Re: Street Acceptance for Private Streets for Grand Mission Estates Section 4

To Whom It May Concern:

This letter shall confirm the requirements regarding provisions be the Grand Mission Homeowner's Association (Grand Mission HOA) to maintain the private streets in the above referenced subdivision in perpetuity.

Pursuant to the Fort Bend County Regulations of Subdivisions, as amended, and the approved plat, the above referenced subdivision assesses and collects an assessment from all property owners. The revenue generated from the assessment is used to cover specific operating expenses of the subdivision, as well as capital reserve expenses such as maintenance of private streets.

The governing documents of the Grand Mission HOA, more specifically the Declaration of Covenants, or similar document, grant the authority to the Grand Mission HOA to levy and collect these assessments and legally obligate each property owner to pay said assessment each year.

Each year the assessments are placed in a Capital Reserve account. Monies from the Capital Reserve account will be used for repair of the private streets in Grand Mission Estates Section 4, as well as other items as approved by the Board of Directors of Grand Mission HOA.

Should you require more specific documentation regarding Grand Mission Estates Section 4 provisions to provide for maintenance of the private streets, please advise me of that. I trust this letter satisfies the documentation request and the paving contract, ClearPave, LLC, may request the release of their bond.

If I can be of further assistance, please let me know.

Sincerely,

Scott Wright
