4/4/2018 Original sent to Kelley Large, Emergency Management dept.

Properties that have been approved as components in this project's SOW are listed in the attached EHP Property List.

A copy of the terms and conditions of this award are also attached.

It is important that the sub-recipient read, understand and comply with the Scope of Work (SOW) and all terms and conditions. It is also vital that this information be disseminated to sub-recipient's staff and contractors involved in work related to this project.

In accordance with FEMA Instruction 108-1-1 and DHS Instruction 023-01-001-01; Categorically Excluded (CATEX) N3, FEMA concludes that the above mentioned project is categorically excluded from the National Environmental Policy Act (NEPA) requirement to prepare further environmental documentation. No extraordinary conditions in accordance with DHS Instruction 023-01-001-01 exist involving this project.

Signing and returning this award letter indicates sub-recipient's acceptance of the scope of work of the sub-award, the ability to pay the state match and all grant terms and conditions outlined in the attached documents.

The recipient must ensure that:

1. The initial quarterly progress report for the HMGP project is submitted at the end of the approving quarter. Please include the HMGP project number (provided above) in your future quarterly reports. Note that 44 CFR 206.438(c) indicates the State must provide a quarterly progress report to FEMA indicating the status and completion date for each project funded. The report must include any problems or circumstances affecting completion dates, SOW, or project cost that may result in non-compliance with the approved grant conditions.
2. In accordance with HMGP rules and policy, TDEM requires the submittal of all closeout documentation within 90-days of the project completion not to exceed the POP. Section 206.438(d) of 44 CFR requires the Governor's Authorized Representative (GAR) to "certify that reported costs were incurred in the performance of eligible work, that the approved work was completed and that the mitigation measure is in compliance with the provisions of the "FEMA-State Agreement".

If changes are needed to the SOW for the sub-award, period of performance or costs associated to the sub-award, the sub-recipient should immediately contact TDEM. No change to the sub-award will be considered approved until the sub-recipient is notified in writing by TDEM.

This signed and dated award letter must be returned to TDEM before payment on the sub-award can be processed. Please sign, date, and return this award letter acknowledging acceptance of this sub-award and agreement to abide by all terms and conditions to the address below:
