

FY 2018 CONSOLIDATED GRANT AGREEMENTS

This Grant Agreement is made by and between the United States Department of Housing and Urban Development (HUD) and Fort Bend County, Texas, Grantee. The Grantee's Tax Identification Number is 74-6001969.

Community Development Block Grant (CDBG) ProgramGrant Number: B-18-UC-48-0004Duns Number: 081497075

The terms of the CDBG award in the amount of **\$2,650,441.00** which are the subject of this part of this Agreement are set forth in the attached executed form HUD -7082, Funding Approval/Agreement.

The special condition in your Grant Agreement and Funding Approval concerning the review procedures under Executive Order (EO) 12372, Intergovernmental Review of Federal Programs, and HUD's implementing regulations at 24 CFR Part 52 restricts the obligation or expenditure of funds for the planning or construction of water or sewer facilities until the completion of the review process and receipt of written notification of release of funds for such activities from HUD. The condition requires that in the event you amend or otherwise revise your Consolidated and/or Action Plan to use funds for the planning or construction of water or sewer facilities, you must receive written release of funds from HUD before obligating or expending funds for such activities.

In order to establish a Line of Credit for the FY 2018 grant, it will be necessary for you to execute and return two copies of the Grant Agreement. In addition, if there is a need to delete or add individuals authorized to access eLOCCS, a Security Access Authorization Form (HUD-27054) must be prepared, notarized, and returned to this office with the Grant Agreement. Also, if there is a need to establish or change the depository account to which these grant funds are to be wired, a Direct Deposit Sign-Up Form (SF-1199A) must be completed by you and your financial institution and mailed to this office.

CDBG grants funds have historically been disbursed through the Integrated Disbursement and Information System (IDIS) on a **"first-in, first-out" basis (FIFO)**. Under this methodology, CDBG grantees do not designate a specific fiscal year grant in IDIS when funding an activity or when creating an expenditure voucher. In general, all obligations and disbursements are recorded against the earliest annual grant with an available balance, thereby exhausting the oldest grant available before recording expenditures against the next grant. However, the HUD Inspector General has deemed this approach to be inconsistent with generally accepted government accounting principles and CPD is in the position of having to the adjust the disbursement approach in IDIS from FIFO to a grant-based approach.

CPD believes that this change should not cause significant disruptions to grantee processes as many grantees' accounting systems typically track expenditures according to each annual grant. However, some grantees may have to make some adjustments and certain new steps have been programmed into IDIS to accommodate the change. CPD is in the process of

finalizing a rule to implement these changes for the CDBG program to be published in the Federal Register. CPD will issue alternative guidance to ensure that grantees have appropriate instructions for beginning to draw upon their FY 2018 CDBG funds. Please do not draw funds until such guidance is issued; otherwise grantees may have to correct information in IDIS once the guidance is public.

As a recipient of HUD financial assistance covered by Section 3 of the HUD Act of 1968, it is required that Section 3 Summary Reports (Form HUD-60002) be submitted to HUD in accordance with the guidelines given. Please refer to HUD's website at www.hud.gov/section3 for additional information.

HOME Investment Partnerships Act (HOME) Program
Grant Number: M-18-UC-48-0216
Duns Number: 081497075

The terms of the HOME award in the amount of **\$685,016.00** which are the subject of this part of this Agreement are set forth in the attached executed form HUD 40093, Funding Approval and HOME Investment Partnerships Agreement.

In order to establish a Line of Credit for the FY 2018 grant, it will be necessary for you to execute and return two copies of the Grant Agreement. In addition, if there is a need to delete or add individuals authorized to access eLOCCS, a Security Access Authorization Form (HUD-27054) must be prepared, notarized, and returned to this office with the Grant Agreement. Also, if there is a need to establish or change the depository account to which these grant funds are to be wired, a Direct Deposit Sign-Up Form (SF-1199A) must be completed by you and your financial institution and mailed to this office.

We recommend that the record keeping requirements provided in the HOME program regulations at 24 CFR 92.508 be reviewed. Records sufficient to enable HUD to determine that program requirements are being met must be established and maintained. This section of the regulations will be beneficial as local staff resources are committed to the HOME program.

Grantees are reminded that certain HOME activities are subject to the provisions of 24 CFR Part 58. Environmental Review Procedures – 92.352 of the HOME regulations provide that Participating Jurisdictions (PJs) carry out the environmental review of an activity and obtain a written release from the Houston Office before obligating or expending HOME funds. PJs may obtain appropriate forms from www.hudclips.org. A request for the Release of Funds for a HOME activity must be sent to HUD and must be accompanied by an Environmental Certification.

The HOME program statute provides that funds be made available to PJs for 24 months after the last day of the month in which the PJ is notified of HUD's execution of the HOME Investment Partnerships Agreement. If not placed under a binding commitment to affordable housing within the 24-month period, the funds are to be deobligated. The statute also provides that at least 15 percent of each PJ's allocation must be reserved and under a binding commitment for investment in housing to be developed, sponsored, or owned by community housing development organizations (CHDOs).

The definition of commitment for the HOME program must be followed to the fullest extent in order for such funds to be deemed allowable. It should be noted that the commitment of HOME funds include, but not limited to, the following:

- Participating jurisdictions must not commit HOME funds to a project in IDIS or in a written agreement until all necessary financing has been secured, a budget and production schedule established, and underwriting and subsidy layering completed; and clarifying.
- Dated signatures are required on written agreements.

Dear Ms. Kindell:

SUBJECT: Fiscal Year (FY) 2018 Funding Approval
Fort Bend County, Texas

The review of the FY 2018 Action Plan has been completed and determined to be in compliance with the Consolidated Plan regulations at 24 CFR 91.220 and I am pleased to transmit the approval package. We believe that by following the strategies contained in Fort Bend County's Consolidated Plan, the ability to enhance and shape HUD formula grant programs into effective, coordinated community and economic development plans of action for community revitalization can be realized.

The U. S. Department of Housing and Urban Development (HUD) is pleased to announce an award of funds to Fort Bend County, Texas totaling **\$3,549,374.00** for the program year that begins on September 1, 2018, as follows:

Community Development Block Grant (CDBG)	\$2,650,441.00
HOME Investment Partnerships (HOME)	\$ 685,016.00
Emergency Solutions Grant (ESG)	\$ 213,917.00

In order to establish a Line of Credit for the Fiscal Year 2018 grants, it will be necessary for you to execute and return two copies of the Grant Agreements. In addition, if there is a need to delete or add individuals authorized to access eLOCCS, a Security Access Authorization Form (HUD-27054) must be prepared, notarized, and returned to this office with the Grant Agreements. Also, if there is a need to establish or change the depository account to which these grant funds are to be wired, a Direct Deposit Sign-Up Form (SF-1199A) must be completed by you and your financial institution and mailed to this office.

Enclosed are three copies of the FY 2018 Funding Grant Agreements that incorporate the CDBG Entitlement Agreement, the HOME Investment Partnerships Agreement, the Emergency Solutions Grants Agreement and the Funding Approvals for the CDBG (HUD 7082), HOME (HUD 40093) and ESG. This constitutes the contracts between HUD and Fort Bend County. You should note any special conditions included in the Funding Approvals (item 8 for the CDBG program and item 14 for ESG).

Please sign the enclosed sets of Grant Agreements, each with an original signature and date, in accordance with the instructions. Retain one copy for your records and return the other two copies to our office. Failure to execute and return the grant agreements within 60 days of the date of this letter may be deemed to constitute rejection of the grants and cause for HUD to determine that the funds are available for reallocation to other grantees. Also, ensure that the indirect cost rate information pursuant to CFR 200, Subpart E – Cost Principles is provided.

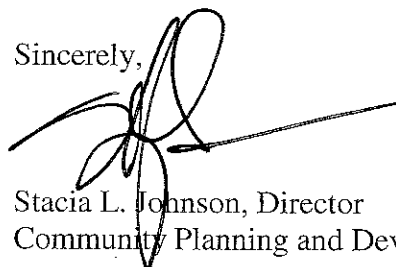

It is important that we bring to your attention that the Consolidated Annual Performance and Evaluation Report (CAPER) is due in this office no later than 90 days following the end of the program year unless an extension is granted. Therefore, the County's 2017 Program Year CAPER is due in this office on or before November 30, 2018.

HUD uses data to make compliance determinations pursuant to Section 3 of the Housing and Urban Development Act of 1968 (Section 3). A primary goal of the Department is to reduce housing discrimination, affirmatively further fair housing through CPD programs and promote diverse, inclusive communities. To that end, we encourage your community to take all measures necessary to ensure compliance with the Fair Housing requirements associated with these funds. A copy of your FY 2018 Consolidated Annual Action Plan was provided to the Office of Fair Housing and Equal Opportunity for review.

HUD congratulates Fort Bend County on the grant awards and we are looking forward to assisting you in accomplishing your programs' identified goals designed to primarily benefit low and moderate-income persons. If you have any questions or desire assistance regarding this grant notification letter, the enclosures or other items related to HUD's programs, please let me know or contact Joyce Young, Community Planning and Development Representative, at (713) 718-3120.
