Commissioner Vincent M. Morales, Jr.
Fort Bend County Precinct 1
1517 Eugene Heimann Circle
Richmond, TX 77469

RE: A Myers at Berdett Rd – All-Way Stop Control

Dear Commissioner Morales:

The Fort Bend County Engineering Department has completed a review of the operational conditions at the intersection of A Myers at Berdett Road in response to a request for all-way stop control. The intersection currently operates with stop control on Berdett Road. Both roadways have posted speeds of 45 mph and are identified as Major Thoroughfares in the 2015 Fort Bend County Major Thoroughfare Plan.

Based on the speeds of the roadways, the current traffic volumes, and anticipated traffic growth in the area, Engineering recommends the conversion of the intersection to all-way stop control.

A copy of the traffic control plan is attached for your review. The public hearing date for acceptance for the plan will be scheduled on the next available Commissioner's Court Agenda.

If you have any questions please do not hesitate to contact me at 281-633-7528 or chris.debaillon@fortbendcountytx.gov.

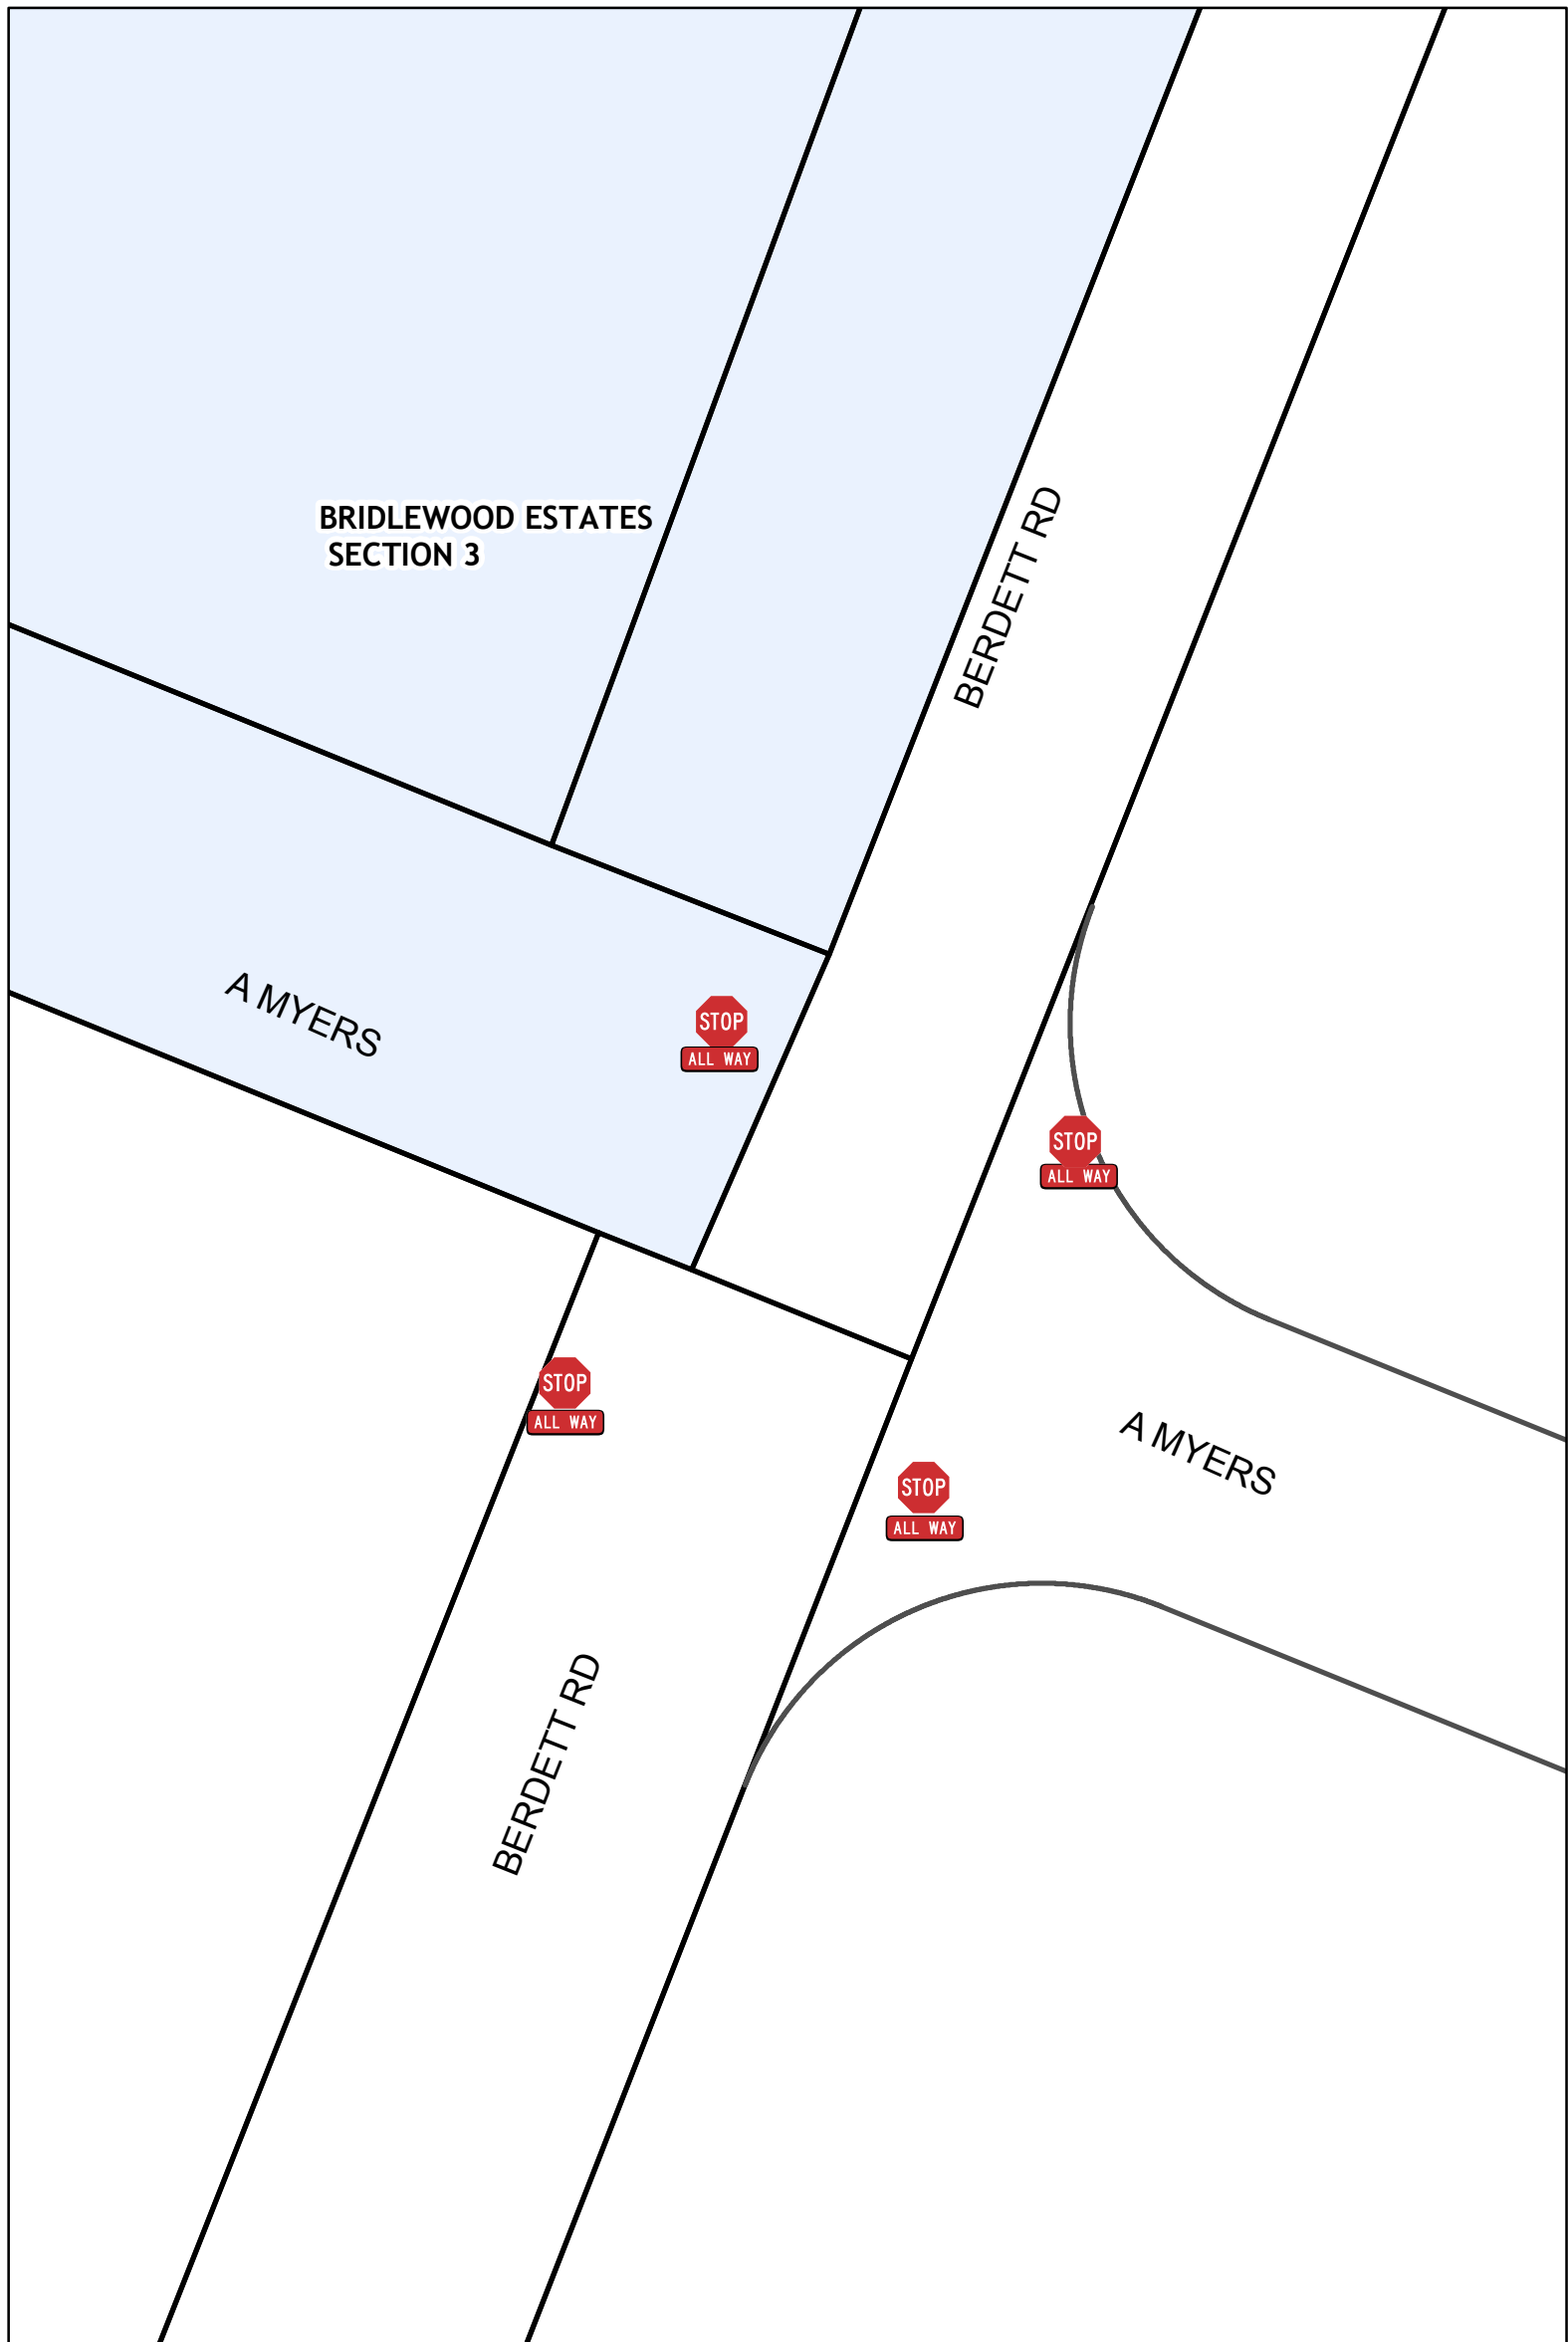

Regards,

Chris Debaillon, PE, PTOE
