A Reinvestment Premium shall be due and payable by the County if (A) exceeds (B) where (A) equals total scheduled interest payments due on the Certificates calculated at the 7-year Swap Rate (as defined in the Order) effective on October 3, 2017 (the "Rate Lock Date") and (B) equals total scheduled interest payments due on the Certificates calculated on the 7-year Swap Rate effective on the Extraordinary Mandatory Redemption Date. ARTICLE V. TAX LEVY; SALE OF CERTIFICATE, AND RELATED PROVISIONS

Section 5.1. Interest and Sinking Fund; Tax Levy; Pledge. The Interest and Sinking Fund of the County is hereby confirmed. To provide for the payment of the principal and interest on the Certificates, the County levies and shall levy for the current year and each succeeding year thereafter while the Certificates or any interest thereon are outstanding, a sufficient tax on each \$100 of taxable property in the County, within the limits prescribed by law, sufficient to pay the current interest on the Certificates as the same becomes due and to provide and maintain a sinking fund of not less than two percent of the principal amount of the Certificates or the amount required to pay each installment of principal of the Certificates as the same matures, whichever is greater, full allowance being made for delinquencies and costs of collection. Such tax shall be assessed and collected each year, and the same may not be diverted to any other purpose. The County shall pay the taxes so levied and collected into the Interest and Sinking Fund, and said taxes and fund are hereby irrevocably pledged to the payment of the interest on and principal of the Certificates and to no other purpose. The Commissioners Court hereby declares its purpose and intent to provide and levy such tax, it having been determined that the existing and available taxing authority of the County for such purpose is adequate to permit a legally sufficient tax in consideration of all other outstanding indebtedness. In addition, the Certificates shall be equally and ratably secured by a lien on and pledge of the Net Revenues as collected and received by the County from the operation and ownership of the System pursuant to Texas Local Government Code Sections 271.052(a) and 320.073, which Net Revenues shall, in the manner herein provided, be set aside for and pledged to the payment of the Certificates in the Interest and Sinking Fund as hereinafter provided, and the Certificates shall be, in all respects, on a parity with and of equal dignity with one another.

To pay the interest and principal coming due on the Certificates on March 1, 2018, there is hereby appropriated from current funds on hand, which are hereby certified to be on hand available for such purpose, an amount adequate to pay such principal and interest, and such amount shall be for no other purpose.

5.2. Rates and Charges. So long as any Certificates remain Outstanding, the County shall fix, charge and collect rates and charges for the use and services of the System which are calculated to be fully sufficient to produce the pledged Net Revenues described in Section 5.1.

5.3. Sale; Proceeds. The sale and delivery of the Certificates to JPMorgan Chase Bank, N.A., and its successors, and assigns (herein referred to as the "Purchaser") at a price of \$4,952,549 is hereby authorized, approved, ratified and confirmed, subject to the approving opinion as to the legality of the Certificates of Allen Boone Humphries Robinson LLP, Houston, Texas ("Bond Counsel"). It is hereby found and declared that the price and terms of the Certificates to the Purchaser are the most advantageous and reasonably obtainable by the County, and the net effective interest rate is _____% which rate is less than the maximum rate permitted by law. The County Judge of the County and other appropriate officials and agents of the County are hereby authorized and directed to do any and all things necessary or desirable to satisfy the conditions set out therein and to provide for the issuance and delivery of the Certificates.

The proceeds of sale of the Certificates shall be deposited into the Project Fund and shall be used for the purposes set forth in this Order and to pay costs of issuance. Any proceeds remaining after completion of the project and expenditures, including earnings from the investment of proceeds, shall be transferred to the interest and sinking fund, in accordance with the applicable laws and regulations.

5.4. Investments. Moneys deposited into the interest and sinking fund, the Project Fund, and other fund or funds that the County may lawfully create may be invested or reinvested in authorized investments. All investments and any profits realized from or interest accruing on such investments shall belong to the fund from which the moneys for such investments were taken; provided, however, that in the discretion of the Commissioners Court the profits realized from and interest accruing on investments made from any fund may be transferred to the interest and sinking fund.

5.5. Defeasance and Refunding. The County reserves the right to defease or refund the Certificates in any manner provided by law. The Certificates may not be partially defeased in any manner that would require bifurcated of regularly scheduled principal and/or interest payments due to the Purchaser between the Purchaser and another party such as an escrow agent.

5.6. Remedies in Event of Default. In addition to all of the rights and remedies provided by laws of the State of Texas, the County further covenants and agrees that in the event of default in payment of principal or interest on any of the Certificates when due, or, in the event it fails to make the payments required to be made into the Interest and sinking fund or any other fund or defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in this Order, the Registered Owner shall be entitled to a writ of mandamus issued by a court of competent jurisdiction compelling and requiring the County and the officials thereof to observe and perform the covenants, obligations or conditions prescribed in this Order. Any delay or omission to exercise any right or power occurring upon any default shall not impair any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.
