Dear Mr. Petrilla:

Congratulations, you have been accepted for the National Fire Academy course listed below:

- R0150: Management of Emergency Medical Services
- 12/11/2017 To 12/22/2017

You should refer to the NETC Welcome Package at http://www.usfa.fema.gov/downloads/pdf/netc_welcome_package.pdf. This package contains pertinent information about making your travel arrangements, transportation, lodging, reimbursement, food service, and on campus services. If you are unable to select the link please copy and paste it into the address bar in your web browser.

Your travel dates for this course are: December 10, 2017 and December 22, 2017. If you are a FEMA employee, please refer to the NETC Welcome Package for specific information about your travel and travel authorization preparation.

NETC has instituted a new process for purchasing meal tickets. You must now purchase your meal ticket within two weeks prior to your arrival on the campus. You should go to www.netcmealtickets.com to order your meal ticket. The selection should be based on the

length of the course (using the travel dates listed above). If you have questions regarding your meal ticket, please call 301-447-1551.

You must contact the NETC Transportation Office at (301) 447-1113 at least 2 weeks prior to your course start date if you plan to use the shuttle to NETC. Failure to reserve a seat on the shuttle may result in your having to provide your own transportation to NETC which will be at your own expense.

Airport pickup times for this course are as follows:

- Baltimore/Washington International (BWI) pickup times: 03:00 PM and 07:00 PM (EST). Pickup is near the lower level Baggage Areas 13 and 14. There is not a Travelers' Aid Desk in this location. Buses and vans depart from the outside lane.

- Ronald Reagan National Airport (DCA) pickup times: 02:00 PM and 06:00 PM (EST). Pickup is near the Travelers' Aid Desk in Terminal B (lower level, between Baggage Areas 5 and 6). Buses and vans depart from the outside lane. If you arrive in Terminal A, please take the economy/rental car airport shuttle bus to Terminal B, lower level, or walk across the terminal connector and go downstairs to exit door No. 5, on your left.

- No pickups scheduled for Dulles International Airport (IAD)

Please plan to arrive at least 1 hour before the shuttle pickup time stated above.

Campus departure times for this course are as follows:

- Departing for Baltimore/Washington International (BWI): 09:30 AM (EST)
- Departing for Ronald Reagan National Airport (DCA): 09:30 AM (EST)
- No departures are scheduled for Dulles International Airport (IAD)

On the return, you should make your flight 4 hours from the NETC departure time. This will allow 2 hours for transportation to the airport and another 2 hours for airport security.

Your course may have pre-course work that you must complete prior to your attendance at NFA. For additional acceptance information and to check for pre-course requirements, access the NFA website at: <http://apps.usfa.fema.gov/nfacourses/>. Enter your course code in the search box, select the course name and view the student pre-course materials. If you are unable to select the link please copy and paste it into the address bar in your web browser.

Since you have been accepted into a course at NETC, lodging has been reserved for you for 12/10/2017 to 12/22/2017. Check-in time is any time after 2:00 p.m. on your travel day. If you do not need lodging on the NETC campus, please notify the NETC Housing Office at FEMA-NETC-Housing@fema.dhs.gov upon receipt of this email. For further information regarding lodging, please refer to the NETC Welcome Package.

If you are unable to attend this course, please notify the NETC Admissions Office (in writing) prior to the course start date. If you have questions or need further information after reviewing

the NETC Welcome Package, please contact the Admissions Office at 301-447-1035 or at NETCAdmissions@fema.dhs.gov.

Course description

This 10-day course focuses on supervisory management practices as they relate to Emergency Medical Services (EMS) in the fire service. This interactive and fast-moving course will enable participants to deal more effectively with day-to-day management issues that supervisory-level managers are likely to encounter. Personnel, resource management, and quality improvement techniques are some of the major components of this course. Upon completion of this course, the students will be able to enhance the quality and overall effectiveness of their EMS operation through the use of management techniques.

Selection criteria

Individuals with midlevel management responsibility for an EMS delivery system (battalion/division chief, captain, shift supervisor).

Prerequisites

Incident Command System (ICS)-100-level and ICS-200-level training. Preferred courses are Q0462 and Q0463, available through NFA Online at www.usfa.fema.gov/training/nfa/courses/online.html. Chief's signature attests that the applicant has completed this required training.

Comments This class is a great tool for any management position. It will help me in future promotional exams...The class passed my expectations, even though I had talked to other people who had taken it. The materials presented in the class will be very helpful in my work and helping move our EMS system forward...I will be able to bring some of the best practices from around the country back to my department.
