The discretionary right of the GLO to terminate for convenience under **Section 3.02** notwithstanding, the GLO may terminate the Contract and recapture, and be reimbursed by Subrecipient for, any payments made by the GLO

### 7.02 INSPECTION AND AUDIT

- (a) All records related to this Contract, including records of Subrecipient and its Subcontractors, shall be subject to the Administrative and Audit Regulations. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. **The Office of the Comptroller General of the United States, the Government Accountability Office, the Office of Inspector General, or any authorized representative of the U.S. Government shall also have this right of inspection.** Subrecipient shall ensure that this clause concerning the authority to

The invoice submitted for reimbursement must clearly show the percentage of cost allocable to the Activities funded under this Contract relative to the total cost of the audit services. Therefore, Subrecipient shall submit an invoice showing the total cost of the audit and the corresponding prorated charge per funding source. If applicable, Subrecipient shall submit an explanation with the reimbursement request, explaining why the percentage of audit fees exceeds the prorated amount allowable.

#### **8.04 ASSIGNMENT AND SUBCONTRACTS**

Subrecipient shall not assign, transfer, or delegate any rights, obligations, or duties under this Contract without the GLO’s prior written consent. Notwithstanding this provision, Subrecipient may subcontract some or all of the services to be performed under this Contract. In any subcontracts, Subrecipient shall legally bind the subcontractor to perform and make such subcontractor subject to all the duties, requirements, and obligations of Subrecipient as specified in this Contract. Nothing in this Contract shall be construed to relieve Subrecipient of the responsibility for ensuring that the goods delivered and/or the services rendered by Subrecipient and/or any of its subcontractors comply with all the terms and provisions of this Contract.

For subcontracts to which Federal Labor Standards requirements apply, Subrecipient shall submit to the GLO all documentation required to ensure compliance. Subrecipient shall retain five percent (5%) of the payment due under each of Subrecipient’s construction or rehabilitation subcontracts until the GLO determines that the Federal Labor Standards requirements applicable to each such subcontract have been satisfied.

#### **8.05 PROCUREMENT**

**8.08 RELATIONSHIP OF THE PARTIES**

Subrecipient is associated with the GLO only for the purposes and to the extent specified in this Contract. Subrecipient is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract creates a partnership or joint venture, employer-employee or principal-agent relationships, or any liability whatsoever with respect to the indebtedness, liabilities, or obligations of Subrecipient or any other party. Subrecipient shall be solely responsible for, and the GLO shall have no obligation with respect to: withholding of income taxes, FICA, or any other taxes or fees; industrial or workers' compensation insurance coverage; participation in any group insurance plans available to employees of the State of Texas; participation or contributions by the State to the State Employees Retirement System; accumulation of vacation leave or sick leave; or unemployment compensation coverage provided by the State.

Richmond, Texas 77469  
Attention: KP George

Notice given in any other manner shall be deemed effective only if and when received by the Party to be notified. Either Party may change its address for notice by written notice to the other Party as herein provided.

#### **8.11 GOVERNING LAW AND VENUE**

This Contract and the rights and obligations of the Parties hereto shall be governed by, and construed according to, the laws of the State of Texas, exclusive of conflicts of law provisions. Venue of any suit brought under this Contract shall be in a court of competent jurisdiction in Travis County, Texas. Subrecipient irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of *forum non conveniens*, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction with respect to this Contract or any document related hereto. **NOTHING IN THIS CONTRACT SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.**

#### **8.12 SEVERABILITY**

If a court of competent jurisdiction determines any provision of this Contract is invalid, void, or unenforceable, the remaining terms, provisions, covenants, and conditions of this Contract shall remain in full force and effect, and shall in no way be affected, impaired, or invalidated.

#### **8.13 DISPUTE RESOLUTION**

Except as otherwise provided by statute, rule or regulation, Subrecipient shall use the dispute resolution process established in Chapter 2260 of the Texas Government Code and related rules to attempt to resolve any dispute under this Contract, including a claim for breach of contract by the GLO, that the Parties cannot resolve in the ordinary course of business. Neither the occurrence of an event giving rise to a breach of contract claim nor the pendency of such a claim constitutes grounds for Subrecipient to suspend performance of this Contract. Notwithstanding this provision, the GLO reserves all legal and equitable rights and remedies available to it. **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.**

#### **8.14 PUBLIC RECORDS**

Information related to the performance of this Contract may be subject to the Public Information Act (“PIA”) and will be withheld from public disclosure or released only in accordance therewith. Subrecipient shall make any information created or exchanged with the state pursuant to the Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state/the GLO. Subrecipient shall make any information required under the PIA available to the GLO in portable document file (“.pdf”) format or any other format agreed between the Parties. Subrecipient’s failure to mark as “confidential” or a “trade secret” any information it believes to be excepted from disclosure waives all claims Subrecipient may make against the GLO for releasing such information without prior notice to Subrecipient.

**Subrecipient shall release the following information upon receipt of an open records request:**

- (a) The amount of CDBG-DR funds expected to be made available;
- (b) The range of Activities that may be undertaken with CDBG-DR funds;
- (c) The estimated amount of CDBG-DR funds proposed to be used for Activities that will meet the national objective of benefit to low- and moderate-income persons; and

**8.15 AMENDMENTS TO THE CONTRACT**

Amendments to decrease or increase the subaward, to add or delete an Activity, to extend the term of the Contract, and/or to make other substantial amendments to the Contract may be made only by written agreement of the Parties, under the formal Amendment process except that, upon completion of the Project, the GLO shall issue a close-out letter pursuant to **SECTION 2.03**. The formal Amendment process requires submission by the GLO Project Manager of the proposed amended language or amount to the GLO Contract Management Division for the preparation of a formal Amendment and circulation for necessary GLO and Subrecipient signatures. In the sole discretion of the GLO, and in conformance with federal law, the GLO may approve other adjustments required during Project performance by the GLO by way of a Revision or Technical Guidance Letter unilaterally issued by the GLO and acknowledged by the Subrecipient. Such approvals must be in writing and may be delivered by U.S. mail or electronic mail.

Pursuant to **SECTION 2.03** hereof, a final **Grant Completion Report** of all Activities performed under this Contract shall be submitted to the GLO and shall include all such informal revisions approved by the GLO over the life of the Contract.

**8.16 ENTIRE CONTRACT AND MODIFICATIONS**

This Contract, its Attachments, Technical Guidance Letter(s), and/or Revision(s) issued in conjunction with this Contract, if any, constitute the entire agreement of the Parties and are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements made in connection with the subject matter hereof. Any additional or conflicting terms in Attachment(s), Technical Guidance Letter(s), and/or Revision(s) shall be harmonized with this Contract to the extent possible. Unless an Attachment, Technical Guidance Letter, or Revision specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language shall be construed consistently with the Contract.

**8.17 PROPER AUTHORITY**

Each Party hereto represents and warrants that the person executing this Contract on its behalf has full power and authority to legally bind its respective entity. Subrecipient acknowledges that this Contract is effective for the period of time specified in the

Contract. Any work performed by Subrecipient after the Contract terminates is performed at the sole risk of Subrecipient.

#### **8.18 COUNTERPARTS**

This Contract may be executed in any number of counterparts, each of which shall be an original, and all such counterparts shall together constitute but one and the same Contract.

#### **8.19 SURVIVAL**

#### **8.20 CONTRACT CLOSEOUT**

Upon completion of all Activities required for the Contract, and pursuant to **SECTION 2.03** hereof, Subrecipient shall prepare a final **Grant Completion Report** confirming final performance measures, budgets, and expenses. The GLO will close the contract in accordance with 2 C.F.R. §§ 200.343 through 200.345 and GLO CDBG-DR guidelines consistent therewith. The GLO will notify Subrecipient via official closeout letter upon review and approval of the final Grant Completion Report.

#### **8.21 INDIRECT COST RATES**

Unless, under the terms of 2 C.F.R. Part 200, Appendix V, Subrecipient has negotiated or does negotiate an indirect cost rate with the federal government, subject to periodic renegotiations of the rate during the Contract Period, or is exempt from such negotiations and has developed and maintains an auditable central service cost allocation plan, Subrecipient's indirect cost rate shall be set by 2 C.F.R. § 200.414(f), i.e., ten percent (10%).

#### **8.22 CONFLICT OF INTEREST**

- (a) Subrecipient shall abide by the provisions of this Section and include the provisions in all subcontracts. Subrecipient shall comply with all conflict of interest laws and regulations applicable to the Program.
- (b) Subrecipient shall maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts.

#### **8.23 ENVIRONMENTAL CLEARANCE REQUIREMENTS**

- (a) Subrecipient is responsible for conducting environmental reviews and for obtaining any environmental clearance necessary for successful completion of the Project. Subrecipient shall prepare an environmental review or assessment of each Activity in accordance with applicable laws, regulations, rules, and guidance. Subrecipient shall maintain a written Environmental Review Record ("ERR") for

each Activity, including all supporting source documentation and documentation to support any project mitigation. Subrecipient shall provide a copy of the ERR and all related source documentation to the GLO.

- (b) Subrecipient shall address inquiries and complaints and shall provide appropriate redress related to environmental Activities. Subrecipient shall document each communication issued or received hereunder in the related ERR.
- (c) The GLO may, in its sole discretion, reimburse Subrecipient for certain exempt environmental Activities, as defined in federal regulations. Reimbursement requests for exempt environmental Activities must be supported by the proper HUD-prescribed form.
- (d) The Parties acknowledge and understand that the GLO may enter into Interagency agreements with the Texas Historical Commission and other entities in order to facilitate any necessary environmental or historic review. The GLO may incorporate one or more Interagency agreements into this contract via a Technical Guidance Letter.

**FORT BEND COUNTY  
20-066-006-C038****PERFORMANCE STATEMENT**

Fort Bend County (Subrecipient) was overwhelmed by Hurricane Harvey. Heavy rainfall caused flooding of homes and streets and threatened public health, safety, and welfare. Subrecipient will conduct a Buyout program that targets homes that are the most vulnerable to flooding.

Subrecipient shall perform the Activities identified herein for the target area specified in its approved Texas Community Development Block Grant Disaster Recovery Supplemental Grant Application to aid areas most impacted by Hurricane Harvey. The persons to benefit from the Activities described herein must receive the prescribed service or benefit, and all eligibility requirements must be met to fulfill contractual obligations. Subrecipient shall carry out the following housing Activities in strict accordance with the terms of Subrecipient's approved Project Guidelines, the terms of this Contract and all Attachments, the GLO-approved Method of Distribution (MOD), and the requirements of the GLO Implementation Manual, as each may be amended over time. Each of these documents is incorporated by reference to this Contract. This Project will meet the following national objective(s): Low to Moderate Buyout, Low to Moderate Housing Incentives, Low to Moderate Homeownership Assistance, Low to Moderate Relocation Payments and Assistance, and Urgent Need

The grant total is \$21,155,575.00. Subrecipient will be required to maintain a detailed Budget breakdown in the official system of record of the GLO's Community Development and Revitalization division (GLO-CDR).

**Project Description (Buyout)**

Subrecipient will provide a Buyout program for approximately one hundred (100) residential dwellings affected by Hurricane Harvey. Assistance will be provided to homeowners who are located in a floodplain or reside in a repetitive flood area and who agree to relocate to outside the floodplain or a location of reduced flood risk. The properties acquired with funds provided under this Contract may be used for green space or for an eligible use, as defined by the Federal Register (final use deed restriction must be recorded in perpetuity at closing) and the GLO Implementation Manual. Refer to the approved Project Guidelines for further technical guidance on the final use of the acquired property.

An environmental review must be conducted, and all Project locations must receive environmental clearance prior to the execution of any agreements with property owners that present choice-limiting actions<sup>1</sup> or prior to the commencement of any physical work, including demolition work, on the properties.

---

<sup>1</sup> The execution of an "option contract" with homeowners may be permitted if such an option contract is conditional on the receipt of required environmental clearance and in compliance with the GLO Implementation Manual.
