Re: Tyler-Fort Bend County Contract Termination for Convenience

Dear Judge Hebert:

Tyler enters every customer relationship driving towards a successful outcome, and we tackle project challenges in partnership with our customers so we can reach the finish line together. That said, I respect the County's determination that continuing with the Merchant Payment Card Processing project is not in the County's best interest at this time.

Accordingly, this letter is to confirm our mutual agreement to terminate for convenience the Merchant Payment Card Processing Agreement, dated June 7, 2016 ("Merchant Agreement"). As of the date of your signature below, the Merchant Agreement will terminate, thereby extinguishing the parties' rights and obligations under the contract.

Please confirm that you agree with the terms we discussed, as documented above, by signing in the space provided at the end of this letter. I would ask that you return a signed copy to me at the email address set forth in my signature block.

In the event your future business needs lead you to reconsider executing a Merchant Payment Card Processing Agreement with Tyler, I remain at your disposal. Tyler will be happy to re-engage with the County if and when the time is right.

Best,

A handwritten signature in blue ink that reads "Bruce Graham".
