together shall constitute one original document. A facsimile transmission or copy of the original shall be as effective and enforceable as the original.

11.12 Export Compliant. Neither Party shall export, directly or indirectly, any technical data acquired from the other pursuant to this Agreement or any product utilizing any such data to any country for which the U.S. Government or any agency thereof at the time of export requires an export license or other governmental approval without first obtaining such license or approval.

11.13 Equal Employment Opportunity. Everbridge, Inc. is a government contractor and is subject to the requirements of Executive Order 11246, the Rehabilitation Assistance Act and VEVRAA. Pursuant to these requirements, the Equal Opportunity Clauses found at 41 Code of Federal Regulations sections 60-1.4(a) (1-7), sections 60-250.4(a-m), sections 60-300.5 (1-11) and sections 60-741.5 (a) (1-6) are incorporated herein by reference as though set forth at length, and made an express part of this Agreement.

Exhibit A

Additional Business Terms

The following additional business terms are incorporated by reference into the Agreement as applicable based on the particular products and services described in the Customer's Quote.

"Data Feed" means data content licensed by third parties to Everbridge and supplied to Customer through the Service (e.g., real time weather system information and warnings, and third party maps).

"Incident Administrator" means an individual who is authorized by Customer as an organizational administrator for the Incident Management Service.

"Incident Operator" means an individual who is authorized by Customer as an operator of the Incident Management Service.

"Premium Features" means the products and services listed on the Premium Feature List attached to the Quote.

- 1. Data Feeds; Other Data.** Notwithstanding anything to the contrary in this Agreement, to the extent that Customer has purchased or accesses Data Feeds, the sole and exclusive remedy for any failure, defect, or inability to access such Data Feed shall be to terminate the Data Feed with no further payments due. No refunds shall be granted with respect to such Data Feed. In addition, to the extent Customer has purchased a feature that allows Customer to monitor, and utilize information and data from other sources not supplied by Everbridge directly (e.g., Twitter) (collectively **"Other Data"**), Everbridge disclaims any and all liability of any kind or nature resulting from any inaccuracies or failures with respect to all Other Data.
- 2. Incident Management.** For Customers purchasing the Incident Management Service: (a) Customers may only designate the number of Incident Operators and Incident Administrators set forth on the Quote, and such individuals shall only have the access rights pursuant to such designation and role; (b) Incident Administrators shall have the ability to build incident templates, report on incidents, and launch incident notifications; (c) Incident Operators shall only have the ability to launch or manage incidents; and (d) Customer shall be provided the number of incident templates purchased pursuant to the Quote. If Customer exceeds the number of Incident Operators, Incident Administrators or incident templates purchased, Customer shall be charged the applicable fees then in effect for additional Incident Operators, Incident Administrators or incident templates, as applicable.
