STATEMENT OF WORK**1. PROGRAM BACKGROUND AND PURPOSE**

The MAC Program, which has been operating in Texas since 1995, is the cost-based reimbursement methodology utilized to draw down federal matching funds for activities that facilitate client access to medically necessary Medicaid-funded services. HHSC has partnered with eligible entities that include Early Childhood Intervention Programs, Independent School Districts, Charter Schools, Local Health Districts, and MHMR/ID Authorities, to implement MAC services throughout Texas.

The purpose of this partnership is to assist HHSC in providing effective and timely access to care for Medicaid-eligible clients and their families, more appropriate utilization of Medicaid covered services, and to promote activities that reduce the risk of poor health outcomes for the state's most vulnerable populations.

2. GRANTEE OBLIGATIONS

To participate as a provider under this Contract, the Grantee must:

- 2.1 Provide all Medicaid Administrative Claiming services in accordance with 2 C.F.R. Part 200, Subparts E and F, 45 C.F.R Part 75, Subparts E and F, *Texas Administrative Code* Title 1, Chapter 355, Subchapter J, Division 5, §355.8095, the Time Study and Medicaid Administrative Claiming Guide (“**MAC Guide**”) that is currently available online and can be accessed at: <https://rad.hhs.texas.gov/sites/rad/files/documents/time-study/ts-mac-guide.pdf>, and all other applicable state and federal laws, rules, regulations, policies, and guidelines.
- 2.2 Stay informed and comply with any MAC Guide revisions by the effective date, which will be revised when deemed necessary by HHSC, or other HHSC published guides, appendices, policies, rules, guidelines, or guidance letters, which may be found on the HHSC program webpage that is currently available online and can be accessed at: <https://rad.hhs.texas.gov/medicaid-administrative-claiming>.
- 2.3 Spend the state general revenue, in an amount equal to the federal match claimed, for health-related services for clients in order to receive the federal match of actual and reasonable costs for Medicaid administration.
- 2.4 Attend all required state-sponsored trainings on an annual basis.
- 2.5 Submit quarterly participation data using the HHSC Standardized Time Study Medicaid Administrative Claiming Financial System (the “**MAC Financial System**”).
- 2.6 All financial expenditure data must be submitted to HHSC via the TS/MAC financial system in adherence with the timeframes set by HHSC.

- 3.2 HHSC will host random moment time study and MAC Financials training sessions yearly to educate Grantees and to authorize Grantee staff/representatives to enter and submit TS/MAC data via the MAC Financial System.
- 3.3 HHSC will provide guidance and technical support to Grantees as needed.

PAYMENT RATES AND TERMS

1. BASIS FOR CALCULATING REIMBURSABLE COSTS

- 1.1 HHSC will pass through to the Grantee no less than 95% of the Title XIX federal share of actual and reasonable costs for Medicaid administration provided by its staff for Medicaid administrative activities under this Contract. HHSC reserves the right to retain 5% of the Title XIX federal share of actual and reasonable costs for said Medicaid administration for HHSC's own administrative costs. These costs shall be based upon a time accounting system, which is in accordance with the provisions of 2 C.F.R. Part 200, Subparts E and F and 45 C.F.R. Part 75, Subparts E and F, and the expense and equipment costs necessary to collect data, disseminate information, and carry out the staff functions.
- 1.2 The rate of reimbursement for allowable administrative activities performed by personnel other than skilled professional medical personnel (“**SPMP**”) shall be 50% of such costs. The rate of reimbursement for activities qualifying under regulations applying to SPMP and their direct supporting clerical staff shall be 75% of such costs for activities identified as “enhanced” or 50% for activities identified as “non-enhanced.” Categories of costs eligible for 75% reimbursement include the following items only: compensation and applicable fringe benefits, and travel and training of SPMP and their direct supporting clerical staff.
- 1.3 Changes in federal regulations affecting the matching percentage or costs eligible for enhanced or administrative match that become effective subsequent to the execution of this Contract shall be incorporated herein, and the Parties agree to comply with such changes.

2. AVAILABILITY OF FUNDS

- 2.1 This Contract is contingent upon the availability of sufficient and adequate funds as stated in **Section 3.1** of the HHSC Uniform Terms and Conditions, which is attached as **Attachment C** and incorporated herein.

Any and all Work Product that is copyrightable under United States copyright law is deemed to be "work made for hire" owned by System Agency, as provided by Title 17 of the United States Code. To the extent that Work Product does not qualify as a "work made for hire" under applicable federal law, Grantee hereby irrevocably assigns and transfers to System Agency, its successors and assigns, the entire right, title, and interest in and to the Work Product, including any and all Intellectual Property Rights embodied therein or associated

therewith, and in and to all works based upon, derived from, or incorporating the Work Product, and in and to all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto, and in and to all causes of action, either in law or in equity for past, present or future infringement based on the copyrights, and in and to all rights corresponding to the foregoing. Grantee agrees to execute all papers and to perform such other property rights as System Agency may deem necessary to secure for System Agency or its designee the rights herein assigned. In the event that Grantee has any rights in and to the Work Product that cannot be assigned to System Agency, Grantee hereby grants to System Agency an exclusive, worldwide, royalty-free, transferable, irrevocable, and perpetual license, with the right to sublicense, to reproduce, distribute, modify, create derivative works of, publicly perform and publicly display, make, have made, use, sell and offer for sale the Work Product and any products developed by practicing such rights.

6.2 GRANTEE'S PRE-EXISTING WORKS

To the extent that Grantee incorporates into the Work Product any works of Grantee that were created by Grantee or that Grantee acquired rights in prior to the Effective Date of this Contract ("**Incorporated Pre-existing Works**"), Grantee retains ownership of such Incorporated Pre-existing Works, and Grantee hereby grants to System Agency an irrevocable, perpetual, non-exclusive, royalty-free, transferable, worldwide right and license, with the right to sublicense, to use, modify, copy, create derivative works of, publish, publicly perform and display, sell, offer to sell, make and have made, the Incorporated Pre-existing Works, in any medium, with or without the associated Work Product. Grantee represents, warrants, and covenants to System Agency that Grantee has all necessary right and authority to grant the foregoing license in the Incorporated Pre-existing Works to System Agency.

6.3 AGREEMENTS WITH EMPLOYEES AND SUBCONTRACTORS

Grantee shall have written, binding agreements with its employees and subcontractors that include provisions sufficient to give effect to and enable Grantee's compliance with Grantee's obligations under this **Article VI**.

6.4 DELIVERY UPON TERMINATION OR EXPIRATION

No later than the first calendar day after the termination or expiration of the Contract or upon System Agency's request, Grantee shall deliver to System Agency all completed, or partially completed, Work Product, including any Incorporated Pre-existing Works, and any and all versions thereof. Grantee's failure to timely deliver such Work Product is a material breach of the Contract. Grantee will not retain any copies of the Work Product or any documentation or other products or results of Grantee's activities under the Contract without the prior written consent of System Agency.

6.5 SURVIVAL

The provisions and obligations of this **Article VI** survive any termination or expiration of the Contract.

ARTICLE VII. RECORDS, AUDIT, AND DISCLOSURE

7.1 BOOKS AND RECORDS

Grantee shall keep and maintain under GAAP or GASB, as applicable, full, true, and complete records necessary to fully disclose to the System Agency, the Texas State Auditor's Office, the United States Government, and their authorized representatives sufficient information to determine compliance with the terms and conditions of this Contract and all state and federal rules, regulations, and statutes. Unless otherwise specified in this Contract, Grantee shall maintain legible copies of this Contract and all related documents for a minimum of seven (7) years after the termination of the Contract period or seven (7) years after the completion of any litigation or dispute involving the Contract, whichever is later.

7.2 ACCESS TO RECORDS, BOOKS, AND DOCUMENTS

In addition to any right of access arising by operation of law, Grantee and any of Grantee's affiliate or subsidiary organizations, or Subcontractors shall permit the System Agency or any of its duly authorized representatives, as well as duly authorized federal, state or local authorities, unrestricted access to and the right to examine any site where business is conducted or services are performed, and all records, which includes but is not limited to financial, client and patient records, books, papers or documents related to this Contract. If the Contract includes federal funds, federal agencies that shall have a right of access to records as described in this section include: the federal agency providing the funds, the Comptroller General of the United States, the General Accounting Office, the Office of the Inspector General, and any of their authorized representatives. In addition, agencies of the State of Texas that shall have a right of access to records as described in this section include: the System Agency, HHSC, HHSC's contracted examiners, the State Auditor's Office, the Office of the Texas Attorney General, and any successor agencies. Each of these entities may be a duly authorized authority. If deemed necessary by the System Agency or any duly authorized authority, for the purpose of investigation or hearing, Grantee shall produce original documents related to this Contract. The System Agency and any duly authorized authority shall have the right to audit billings both before and after payment, and all documentation that substantiates the billings. Grantee shall include this provision concerning the right of access to, and examination of, sites and information related to this Contract in any Subcontract it awards.

7.3 RESPONSE/COMPLIANCE WITH AUDIT OR INSPECTION FINDINGS

- A. Grantee must act to ensure its and its Subcontractors' compliance with all corrections necessary to address any finding of noncompliance with any law, regulation, audit requirement, or generally accepted accounting principle, or any other deficiency identified in any audit, review, or inspection of the Contract and the services and Deliverables provided. Any such correction will be at Grantee's or its Subcontractor's sole expense. Whether Grantee's action corrects the noncompliance shall be solely the decision of the System Agency.
- B. As part of the services, Grantee must provide to HHSC upon request a copy of those portions of Grantee's and its Subcontractors' internal audit reports relating to the services and Deliverables provided to the State under the Contract.

7.4 SAO AUDIT

- A. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. The acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.
- B. Grantee shall comply with any rules and procedures of the state auditor in the implementation and enforcement of Section 2262.154 of the Texas Government Code.

7.5 CONFIDENTIALITY

Grantee shall maintain as confidential, and shall not disclose to third parties without System Agency's prior written consent, any System Agency information including but not limited to System Agency's business activities, practices, systems, conditions and services. This section will survive termination or expiration of this Contract.

ARTICLE VIII. CONTRACT REMEDIES AND EARLY TERMINATION

8.1 CONTRACT REMEDIES

To ensure Grantee's full performance of the Contract and compliance with applicable law, the System Agency reserves the right to hold Grantee accountable for breach of contract or substandard performance and may take remedial or corrective actions, including, but not limited to:

- i. suspending all or part of the Contract;
- ii. requiring the Grantee to take specific actions in order to remain in compliance with the Contract;
- iii. recouping payments made by the System Agency to the Grantee found to be in error;
- iv. suspending, limiting, or placing conditions on the Grantee's continued performance of the Project;
- v. imposing any other remedies, sanctions or penalties authorized under this Contract or permitted by federal or state statute, law, regulation or rule.

8.2 TERMINATION FOR CONVENIENCE

The System Agency may terminate the Contract at any time when, in its sole discretion, the System Agency determines that termination is in the best interests of the State of Texas. The termination will be effective on the date specified in HHSC's notice of termination. The System Agency's right to terminate the Contract for convenience is cumulative of all rights and remedies which exist now or in the future.

8.3 TERMINATION FOR CAUSE

Except as otherwise provided by the U.S. Bankruptcy Code, or any successor law, the System Agency may terminate the Contract, in whole or in part, upon either of the following conditions:

i. Material Breach

The System Agency will have the right to terminate the Contract in whole or in part if the System Agency determines, in its sole discretion, that Grantee has materially breached the Contract or has failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of Grantee's duties under the Contract. Grantee's misrepresentation in any aspect of Grantee's Solicitation Response, if any, or Grantee's addition to the Excluded Parties List System (EPLS) will also constitute a material breach of the Contract.

ii. Failure to Maintain Financial Viability

The System Agency may terminate the Contract if, in its sole discretion, the System Agency has a good faith belief that Grantee no longer maintains the financial viability required to complete the services and Deliverables, or otherwise fully perform its responsibilities under the Contract.

ARTICLE IX. MISCELLANEOUS PROVISIONS

9.1 AMENDMENT

The Contract may only be amended by an Amendment executed by both Parties.

9.2 INSURANCE

- A. Unless otherwise specified in this Contract, Grantee shall acquire and maintain, for the duration of this Contract, insurance coverage necessary to ensure proper fulfillment of this Contract and potential liabilities thereunder with financially sound and reputable insurers licensed by the Texas Department of Insurance, in the type and amount customarily carried within the industry as determined by the System Agency. Grantee shall provide evidence of insurance as required under this Contract, including a schedule of coverage or underwriter's schedules establishing to the satisfaction of the System Agency the nature and extent of coverage granted by each such policy, upon request by the System Agency. In the event that any policy is determined by the System Agency to be deficient to comply with the terms of this Contract, Grantee shall secure such additional policies or coverage as the System Agency may reasonably request or that are required by law or regulation. If coverage expires during the term of this Contract, Grantee must produce renewal certificates for each type of coverage.
- B. These and all other insurance requirements under the Contract apply to both Grantee and its Subcontractors, if any. Grantee is responsible for ensuring its Subcontractors' compliance with all requirements.

9.3 LEGAL OBLIGATIONS

Grantee shall comply with all applicable federal, state, and local laws, ordinances, and regulations, including all federal and state accessibility laws relating to direct and indirect use of information and communication technology. Grantee shall be deemed to have knowledge of all applicable laws and regulations and be deemed to understand them.

9.4 PERMITTING AND LICENSURE

At Grantee's sole expense, Grantee shall procure and maintain for the duration of this Contract any state, county, city, or federal license, authorization, insurance, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Grantee to provide the goods or services required by this Contract. Grantee shall be responsible for payment of all taxes, assessments, fees, premiums, permits, and licenses required by law. Grantee shall be responsible for payment of any such government obligations not paid by its Subcontractors during performance of this Contract.

THE DEFENSE SHALL BE COORDINATED BY GRANTEE WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND GRANTEE MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. GRANTEE AND SYSTEM AGENCY AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.**
- B. THIS PARAGRAPH IS NOT INTENDED TO AND SHALL NOT BE CONSTRUED TO REQUIRE GRANTEE TO INDEMNIFY OR HOLD HARMLESS THE STATE OR THE SYSTEM AGENCY FOR ANY CLAIMS OR LIABILITIES RESULTING FROM THE NEGLIGENT ACTS OR OMISSIONS OF THE SYSTEM AGENCY OR ITS EMPLOYEES.**
- C. For the avoidance of doubt, System Agency shall not indemnify Grantee or any other entity under the Contract.**

9.6 ASSIGNMENTS

- A. Grantee may not assign all or any portion of its rights under, interests in, or duties required under this Contract without prior written consent of the System Agency, which may be withheld or granted at the sole discretion of the System Agency. Except where otherwise agreed in writing by the System Agency, assignment will not release Grantee from its obligations under the Contract.
- B. Grantee understands and agrees the System Agency may in one or more transactions assign, pledge, or transfer the Contract. This assignment will only be made to another State agency or a non-state agency that is contracted to perform agency support.

9.7 INDEPENDENT CONTRACTOR

Grantee and Grantee’s employees, representatives, agents, Subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the services under the Contract. Neither Grantee nor System Agency is an agent of the other and neither may make any commitments on the other party’s behalf. Should Grantee subcontract any of the services required in the Contract, Grantee expressly understands and acknowledges that in entering such subcontract(s), System Agency is in no manner liable to any Subcontractor(s) of Grantee. In no event shall this provision relieve Grantee of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with the Contract. Grantee shall have no claim against System Agency for vacation pay, sick leave, retirement benefits, social security, worker’s compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. The Contract shall not create any joint venture, partnership, agency, or employment relationship between Grantee and System Agency.

9.8 TECHNICAL GUIDANCE LETTERS

In the sole discretion of the System Agency, and in conformance with federal and state law, the System Agency may issue instructions, clarifications, or interpretations as may be required during work performance in the form of a Technical Guidance Letter (TGL). A TGL must be in writing, and may be delivered by regular mail, electronic mail, or facsimile transmission. Any TGL issued by the System Agency will be incorporated into the Contract by reference for all purposes when it is issued.

9.9 DISPUTE RESOLUTION

- A. The dispute resolution process provided for in Chapter 2260 of the Texas Government Code must be used to attempt to resolve any dispute arising under the Contract.
- B. If a contract dispute arises that cannot be resolved to the satisfaction of the Parties, either Party may notify the other Party in writing of the dispute. If the Parties are unable to satisfactorily resolve the dispute within fourteen (14) days of the written notification, the Parties must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve the dispute. This provision will not apply to any matter with respect to which either Party may make a decision within its respective sole discretion.

9.10 GOVERNING LAW AND VENUE

The Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the System Agency.

9.11 SEVERABILITY

If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-

enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

9.12 SURVIVABILITY

Expiration or termination of the Contract for any reason does not release Grantee from any liability or obligation set forth in the Contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Contract, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.

9.13 FORCE MAJEURE

Neither Grantee nor System Agency shall be liable to the other for any delay in, or failure of performance, of any requirement included in the Contract caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

9.14 NO WAIVER OF PROVISIONS

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Grantee which is in violation or breach of the terms of the Contract shall not be construed as a waiver of the violation or breach, or of any future violation or breach.

9.15 PUBLICITY

- A. Except as provided in the paragraph below, Grantee must not use the name of, or directly or indirectly refer to, the System Agency, the State of Texas, or any other State agency in any media release, public announcement, or public disclosure relating to the Contract or its subject matter, including in any promotional or marketing materials, customer lists, or business presentations.
- B. Grantee may publish, at its sole expense, results of Grantee performance under the Contract with the System Agency's prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.
- C. Contractor is prohibited from using the Work for any Contractor or third party marketing, advertising, or promotional activities, without the prior written consent of System Agency. The foregoing prohibition includes, without limitation, the placement of banners, pop-up ads, or other advertisements promoting Contractor's or a third party's products, services, workshops, trainings, or other commercial offerings on any website portal or internet-based service or software application hosted or managed by Contractor as part of the Work.

9.16 PROHIBITION ON NON-COMPETE RESTRICTIONS

Grantee shall not require any employees or Subcontractors to agree to any conditions, such as non-compete clauses or other contractual arrangements that would limit or restrict such persons or entities from employment or contracting with the State of Texas.

9.17 NO WAIVER OF SOVEREIGN IMMUNITY

Nothing in the Contract will be construed as a waiver of the System Agency's or the State's sovereign immunity. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas under the Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. System Agency does not waive any privileges, rights, defenses, or immunities available to System Agency by entering into the Contract or by its conduct prior to or subsequent to entering into the Contract.

9.18 ENTIRE CONTRACT AND MODIFICATION

The Contract constitutes the entire agreement of the Parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in any future document incorporated into the Contract will be harmonized with this Contract to the extent possible.

9.19 COUNTERPARTS

This Contract may be executed in any number of counterparts, each of which will be an original, and all such counterparts will together constitute but one and the same Contract.

ARTICLE 5. GENERAL PROVISIONS

Section 5.01 Ownership of Confidential Information

Contractor acknowledges and agrees that the Confidential Information is and shall remain the property of HHS. Contractor agrees it acquires no title or rights to the Confidential Information.

Section 5.02 HHS Commitment and Obligations

HHS will not request Contractor to create, maintain, transmit, use or disclose PHI in any manner that would not be permissible under applicable law if done by HHS.

Section 5.03 HHS Right to Inspection

At any time upon reasonable notice to Contractor, or if HHS determines that Contractor has violated this DUA, HHS, directly or through its agent, will have the right to inspect the facilities, systems, books and records of Contractor to monitor compliance with this DUA. For purposes of this subsection, HHS's agent(s) include, without limitation, the HHS Office of the Inspector General, the Office of the Attorney General of Texas, the State Auditor's Office, outside consultants, legal counsel or other designee.

Section 5.04 Term; Termination of DUA; Survival

This DUA will be effective on the date on which Contractor executes the Base Contract and will terminate upon termination of the Base Contract and as set forth herein. If the Base Contract is extended, this DUA is extended to run concurrent with the Base Contract.

(A) If HHS determines that Contractor has violated a material term of this DUA; HHS may in its sole discretion:

- (1) Exercise any of its rights including but not limited to reports, access and inspection under this DUA and/or the Base Contract; or
- (2) Require Contractor to submit to a corrective action plan, including a plan for monitoring and plan for reporting as HHS may determine necessary to maintain compliance with this DUA; or
- (3) Provide Contractor with a reasonable period to cure the violation as determined by HHS; or
- (4) Terminate the DUA and Base Contract immediately and seek relief in a court of competent jurisdiction in Travis County, Texas.

Before exercising any of these options, HHS will provide written notice to Contractor describing the violation and the action it intends to take.

(B) If neither termination nor cure is feasible, HHS shall report the violation to the applicable regulatory authorities.

(C) The duties of Contractor or its Subcontractor under this DUA survive the expiration or termination of this DUA until all the Confidential Information is Destroyed or returned to HHS, as required by this DUA.

Section 5.05 Injunctive Relief

(A) Contractor acknowledges and agrees that HHS may suffer irreparable injury if Contractor or its Subcontractor fails to comply with any of the terms of this DUA with respect to the Confidential Information or a provision of HIPAA or other laws or regulations applicable to Confidential Information.

(B) Contractor further agrees that monetary damages may be inadequate to compensate HHS for Contractor's or its Subcontractor's failure to comply. Accordingly, Contractor agrees that HHS will, in addition to any other remedies available to it at law or in equity, be entitled to seek injunctive relief without posting a bond and without the necessity of demonstrating actual damages, to enforce the terms of this DUA.

Section 5.06 Indemnification

To the extent permitted by the Texas Constitution, laws and rules, and without waiving any immunities or defenses available to CONTRACTOR as a governmental entity, Contractor shall indemnify, defend and hold harmless HHS and its respective Executive Commissioner, employees, Subcontractors, agents (including other state agencies acting on behalf of HHS) or other members of HHS' Workforce (each of the foregoing hereinafter referred to as "Indemnified Party") against all actual and direct losses suffered by the Indemnified Party and all liability to third parties arising from or in connection with any breach of this DUA or from any acts or omissions related to this DUA by Contractor or its employees, directors, officers,

Subcontractors, or agents or other members of Contractor's Workforce. The duty to indemnify, defend and hold harmless is independent of the duty to insure. Upon demand, Contractor shall reimburse HHS for any and all losses, liabilities, lost profits, fines, penalties, costs or expenses (including costs of required notices, investigation, and mitigation of a Breach, fines or penalties imposed on an Indemnified Party by a regulatory authority, and reasonable attorneys' fees) which may be imposed upon any Indemnified Party to the extent caused by and which results from the Contractor's failure to meet any of its obligations under this DUA. Contractor's obligation to defend, indemnify and hold harmless any Indemnified Party will survive the expiration or termination of this DUA.

Section 5.07 Insurance

(A) As a governmental entity, CONTRACTOR either maintains commercial insurance or self-insures with policy limits in an amount sufficient to cover CONTRACTOR's liability arising under this DUA. CONTRACTOR will either require that the policy name HHS as an additional insured or assign any payments from the insurer related to CONTRACTOR's liability arising under this DUA directly to HHS. HHSC reserves the right to consider alternative means for CONTRACTOR to satisfy CONTRACTOR's financial responsibility under this DUA. Nothing herein shall relieve CONTRACTOR of its financial obligations set forth in this DUA if CONTRACTOR fails to maintain insurance.

(B) Contractor shall provide HHS with written proof that required insurance coverage is in effect, at the request of HHS.

Section 5.08 Entirety of the Contract

This DUA is incorporated by reference into the Base Contract and, together with the Base Contract, constitutes the entire agreement between the parties. No change, waiver, or discharge of obligations arising under those documents will be valid unless in writing and executed by the party against whom such change, waiver, or discharge is sought to be enforced.

Section 5.09 Automatic Amendment and Interpretation

Upon the effective date of any amendment or issuance of additional regulations to any law applicable to Confidential Information, this DUA will automatically be amended so that the obligations imposed on HHS and/or Contractor remain in compliance with such requirements. Any ambiguity in this DUA will be resolved in favor of a meaning that permits HHS and Contractor to comply with laws applicable to Confidential Information.

Section 5.10 Notices; Requests for Approval

All notices and requests for approval related to this DUA must be directed to the HHS Chief Privacy Officer at privacy@hhsc.state.tx.us.
