HTS Proposal No. 19-20-1787

Fort Bend County
301 Jackson Street
Richmond, TX 77469

Attn: Mr. Vincent Jacob
RE: Cost Estimate for
Construction Materials Testing Services
Ladonia Street - Additional Testing
Concrete Paving Repairs

Dear Mr. Jacob:

1.0 INTRODUCTION

HTS, Inc. Consultants appreciates the opportunity to present this proposal to Fort Bend County to provide Construction Materials Testing at the above referenced site.

2.0 SCOPE OF WORK

It is our understanding that construction materials testing and inspection services will include the following services:

- compaction testing of inplace paving subgrade,
- inspection and testing of fresh concrete, and
- compressive strength testing of concrete test cylinders (7 and 28 days).

3.0 ESTIMATED COST

HTS proposed estimate cost to complete the scope of work as defined above is **\$7,000.00**. The estimate is based on the best possible weather and progress for this project. If estimate is not adequate to cover all necessary testing, additional funds will be requested and testing will not progress without authorization from the client. Fees for our services will be charged based on the unit rates provided in the attached fee schedule. Any additional or unforeseen testing required will be charged based on our standard HTS, Inc. Consultants fee schedule.

4.0 CLOSING REMARKS

We appreciate the opportunity to present this proposal and would be pleased to discuss the contents of this proposal with you at your convenience. Your approval of this proposal and your approval of our proceeding with the work may be indicated by your signing this proposal. We request that an executed copy of the proposal be provided to HTS.

If you have any questions or require additional information, please contact me at your convenience at (713) 692-8373.

Sincerely,
HTS, Inc. Consultants

Concrete Paving Repairs**

Contract Terms and Conditions

This proposal will remain in effect for six (6) months from the issue date. If the proposal has been approved and return to HTS within the above time period; the rates listed shall be effective for one (1) year. If the project has not commenced in that time period HTS will issue a revised proposal for approval.

Field Engineer and Technician overtime rates of 1-1/2 times the standard rate will be charged for time in excess of eight (8) hours per day and/or all hours worked on Saturday, Sunday, and/or Holidays.

For Field Testing/inspection services requiring the use of a vehicle for travel to and from the job site, use on the job site, or other project related travel; a \$60.00 vehicle/day will be charged; unless otherwise stated in the proposal Cost Estimate.

All testing/inspection result reports requiring a Professional Engineer's review and/or seal will be charged at the "Project Engineer; PE" hourly rate with a time charge of .10 hours per report; unless otherwise stated in the proposal Cost Estimate. Prices for testing/inspection services not listed herein, will be furnished upon request and will require a "change order" to be approved, prior to any additional testing/inspection services.

HTS will provide testing/inspection result reports to all person(s) as requested by the client. No person(s) and/or Company(ies) shall receive testing/inspection result reports copies unless authorized, in advance, by the Client. Exception to this statement: copies of cement/concrete compressive strength result reports shall be sent to the Cement/Concrete Supplier for use in Mix Design approval. Should the Client not wish for this information to be shared with the Cement/Concrete Supplier; they will need to notify the HTS Project Manager in writing.

HTS shall send an invoice; itemized by line item with back-up copies of testing/inspection result reports, in "hard copy", to the Client monthly. Should the Client need said invoice to be "electronic", that request will need to be sent, in writing to the HTS Project Manager. HTS, will continue to send the "hard copy" unless notified by the Client.

Invoice payment will be required "NET 60"; unless otherwise agreed upon under MSA contract. Should payment laps and/or extend to over 90 days, testing/inspection result reports will be held and no further technician dispatching will be allowed until such time as the payment is brought current.

All testing/inspection projects with a total budget of less than \$1,000.00 will require an advance credit card authorization and/or advanced payment by check. No testing/inspection result reports will be distributed until payment has been satisfied. HTS accepts MasterCard and Visa only.

HTS will perform ASTM C31, with the exception of field curing. HTS, Inc. will not provide curing, refrigeration, heating, and/or environmental control devices, and boxes unless provided by the Client or his representative or negotiation by contract between the Client and HTS.

To insure a technician dispatch must be notified by 3PM the day before.
