Houston-Galveston Area Council

At the request of the Houston-Galveston Area Council (H-GAC), the Fort Bend County has agreed to participate in the Participant Statistical Areas Program (PSAP) by the United States Census Bureau (USCB) for the upcoming 2020 Census.

By participating, the Fort Bend County (known henceforth as "the organization") agrees to adhere to the terms below detailing the non-disclosure and impartiality status of the USCB's PSAP.

Non-Disclosure

Except as provided herein, the organization agrees to not disclose or otherwise divulge any information pertaining to the PSAP materials obtained from H-GAC or the USCB without the prior written authorization from H-GAC's Data Services Director.

The organization agrees and understand the terms "disclose or otherwise divulge" to include, but are not limited to, conveying, sharing, copying, saving, downloading, or reproducing any part or portion of the PSAP materials or subsequently obtained information, or removal of the same from designated areas.

If anyone outside of the organization seeks information about the PSAP materials obtained from H-GAC or the USCB, we will not disclose or divulge any information but rather will refer him or her to H-GAC's Director of Data Services.

In the event the organization receives a request for information under the Texas Public Information Act (TEX. GOV'T CODE CH. 552), we will notify H-GAC's Director of Data Services in time for H-GAC to review the request and act appropriately.

Certification of Impartiality

The PSAP volunteers at the organization agree to perform any and all work relating to the PSAP in an unbiased manner and to the best of our ability. We have no preconceived position on the merits of any of the PSAP materials obtained from H-GAC or the USCB.
