

**Scholarship Agreement**

I am the authorized representative of the organization indicated below, which has applied to receive a scholarship from the Humane Society of the United States ("the HSUS"). If selected, as a condition of receipt of the scholarship, I hereby agree to the following terms on behalf of my organization:

- The scholarship will be used to offset costs associated with registration, travel, lodging, and other related expenses in connection with attending the HSUS's 2019 Animal Care Expo ("Expo") in New Orleans, Louisiana, April 15-18, 2019.
- This scholarship is given with the understanding that the goal of the scholarship is to encourage professional development and ultimately inspire positive change within the organization. As such, participants are expected to attend Expo sessions, visit the exhibit hall and participate in other Expo events such as the round table discussions and welcome session.
- My organization shall not engage in any activity on behalf of the HSUS that jeopardizes the HSUS's status as a nonprofit charity qualified to receive tax-deductible contributions under section 501(c)(3) of the Internal Revenue Code. Without limiting the generality of the preceding sentence, no portion of the scholarship shall be used to (a) lobby or otherwise attempt to influence legislation at any level of government, either through efforts to influence legislators themselves, or through efforts to influence the views of my organization's members or the general public on legislative matters; (b) influence the outcome of any specific public election or participate or intervene in any political campaign on behalf of or in opposition to any candidate for public office or conduct, directly or indirectly, any voter registration drive; or (c) for any purpose other than that stated above.
- I expressly confirm and certify that (a) my organization does not directly or indirectly engage in, promote, or support any terrorist activity and is not included on any lists of terrorist organizations compiled by the United States government or any other national or international body; and (b) my organization does not knowingly employ people whose names appear on such government watch lists.
