If the date for payment of the principal of or interest on any Certificate is not a Business Day, then the date for such payment shall be the next succeeding Business Day, with the same force and effect as if made on the original date payment was due.

8. Successor Registrars. The County reserves the right to change the Registrar on not less than 60 days written notice to the Registrar, so long as any such notice is effective not less than 60 days prior to the next succeeding principal or interest payment date on the Certificates. Promptly upon the appointment of any successor Registrar, the previous Registrar shall deliver the Register or copies thereof to the new Registrar, and the new Registrar shall notify each Owner, by United States mail, first class postage prepaid, of such change and of the address of the new Registrar. Each Registrar hereunder, by acting in that capacity, shall be deemed to have agreed to the provisions of this Section.

If interest on any Certificate is not paid on any Interest Payment Date and continues unpaid for thirty (30) days thereafter, the Registrar shall establish a new record date for the payment of such interest, to be known as a Special Record Date. The Registrar shall establish a Special Record Date when funds to make such interest payment are received from or on behalf of the County. Such Special Record Date shall be fifteen (15) days prior to the date fixed for

payment of such past due interest, and notice of the date of payment and the Special Record Date shall be sent by United States mail, first class postage prepaid, not later than five (5) days prior to the Special Record Date, to each affected Owner of record as of the close of business on the day prior to the mailing of such notice.

10. Ownership; Unclaimed Principal and Interest. The County, the Registrar and any other person may treat the person in whose name any Certificate is registered as the absolute Owner of such Certificate for the purpose of making payment of principal or interest on such Certificate, and for all other purposes, whether or not such Certificate is overdue, and neither the County nor the Registrar shall be bound by any notice or knowledge to the contrary. All payments made to the person deemed to be the Owner of any Certificate in accordance with this Section shall be valid and effectual and shall discharge the liability of the County and the Registrar upon such Certificate to the extent of the sums paid.

Amounts held by the Registrar which represent principal of and interest on the Certificates remaining unclaimed by the Owner after the expiration of three years from the date such amounts have become due and payable shall be reported and disposed of by the Registrar in accordance with the applicable provisions of Texas law including, to the extent applicable, Title 6 of the Texas Property Code, as amended.

11. Registration, Transfer, and Exchange. So long as any Certificates remain outstanding, the Registrar shall keep the Register at its principal payment office in Minneapolis, Minnesota, and, subject to such reasonable regulations as it may prescribe, the Registrar shall provide for the registration and transfer of Certificates in accordance with the terms of this Order.

Each Certificate shall be transferable only upon the presentation and surrender thereof at the principal payment office of the Registrar in Minneapolis, Minnesota, duly endorsed for transfer, or accompanied by an assignment duly executed by the registered Owner or his authorized representative in form satisfactory to the Registrar. Upon due presentation of any Certificate in proper form for transfer, the Registrar shall authenticate and deliver in exchange therefor, within three Business Days after such presentation, a new Certificate or Certificates, registered in the name of the transferee or transferees, in authorized denominations and of the same maturity and aggregate principal amount and bearing interest at the same rate as the Certificate or Certificates so presented.

All Certificates shall be exchangeable upon presentation and surrender at the principal payment office of the Registrar in Minneapolis, Minnesota, for a Certificate or Certificates of like maturity and interest rate and in any authorized denomination, in an aggregate amount equal to the unpaid principal amount of the Certificate or Certificates presented for exchange. The Registrar shall be and is hereby authorized to authenticate and deliver exchange Certificates in accordance with the provisions of this Section. Each Certificate delivered in accordance with this Section shall be entitled to the benefits and security of this Order to the same extent as the Certificate or Certificates in lieu of which such Certificate is delivered.

The County or the Registrar may require the Owner of any Certificate to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with the transfer or exchange of such Certificate. Any fee or charge of the Registrar for such transfer or exchange shall be paid by the County.

12. Mutilated, Lost, or Stolen Certificates. Upon the presentation and surrender to the Registrar of a mutilated Certificate, the Registrar shall authenticate and deliver in exchange therefor a replacement Certificate of like maturity, interest rate, and principal amount, bearing a number not contemporaneously outstanding. If any Certificate is lost, apparently destroyed, or wrongfully taken, the County, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Certificate has been acquired by a bona fide purchaser, shall authorize and the Registrar shall authenticate and deliver a replacement Certificate of like maturity, interest rate and principal amount, bearing a number not contemporaneously outstanding.

The County or the Registrar may require the Owner of a mutilated Certificate to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith and any other expenses connected therewith, including the fees and expenses of the Registrar.

The County or the Registrar may require the Owner of a lost, apparently destroyed or wrongfully taken Certificate, before any replacement Certificate is issued, to:

- (1) furnish to the County and the Registrar satisfactory evidence of the ownership of and the circumstances of the loss, destruction or theft of such Certificate;
- (2) furnish such security or indemnity as may be required by the Registrar and the County to save them harmless;
- (3) pay all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Registrar and any tax or other governmental charge that may be imposed; and
- (4) meet any other reasonable requirements of the County and the Registrar.

If, after the delivery of such replacement Certificate, a bona fide purchaser of the original Certificate in lieu of which such replacement Certificate was issued presents for payment such original Certificate, the County and the Registrar shall be entitled to recover such replacement Certificate from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the County or the Registrar in connection therewith.

If any such mutilated, lost, apparently destroyed or wrongfully taken Certificate has become or is about to become due and payable, the County in its discretion may, instead of issuing a replacement Certificate, authorize the Registrar to pay such Certificate.

Each replacement Certificate delivered in accordance with this Section shall be entitled to the benefits and security of this Order to the same extent as the Certificate or Certificates in lieu of which such replacement Certificate is delivered.

13. Cancellation of Certificates. All Certificates paid in accordance with this Order, and all Certificates in lieu of which exchange Certificates or replacement Certificates are authenticated and delivered in accordance herewith, shall be canceled and destroyed upon the making of proper records regarding such payment. The Registrar shall furnish the County with appropriate certificates of destruction of such Certificates.

14. Book-Entry System. (a) The Initial Certificate shall be registered in the name of Raymond James & Associates, Inc. Except as provided in Section 15 hereof, all other Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Certificates registered in the name of Cede & Co., as nominee of DTC, the County and the Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such DTC Participant holds an interest in the Certificates, except as provided in this Order. Without limiting the immediately preceding sentence, the County and the Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Certificates, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Certificates, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any amount with respect to principal of, premium, if any, or interest on the Certificates. Notwithstanding any other provision of this Order to the contrary, the County and the Registrar shall be entitled to treat and consider the person in whose name each Certificate is registered in the Register as the absolute Owner of such Certificate for the purpose of payment of principal of and interest on the Certificates, for the purpose of giving notices of redemption and other matters with respect to such Certificate, for the purpose of registering transfer with respect to such Certificate, and for all other purposes whatsoever. The Registrar shall pay all principal of, premium, if any, and interest on the Certificates only to or upon the order of the respective Owners, as shown in the Register as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the County's obligations with respect to payments of principal, premium, if any, and interest on the Certificates to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Register, shall receive a certificate evidencing the obligation of the County to make payments of amounts due pursuant to this Order. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Order with respect to interest checks being mailed to the Owner of record as of the Record Date, the phrase "Cede & Co." in this Order shall refer to such new nominee of DTC.

15. Successor Securities Depository; Transfer Outside Book-Entry Only System. In the event that the County in its sole discretion, determines that the beneficial owners of the Certificates shall be able to obtain certificated Certificates, or in the event DTC discontinues the services described herein, the County shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants, as identified by DTC, of the appointment of such successor securities depository and transfer one or more separate Certificates to such successor securities depository or (ii) notify DTC and DTC Participants, as identified by DTC, of the availability through DTC of Certificates and transfer one or more separate Certificates to DTC Participants having Certificates credited to their DTC accounts, as identified by DTC. In such event, the Certificates shall not longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Certificates shall designate, in accordance with the provisions of this Order.

16. Payments to Cede & Co. Notwithstanding any other provision of this Order to the contrary, so long as any Certificates are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Certificates, and all notices with respect to such Certificates, shall be made and given, respectively, in the manner provided in the Blanket Letter of Representations.

17. Optional and/or Mandatory Redemption. The Certificates are subject to optional and/or mandatory redemption as set forth in the Form of Certificate in this Order.

Principal amounts may be redeemed only in integral multiples of \$5,000. If a Certificate subject to redemption is in a denomination larger than \$5,000, a portion of such Certificate may be redeemed, but only in integral multiples of \$5,000. Upon surrender of any Certificate for redemption in part, the Registrar, in accordance with Section 11 hereof, shall authenticate and deliver in exchange therefor a Certificate or Certificates of like maturity, Issuance Date, and interest rate in an aggregate principal amount equal to the unredeemed portion of the Certificate so surrendered.

Notice of any redemption identifying the Certificates to be redeemed in whole or in part shall be given by the Registrar at least thirty days prior to the date fixed for redemption by sending written notice by first class mail, postage prepaid, to the Owner of each Certificate to be redeemed in whole or in part at the address shown on the Register. Such notices shall state the redemption date, the redemption price, the place at which Certificates are to be surrendered for payment and, if less than all Certificates outstanding of a particular maturity are to be redeemed, the numbers of the Certificates or portions thereof of such maturity to be redeemed. Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice. By the date fixed for redemption, due provision shall be made with the Registrar for payment of the redemption price of the Certificates or portions thereof to be redeemed, plus accrued interest to the date fixed for redemption. When Certificates have been called for redemption in whole or in part and due provision has been made to redeem the same as herein provided, the Certificates or portions

thereof so redeemed shall no longer be regarded as outstanding except for the purpose of receiving payment solely from the funds so provided for redemption, and the rights of the Owners to collect interest which would otherwise accrue after the redemption date on any Certificate or portion thereof called for redemption shall terminate on the date fixed for redemption.

The Certificates may be defeased in any manner now or hereafter permitted by law.

18. Forms. The form of the Certificates, including the form of Registration Certificate of the Comptroller of Public Accounts, which shall be attached or affixed to the Initial Certificate, the form of the Registrar's Authentication Certificate, and the form of Assignment, shall be, respectively, substantially as follows, with such additions, deletions and variations as may be necessary or desirable and not prohibited by this Order, including any legend regarding bond insurance if such insurance is obtained by the Underwriter:

A special fund to be designated "Fort Bend County, Texas Certificates of Obligation, Series 2020A Debt Service Fund" is hereby created, and the proceeds from all taxes levied, assessed and collected for and on account of the Certificates authorized by this Order shall be deposited, as collected, in such Fund. While the Certificates or any part of the principal thereof or interest thereon remain outstanding and unpaid, there is hereby levied and there shall be annually assessed and collected in due time, form and manner, and at the same time as other County taxes are assessed, levied and collected, in each year, a continuing direct annual ad valorem tax, within the limits prescribed by law, upon all taxable property in the County, sufficient to pay the interest on the Certificates as the same becomes due, and to create and provide a sinking fund of not less than 2% of the principal amount of the Certificates or of not less than the amount required to pay each installment of the principal of the Certificates as the same matures, which is greater, full allowance being made for delinquencies and costs of collection, and said taxes are hereby irrevocably pledged to the payment of the interest on and principal of the Certificates and to no other purpose.

The County reserves the right to issue, for any lawful purpose at any time, in one or more installments, bonds, certificates of obligation and other obligations of any kind payable in whole or in part from the Net Revenues, secured by a pledge of the Net Revenues that may be prior and superior in right to, on a parity with, or junior and subordinate to the pledge of Net Revenues securing the Certificates.

If Texas law is amended at any time while the Certificates are outstanding an unpaid such that the pledge of the taxes and revenues granted by the County under Sections 20 of this Order is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Certificates the perfection of the security interest in said pledge, the County agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

(2) the Certificates shall be computed in accordance with Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The County shall not use, permit the use of or omit to use Gross Proceeds of the Certificates or any other amounts (or any property the acquisition,

construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which, if made or omitted, respectively, would cause the interest on any Certificate to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the County shall have received a written opinion of counsel nationally recognized in the field of municipal Certificate law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Certificate, the County shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the regulations and rulings thereunder, the County shall, at all times after the Issue Date of any Certificate and prior to the last stated maturity of the Certificates

(i) exclusively own, operate, and possess all property the acquisition, construction, or improvement of which is to be financed directly or indirectly with Gross Proceeds of the Certificates (including property financed with Gross Proceeds of the Certificates) and not use or permit the use of such Gross Proceeds or any property acquired, constructed, or improved with such Gross Proceeds in any activity carried on by any person or entity other than a state or local government, unless such use is solely as a member of the general public, or

(ii) not directly or indirectly impose or accept any charge or other payment for use of Gross Proceeds of the Certificates or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with such Gross Proceeds (including property financed with Gross Proceeds of the Certificates) other than taxes of general application and interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and the regulations and rulings thereunder, the County shall not use Gross Proceeds of the Certificates to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, Gross Proceeds are considered to be "loaned" to a person or entity if (1) property acquired, constructed or improved with Gross Proceeds (including property financed with Gross Proceeds of the Certificates) is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes, (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output, or similar contract or arrangement, or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or such property are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the regulations and rulings thereunder, the County shall not, at any time prior to the earlier of the final stated maturity or final payment of the Certificates, directly or indirectly invest Gross Proceeds of the Certificates in any Investment (or use such Gross Proceeds to replace money so invested), if as a

result of such investment the Yield of all Investments allocated to such Gross Proceeds whether then held or previously disposed of, exceeds the Yield on the Certificates.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the regulations and rulings thereunder, the County shall not take or omit to take any action which would cause the Certificates to be federally guaranteed within the meaning of Section 149(b) of the Code and the regulations and rulings thereunder.

(g) Information Report. The County shall timely file with the Secretary of the Treasury the information required by Section 149(e) of the Code with respect to the Certificates on such forms and in such place as such Secretary may prescribe.

(h) Payment of Rebate Amount. Except to the extent otherwise provided in Section 148(f) of the Code and the regulations and rulings thereunder, the County shall:

(i) account for all Gross Proceeds of the Certificates (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of such accounting for at least nine years after the final Computation Date. The County may, however, to the extent permitted by law, commingle Gross Proceeds of the Certificates with other money of the County, provided that the County separately accounts for each receipt and expenditure of such Gross Proceeds and the obligations acquired therewith,

(ii) calculate the Rebate Amount with respect to the Certificates not less frequently than each Computation Date, in accordance with rules set forth in Section 148(f) of the Code, Section 1.148-3 of the Regulations, and the rulings thereunder. The County shall maintain a copy of such calculations for at least three years after the final Computation Date,

(iii) as additional consideration for the purchase of the Certificates by the initial purchasers thereof and the loan of the money represented thereby, and in order to induce such purchase by measures designed to ensure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, pay to the United States the amount described in paragraph (2) above at the times, in the installments, to the place, in the manner and accompanied by such forms or other information as is or may be required by Section 148(f) of the Code and the regulations and rulings thereunder, and

(iv) exercise reasonable diligence to assure that no errors are made in the calculations required by paragraph (2) and, if such error is made, to discover and promptly to correct such error within a reasonable amount of time thereafter, including payment to the United States of any interest and any penalty required by the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the regulations and rulings thereunder, the County shall not, at any time after the Issue Date of the Certificates and prior to the earlier of the final stated maturity or final payment of the Certificates, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Certificates not been relevant to either party.

(j) Not Hedge Certificates. The County did not invest more than 50 percent of the Proceeds of the Certificates, and will not invest more than 50 percent of the proceeds of the Certificates, in Nonpurpose Investments having a guaranteed yield for four years or more. On the Issue Date of the Certificates, the County will reasonably expect, and on the Issue Date of the Certificates, the County reasonably expected, that at least 85 percent of the Net Sale Proceeds of the Certificates and Certificates, respectively, would be used to carry out the governmental purpose of such series within three years after the Issue Date of such series.

26. Use of Proceeds. Proceeds from the sale of the Certificates shall, promptly upon receipt by the County, be applied as follows:

- (a) Premium in the amount of \$99,829.15 shall be used to pay underwriter's discount.
- (b) Net Premium in the amount of \$139,546.35 shall be used to pay the cost of issuance.
- (c) Bond proceeds in the amount of \$25,000,000.00 (including principal of \$21,620,000.00 and premium in the amount of \$3,380,000.00 shall be used for the purposes described in Section 3 of this Order. Any certificate proceeds remaining after accomplishing the purposes set out in Section 3, shall be transferred to the Debt Service Fund.

27. Official Statement. The County hereby approves the form and content and distribution of the Preliminary Official Statement prepared in the initial offering and sale of the Certificates and hereby authorizes the preparation of a final Official Statement reflecting the final pricing terms of the Certificates and other relevant information. The use of such final Official Statement by the Underwriter is hereby approved and authorized and the proper officials of the County are authorized to sign such Official Statement.

28. Continuing Disclosure Undertaking.

(a) Annual Reports. The County will provide annually to the MSRB, (1) within six months after the end of each fiscal year of the County, financial information and operating data with respect to the County of the general type included in this Official Statement, authorized pursuant to Section

Any financial statements to be provided shall be (i) prepared in accordance with the accounting principles described in APPENDIX C-1 of the Official Statement or such other accounting principles as the County may be required to employ from time to time pursuant to state law or regulation, and in substantially the form included in the official statement, and (ii) audited, if the County commissions an audit of such financial statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within 12 months after any such fiscal year end, then the County shall file unaudited financial statements within such 12-month period and audited financial statements for the applicable fiscal year, when and if the audit report on such statements becomes available.

If the County changes its fiscal year, it will submit a notice of such change to the MSRB, and the date of the new fiscal year end prior to the next date by which the County otherwise would be required to provide financial information and operating data pursuant to this Section.

- (xvi) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the County, any of which reflect financial difficulties.

(c) Limitations, Disclaimers, and Amendments. The County shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the County remains an “obligated person” with respect to the Certificates within the meaning of the Rule, except

that the County in any event will give notice of any deposit made in accordance with Texas law that causes Certificates no longer to be outstanding.

The provisions of this Section are for the sole benefit of the holders and the beneficial owners of the Certificates, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The County undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the County's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The County does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Certificates at any future date.

UNDER NO CIRCUMSTANCES SHALL THE COUNTY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY CERTIFICATE OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE COUNTY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the County in observing or performing its obligations under this Section shall comprise a breach of or default under this Order for purposes of any other provision of this Order.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the County under federal and state securities laws.

The provisions of this Section may be amended by the County from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, or status or type of principal payment of the County, if (1) the agreement, as so amended, would have permitted an underwriter to purchase or sell Certificates in the initial primary offering in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the holders of a majority in aggregate amount of the outstanding Certificates consent to such amendment or (b) a person unaffiliated with the County (such as nationally recognized Certificate counsel) determines that the amendment will not materially impair the interests of the holders and beneficial owners of the Certificates. The County may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Certificates in the primary offering of the Certificates. If any such amendment is made, the County will include in its next annual update an explanation in narrative form of the reasons for the change and its impact on the type of operating data or financial information being provided.

(d) The provisions of this Section may be amended by the County from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the County, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell the Certificates in the primary offering of the Certificates in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the registered Owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the outstanding Certificates consent to such amendment or (b) a person that is unaffiliated with the County (such as nationally recognized Certificate counsel) determines that such amendment will not materially impair the interests of the registered Owners and beneficial owners of the Certificates. If the County so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided. The County may also amend or repeal the provisions of this Section if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, and the County also may amend the provisions of this Section in its discretion in any other manner or circumstance, but in any case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling Certificates in the primary offering of the Certificates, giving effect to (a) such provisions as so amended and (b) any amendments or interpretations of the Rule.

29 Power to Revise Form of Documents. Notwithstanding any other provision of this Order, the County Judge is hereby authorized to make or approve such revisions, additions, deletions, and variations to this Order and in the form of the documents attached hereto as exhibits as, in the judgment of the County Judge, and in the opinion of Bond Counsel to the County, may be necessary or convenient to carry out or assist in carrying out the purposes of this Order, the Preliminary Official Statement, the final Official Statement, or as may be required for approval of the Certificates by the Attorney General of Texas; provided, however, that any changes to such documents resulting in substantive amendments to the terms and conditions of the Certificates or such documents shall be subject to the prior approval of the County Council.
