BUDGET NARRATIVE

PROJECT DESCRIPTION

FORT BEND COUNTY LAW ENFORCEMENT EQUIPMENT

BUDGET OVERVIEW

Fort Bend County is the fastest-growing large county in the nation (2013-2016), with a current population of 764,828 (U.S. Census 2018). This rapid growth has put greater demand on its agencies to provide services to a growing community. The priorities set forth in the solicitation include many practices that are currently in place here in Fort Bend County but also reflect a need for more resources and equipment to keep pace with growth. Our county government has historically utilized the JAG program to purchase eligible (and non-budgeted) equipment, supplies, and services for the county's criminal justice departments. The budget for this grant consists of purchases for equipment that directly relates to officer safety, community safety outreach and program efficiency.

The county keeps track of the data for the proposed purchases from this grant through its applicable county policies and procedures for Procurement of all supplies, materials, equipment and services required or used. The Purchasing Department works in concert with the County Auditor as part of the system of checks and balances to ensure the proper expenditure of grant dollars. The auditor maintains a separate accounting unit for these expenditures, which provide the quarterly data for reporting purposes.

Demonstrated below is a description of the items requested by each department, including the justification for the requested items in lieu of alternatives, the cost savings the items will generate, the efficiency of operations achieved and the goals projected by having the equipment.

PROJECT DETAIL

Constable Precinct 1 – Law Enforcement – Prosecution and Court

- a. Safety equipment patrol vehicles (20)
- b. Sirchie Nark PPE Kit (40)
- c. LR 20-20 Laser Radar (1)
- d. Trek Dual Sport Bicycle/Gear (2)

Constable Precinct 1 will purchase safety equipment for deputies to be able to respond to incidents requiring fast aid until emergency responders arrive on a scene. Deputies will also be equipped with safety kits to remedy the risks of opioid/powder exposure. The agency also seeks bike patrol availability for large scale crowd events. The visibility of officers on bicycles allow for an alternative and less-threatening approach when engaging citizen contact.

Constable Precinct 3 – Law Enforcement – Prosecution and Court

- a. Kustom Signals Prolaser (2)

Constable Precinct 3 requests speed measurement devices to aid in the enforcement of speed limits. The precinct area continues to grow in population thus the incidence of traffic safety and control needs are greater.

Constable Precinct 4 – Law Enforcement – Prosecution and Court

- a. Taser X26P CEW (6)
- b. PPM Standard Battery Pack (5)
- c. X26P Cartridge, 21' Field (15)
- d. X26P Cartridge, 15' Training (10)
- e. Kustom Signals Stealth Stat (1)

Constable Precinct 4 will purchase newer taser models and related equipment to replace older models no longer in production and supported by Taser International. The agency has initiated the replacement program over three years and this purchase will complete the transition for 20 units. The Signal Stealth reader device allows the gathering of traffic data that will help determine the appropriate response to an area experiencing traffic issues.

Sheriff's Office – Law Enforcement – Prosecution and Court

- a. Fatal Vision Roadster Kit (4)
- b. Sony Digital Voice Recorder/Camera (4)
- c. Smith & Wesson Restraint Cuffs - various
- d. Vehicle kit printer, media reader and bracket (5)

The Sheriff's Office Community Services division seeks the purchase of the Fatal Vision Roadster Program Kit to teach youth the dangers of underage drinking and the consequences of

drinking and driving. The vehicle kit will be used in school settings and community events throughout the county area where youth are eager to engage with officers. The program can reach an estimated 2,000 students each year.

The Sherriff's Office Crisis Intervention Team seeks equipment to aid in the safe control and apprehension of individuals in mental health crisis and in the safety of the officers involved in these scenes. In addition, vehicle printers and accessories will allow the process of incident data on the scene.

County Attorney – Law Enforcement – Prosecution and Court

- a. HP Laser Jet Pro Wireless Color Printer, (1)
Copier, Scanner, Cartridges
- b. Environmental field equipment - various

The Environmental Investigation division requests a printer/copier unit to use when accessing TLETS (TCIC/NCIC) databases. The unit is also needed to print color photos of booking information and scene photos. Additional equipment used in the field will aid investigators in obtaining soil evidence thus allowing speedier analysis.

District Attorney – Law Enforcement – Prosecution and Court

- a. Dell Latitude Laptop and Accessories (3)

The District Attorney's Office seeks computer laptops for its growing investigation division who often perform time intensive field work. The county will add an additional district and county court-at-law to the county system in the coming year, thus increasing the demand for personnel of the DA's office to keep pace with investigation and prosecution of cases.

Public Defender – Law Enforcement – Prosecution and Court

- a. Personnel (1)

The Public Defender's Office seeks partial salary for an attorney position at bonding or magistration for mental health defendants. This position will keep the agency in compliance to provide an attorney for the revamped magistration/bonding process.

Fire Marshal – Law Enforcement – Prosecution and Court

- a. Portable Rechargeable Scene Lights (5)
- b. Thermal Imaging Cameras (10)

The Fire Marshal's office will purchase scene lights and heat sensor cameras to help investigators determine fire movement and intensity. The equipment is designed to help protect investigators and K9 from debris that is too hot to touch.

Juvenile Probation – Law Enforcement – Prosecution and Court

- a. Transport safety equipment - various
- b. Motorola 2-way Radio (3)

The Juvenile Detention Unit is in need of transport devices to help secure juveniles while in transport to court or other appointments outside of the detention facility. Safety blankets are designed to not tear so juveniles cannot use them to harm themselves. Security wands and 2-way radios allow staff to evaluate and communicate quickly for safety and emergency situations.

Local Government: FY 2018 Certification of Compliance with 8 U.S.C. §§ 1373 & 1644

On behalf of the applicant government entity named below, and in support of its application, I certify under penalty of perjury to the Office of Justice Programs ("OJP"), U.S. Department of Justice ("USDJOJ"), that all of the following are true and correct:

- (1) I am the chief legal officer of the State or local government of which the applicant entity named below is a part ("the jurisdiction"), and I have the authority to make this certification on behalf of the jurisdiction and the applicant entity (that is, the entity applying directly to OJP). I understand that OJP will rely upon this certification as a material representation in any decision to make an award to the applicant entity.
- (2) I have carefully reviewed 8 U.S.C. §§ 1373(a) & (b), and 1644, including the prohibitions on certain actions by State and local government entities, -agencies, and -officials regarding information on citizenship and immigration status. I also have reviewed the provisions set out at (or referenced in) 8 U.S.C. § 1551 note ("Abolition ... and Transfer of Functions"), pursuant to which references to the "Immigration and Naturalization Service" in 8 U.S.C. §§ 1373 & 1644 are to be read, as a legal matter, as references to particular components of the U.S. Department of Homeland Security.
- (3) I (and also the applicant entity) understand that the U.S. Department of Justice will require States and local governments (and agencies or other entities thereof) to comply with 8 U.S.C. §§ 1373 & 1644, with respect to any "program or activity" funded in whole or in part with the federal financial assistance provided through the FY 2018 OJP program under which this certification is being submitted (the "FY 2018 OJP Program" identified below), specifically including any such "program or activity" of a governmental entity or -agency that is a subrecipient (at any tier) of funds under the FY 2018 OJP Program.
- (4) I (and also the applicant entity) understand that, for purposes of this certification, "program or activity" means what it means under title VI of the Civil Rights Act of 1964 (see 42 U.S.C. § 2000d-4a), and that terms used in this certification that are defined in 8 U.S.C. § 1101 mean what they mean under that section 1101, except that the term "State" also shall include American Samoa (*cf.* 34 U.S.C. § 10251(a)(2)). Also, I understand that, for purposes of this certification, neither a "public" institution of higher education (*i.e.*, one that is owned, controlled, or directly funded by a State or local government) nor an Indian tribe is considered a State or local government entity or -agency.
- (5) I have conducted (or caused to be conducted for me) a diligent inquiry and review concerning both—
 - (a) the "program or activity" to be funded (in whole or in part) with the federal financial assistance sought by the applicant entity under this FY 2018 OJP Program; and
 - (b) any prohibitions or restrictions potentially applicable to the "program or activity" sought to be funded under the FY 2018 OJP Program that deal with sending to, requesting or receiving from, maintaining, or exchanging information of the types described in 8 U.S.C. §§ 1373(a) & (b), and 1644, whether imposed by a State or local government entity, -agency, or -official.
- (6) As of the date of this certification, neither the jurisdiction nor any entity, agency, or official of the jurisdiction has in effect, purports to have in effect, or is subject to or bound by, any prohibition or any restriction that would apply to the "program or activity" to be funded in whole or in part under the FY 2018 OJP Program (which, for the specific purpose of this paragraph 6, shall not be understood to include any such "program or activity" of any subrecipient at any tier), and that deals with either— (1) a government entity or -official sending or receiving information regarding citizenship or immigration status as described in 8 U.S.C. §§ 1373(a) & 1644; or (2) a government entity or -agency sending to, requesting or receiving from, maintaining, or exchanging information of the types (and with respect to the entities) described in 8 U.S.C. § 1373(b).

I acknowledge that a materially false, fictitious, or fraudulent statement (or concealment or omission of a material fact) in this certification, or in the application that it supports, may be the subject of criminal prosecution (including under 18 U.S.C. §§ 1001 and/or 1621, and/or 34 U.S.C. § 10271-10273), and also may subject me and the applicant entity to civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. §§ 3729-3730 and §§ 3801-3812).
