From: North Limit Of Fieldstone Subdivision To Beechnut Street
Fort Bend Project No. 4-05

Dear Mr. Barnett:

SES Horizon Consulting Engineers, Inc. (SES) respectfully submits this supplemental fee proposal for the above referenced project to include the professional engineering, geotechnical engineering and topographic surveying services for the preparation of the subject project construction documents. The project scope includes a new boulevard type roadway construction (100 foot right of way to include two – two lane travel ways, left turn bays and a closed storm sewer system) on Mason Road between the North Limit Of Fieldstone Subdivision To Beechnut Street. The approximate length of the project is 2000 linear feet with an estimated construction cost of \$2,000,000.00 as provided by Fort Bend County.

This supplemental fee proposal is to address site conditions that have changed since the original fee proposal was made and the subsequent notice to proceed for the subject project.

The project will be prepared in accordance with the following documents provided by the Program Manager:

Attachment A – 2017 Mobility Bond Program Summary Of Design Process
Attachment B – Mobility Design Standards

The proposal assumes that any changes to the design concepts will be provided during the Final Engineering Phase (60% Submittal). Changes to the design concepts requested after the Final Engineering Phase (60% Submittal) may result in additional services. An estimate of additional services will be provided upon request.

Compensation:

SES proposes to perform the services described in Attachments A and B for the fees indicated below.
