**Re: *Public Road Connection at FM 1463 at Crossover Road on behalf of D. R. Horton, Ltd. and FBC MUD 182 - Sponsorship***

Honorable Judge George:

Fort Bend County Engineering Department has received and reviewed a request (letter attached) from LJA Engineering, for Fort Bend County to sponsor a project for a public road connection at FM 1463 at Crossover Road. The road connection will improve traffic flow along FM 1463.

Any and all cost involved with the project will be borne by D. R. Horton, Ltd., and FBC MUD 182. There will be no cost to Fort Bend County.

The Texas Department of Transportation request that an agency, such as Fort Bend County, act as a sponsor for the project. This means that the permit for the work will be issued in the name of Fort Bend County and the County accepts responsibility for the terms and conditions of the permit.

We recommend acceptance of the sponsorship and request that this item be placed on the 4/23/2019 Commissioner's Court agenda. We have prepared a letter to Texas Department of Transportation, for the County Judges' signature.

If there are any questions please do not hesitate to call.

Sincerely,

Maggie Dalton  
Development Services Manager

LJA Job No. 1931-1400D (6.0)

Dear Mr. Staigle:

LJA Engineering, Inc. is preparing a driveway permit application to submit to the Texas Department of Transportation (TxDOT) for the proposed street tie-in of a minor connector road along F.M. 1463 at the intersection of Crossover Road. D.R. Horton – Texas, LTD. on Behalf of Fort Bend County Municipal Utility District No. 182 will fund the cost of construction. There will be no expense to Fort Bend County. The attached construction plan drawings were prepared in accordance with TxDOT's street tie-in permit requirements.

As part of the permit application process, TxDOT is requiring a sponsorship letter from Fort Bend County. I am requesting Fort Bend County's sponsorship of this project and a sponsorship letter to include with the TxDOT permit application package.
