Permits@fortbendcountytx.gov

- Right of Way Permit  
 Commercial Driveway Permit

Permit No: 2017-17449

**Applicant:** AT&T Texas/Black & Veatch

**Job Location Site:** Navidad Road, Houston, TX 77083

**Bond No.**                      **Date of Bond:** 11/28/2017 **Amount:** \$50,000.00

The above applicant came to make use of certain Fort Bend County property subject to, "The Order Regulating the Laying, Construction, Maintenance, and Repair of Buried Cables, Conduits, and Pole Lines, In, Under, Across or Along Roads, Streets, Highways, and Drainage Ditches in Fort Bend County, Texas, Under the Jurisdiction of the Commissioners Court of Fort Bend County, Texas," as passed by the Commissioners Court of Fort Bend County, Texas, of the Minutes of the Commissioners Court of Fort Bend County, Texas, to the extent that such order is not inconsistent with Chapter 181, Vernon's Texas Statutes and Codes Annotated.

**Notes:**

1. Evidence of review by the Commissioners Court must be kept on the job site and failure to do so constitutes grounds for job shutdown.
2. Written notices are required:
  - a. 48 hours in advance of construction start up, and
  - b. When construction is completed and ready for final inspection, submit notification to Permit Administrator thru MyGovernmentOnline.org portal.
3. This permit expires one (1) year from date of permit if construction has not commenced.

On this 2nd day of January, 2018, Upon Motion of Commissioner Meyer, seconded by Commissioner Patterson, duly put and carried, it is ORDERED, ADJUDGED AND DECREED that said notice of said above purpose is hereby acknowledged by the Commissioners Court of Fort Bend County, Texas, and that said notice be placed on record according to the regulation order thereof.

**Signature**

Presented to Commissioners Court and approved.

 L=length of taper (F) W=width of offset (F) S=posted speed (mph)

**GENERAL NOTES**

- Flags allocated to signs where a sign is optional.
- The taper symbol are OPTIONAL, see (S-10) (S-11), except those denoted with 1.
- Instruct work vehicles or other equipment should be posted near the work area.
- A Shoulder Vehicle with a TMA should be used anytime it can be positioned 30 feet from the work area. If a TMA is not available, a vehicle with no flag should be used. The presence of a TMA should be noted on the plan.
- Additional Shoulder Vehicles with TMAs may be positioned off the paved shoulder.
- Contractor shall provide and install traffic control devices in accordance with part V of Texas Manual on Uniform Traffic Control Devices (TMUD) - Latest Edition.
- No signs shall be placed during construction.
- If project is within 400 feet from a signalized intersection, the Contractor shall provide and install traffic control devices in accordance with part V of Texas Manual on Uniform Traffic Control Devices (TMUD) - Latest Edition.
