

TEXAS WATER CODE SECTION 15.005 MEMORANDUM OF UNDERSTANDING

This is a Memorandum of Understanding (MOU) between Fort Bend County and the Fort Bend County Drainage District (the "COUNTY"), and the Board of Directors of Fort Bend County Levee Improvement District No. 14 (the "FBCLID 14").

WHEREAS, pursuant to Texas Water Code § 15.005 and 31 Texas Administrative Code § 363.408, if the Executive Administrator determines that an application has flood control as one of its purposes and that the watershed in which the project is located is partially located outside the political subdivision making the application, the applicant must submit a written memorandum of understanding relating to the management of the watershed in which the project is to be located, signed by all governing bodies of eligible political subdivisions located in the project watershed; and

WHEREAS, FBCLID 14 has filed an application with the Texas Water Development Board for funding a project that has flood control as one of its purposes; and

WHEREAS, FBCLID 14 has determined that the watershed in which the project is located is partially located within the jurisdiction of the COUNTY; and

NOW THEREFORE, in consideration of the benefits to the levee protected watershed of FBCLID 14 and the State of Texas, FBCLID 14 and the COUNTY agree to the following:

1. FBCLID 14 will provide Monthly progress updates to the COUNTY as the project develops and changes.
2. FBCLID 14 will notify the COUNTY of any potential change in impacts to the COUNTY within the Quarter of the identified change.
3. The COUNTY will provide constructive input to FBCLID 14 as the project develops and changes.
4. FBCLID 14 and the COUNTY will work cooperatively for the management of the levee protected watershed of FBCLID 14.
