Engineering: Receive information on the 2045 Regional Transportation Plan to be presented by Houston-Galveston Area Council.

Alan Clark, Director of Transportation Planning, Houston-Galveston Area Council, stated the Council is updating the Regions long range Transportation Plan and public meetings will be conducted for any who wish to attend. He indicated in the future, Fort Bend County, will be doubling in size in a short amount of time and will not be able to double all of the road infrastructure in such a short period of time. There will be a challenge to maintain the current roads, operate effectively, expand wherever possible and provide transportation alternatives to help move more people and fewer vehicles.

Vishu Lingala, Chief Transportation Planner, Houston-Galveston Area Council, gave an overview of the 2045 Regional Transportation Plan(RTP) issues.
