

2018 Credentials Process Frequently Asked Questions

On what issues or for which candidates do counties/parishes/boroughs vote?

Counties vote on resolutions that set NACo legislative and association policy for the coming year. Delegates also elect NACo officers for the coming year. The position of second vice president is usually the one position that is contested.

How can my county vote?

A county must be a NACo member "in good standing" in order to vote. This means your county's dues for 2018 must be paid before the voting occurs. **Also, the county must have at least one paid registration for the annual conference and have proper credentials.**

What are credentials?

Credentials attest to a county's eligibility to vote. Credentials contain information on the number of votes a county is eligible to cast, as well as the identity of the delegate that is authorized to cast the county's vote.

How is the credentials form distributed?

The form is mailed to the clerk and chief elected official of member counties so that the county can provide the name of the voting delegate to NACo. Conference registrants will receive an e-mail with a link to the credentials form as well. Only counties that have paid their 2018 NACo dues will receive a credentials form. This form is mailed in May. Please return this form by Friday, June 29, 2018.

Why did I receive a credentials form?

You are receiving this form because you are the chief elected official at your county, your county's clerk, or you registered for the 2018 NACo Annual Conference. If you wish to vote, please bring the credentials form to your chief elected official to fill out and return to us. Please see this packet for more instructions on the form.

My county has misplaced the credentials form. What should I do?

The credentials form will be available in the Elections and Voting Credentials section of the NACo website (www.naco.org/credentials) shortly after it is mailed. After you download, print, and fill out the form correctly, you can return it to NACo. Please call Alex Koroknay-Palicz at 888.407.NACo (6226) x291 if you need assistance.

If my county is not registering for the Annual Conference, does my county have to send in the credentials form?

No. Only counties who register are able to vote. Please do not return the credentials form to the NACo office if your county does not plan to register for the Annual Conference.

What is a voting delegate?

A voting delegate is someone authorized by your county/parish/borough board to pick up a ballot and cast your county's votes at the annual conference. The delegate must have a paid registration to the conference.

Who may be a voting delegate?

Any elected or appointed official or staff member from your county/parish/borough may be a voting delegate. That decision is up to your county board.

What is an alternate?

An alternate is another elected or appointed official or staff member from the county delegated by the county to pick up and cast its ballot. The alternate must have a paid registration to the conference.

- The delegate OR alternate listed on the credentials form may pick up your county's ballot.

My county has only one person attending the conference. Does my county have to designate an alternate?
No. It is not necessary to list an alternate if a delegate is named.

Whose ballots may the state associations of counties/parishes/boroughs receive?

Your state association of counties/parishes/boroughs is allowed to pick up any unclaimed ballots from counties/parishes/boroughs that have registered delegates. The pick-up time for state associations is Sunday afternoon (2 to 5 pm) during the conference. The state association may then cast those ballots in the election.

My county does not want our state association to pick up our votes. How does my county go about indicating this decision?

You must check the box that says *"If my ballot is not picked up, I DO NOT AUTHORIZE my state association to pick up or cast my county's vote. I understand that my county's votes will NOT be cast if I select this option."*

- Remember that your county's votes will not be cast at all with this option if your delegate does not pick up the ballot.

If I do not get my credentials form into the NACo office by June 29, may I become credentialed on site at the conference?

Yes. You may bring the original credentials form signed by your chief elected official or fill out the on-site ballot form. By signing the on-site ballot form you declare that you and the other conference attendees from your county have agreed that you are the voting delegate for your county. You must be registered for the conference to be able to vote.

What would happen if more than one registered attendee from my county fills out the on-site ballot form?

If there is uncertainty as to who the authorized delegate is, and more than one person claims to be your county's authorized delegate, officials from your county will need to resolve the dispute by 1 p.m. CDT on Sunday July 15, 2018. Unless the dispute is resolved, your county's votes will not be counted. To resolve the dispute, all registrants who filled out the on-site ballot form need to agree as to who is authorized to cast their county's votes and communicate that to Alex Koroknay-Palicz at the credentials desk by 1 p.m. CDT on July 15.

How do I get my ballot?

When you submit your credentials form NACo staff prints out a paper ballot to bring to the NACo Annual Business Meeting. In order to vote you will need to pick up this paper ballot at the NACo Credentials Desk. Your county has until 1 p.m. on Sunday July 15 to come to the Credentials Desk and pick up your ballot. If you do not pick it up by 1 p.m. your state association can then pick up your vote until 5 p.m. unless you check the box on the form to not permit them. If you check that box and do not pick up your own ballot your county WILL NOT be permitted to vote.

What would happen if I've picked up my ballot, but I need to leave before the election on Monday?

If you have picked up the ballot for your county but won't be present to cast it at the NACo Annual Business Meeting on Monday morning, you can give that ballot to a delegate from your same county, from another active member in your state, the head of your state delegation, or your state association president or president's designee. To do this, you (transferer) and the person you are handing the ballot to (transferee) must sign the Record of Ballot Transfer form on the back of your ballot.

My county won't be attending this year's Annual Conference, can we still vote?

Yes. Your county can still have its votes counted without attending the conference, but one person from your county still needs to register. You must have at least one person registered by 12 PM CDT on July 10. If you register, do not plan to attend and wish to vote, you MUST designate your state association president as your delegate on the Credentials Form. Your state association president or his/her designee will pick up and cast your ballot.

How does NACo determine the number of votes each county receives?

The number of votes is determined by the amount of dues a county pays. Dues are based on population. All counties are entitled to at least one vote. Members with more than \$1,199 in dues are entitled to one additional vote for each additional \$1,200 in dues or fraction thereof paid in the year the meeting is held.

- Counties with dues of \$450 to \$1,199 receive one vote.
- Counties with dues of \$1,200 to \$2,399 receive two votes, and so on.
- The maximum number of votes a county can receive is 51.

My county has 10 votes. How can our 25 commissioners divide or share the votes?

That is up to your county. NACo has no rule as to how counties decide to allocate their votes. Counties may split their vote amongst the candidates running for second vice president if it is desired.

I've heard the term "unit vote" used. What is that?

Some states, by custom or policy, cast all of their votes as a block or "unit." State associations typically have a meeting before the election to determine how they will handle the voting process.

- Check with your state association regarding the time, date and location of this meeting.
- NACo bylaws permit each county to cast its vote as it chooses. Your county does not have to vote with your state association should you so choose.

When does the voting take place?

This year's election will be held on Monday, July 16, 2018 at 9:30 a.m. at the NACo Annual Business Meeting.

How does the voting occur?

Votes are cast by state, not by state association. Counties from a state sit together as a delegation. The reading clerk will call out states at random. A state appointed representative will approach the microphone and call out that state's vote. This will continue until one of the candidates has a majority of the total number of votes being cast. Voting may still continue after a majority has been reached.

What is a roll call?

Roll call is a way of voting for NACo resolutions to be passed. If a roll call is necessary, the names of the states will be read out in alphabetical order by the reading clerk. A state appointed representative will approach the microphone and call out that state's vote as "yes" or "no." This will continue until all votes have been cast.

What happens if there is a dispute over the election process?

It is rare, but sometimes irregularities occur with how votes are cast or counted, or how the credentialing process is conducted. As a safeguard elections may be challenged during the voting process at the NACo Annual Business Meeting. Challenges are allowed under two circumstances. A voting delegate may challenge the vote for his/her state, and his/her state only. A candidate running to become a NACo officer may challenge the vote of any state. If a challenge is made, the NACo Credentials Committee may audit the ballots of a state delegation to ensure that the number of votes the state is casting matches the number of ballots the state has. The committee may also audit the ballot transfer records on the back of each ballot and the State Voting Totals Form, which is a form states fill out showing the number of votes cast for each candidate.
