LEASE PROVISIONS

THIS LEASE ("Lease") is made by and between LANDLORD and TENANT. In consideration of the mutual covenants and agreements herein set forth, and any other consideration, Landlord leases to Tenant and Tenant leases from Landlord the area generally outlined on the floor plan attached hereto as "Exhibit A", hereinafter referred to as the "Premises" which is part of the Building (hereinafter referred to as the "Building").

- TERM.** The Term of this Lease shall continue, unless sooner terminated as provided hereinafter. Tenant shall have the option to renew this Lease for an additional nine (9) months under the same conditions if Tenant gives written notice to Landlord not less than forty-five (45) days prior to the expiration of the Term. If the Term is not renewed, and Tenant has not vacated, the Tenant's occupancy shall continue on a month-to-month basis and either party may terminate with a thirty (30) day written notice. Landlord may increase monthly Rent for any month-to-month lease with a thirty (30) day written notice to Tenant. In the event Tenant occupies the Premises prior to the Commencement Date, all terms and conditions of the Lease shall apply to the period of occupancy.
- BASIC RENT AND SECURITY DEPOSIT.** Except as provided for in this Lease, Tenant will pay to Landlord without deduction or setoff, Basic Rent for each month of the Lease Term. "Rent" means Basic Rent plus all other amounts payable by Tenant under this Lease, including any charges and late fees. The Security Deposit shall be held by Landlord, without interest, as security for Tenant's performance under this Lease, and not as an advance payment of rent or a measure of Landlord's damages. Upon an Event of Default (defined below) or any damage to the Building or Premises caused by Tenant, its employees or invitees, Landlord may, with five (5) days advance written notice but without prejudice to any other remedy, use the Security Deposit to cure such Event of Default or repair any damage. Following any application of the Security Deposit, Tenant shall, on demand, restore the Security Deposit to its original amount. If Tenant is not in default hereunder, any remaining balance of the Security Deposit shall be returned to Tenant upon termination of this Lease. If Landlord transfers its interest in the Premises, Landlord may assign the Security Deposit to the transferee and thereafter shall have no further liability for the Security Deposit. Rent is due, and must be received by Landlord, by the first day of every month, at address specified by Landlord. Landlord and its manager will not accept cash payments. Tenant agrees to pay by check, EFT, cashier's check, certified funds, or credit cards only.
- LANDLORD'S OBLIGATIONS.**
 - Landlord will furnish to Tenant at Landlord's expense:
 - water at those points of supply provided for the general use of tenants of the Building;
 - heated and refrigerated air conditioning in season, at such times and at such temperatures and in such amounts as reasonably necessary; service on

Sundays, Saturdays, and holidays are optional on the part of the Landlord;

- (3) janitorial and pest control services to the Premises on weekdays other than holidays and window washing as may be reasonably required;
- (4) passenger elevators for ingress to and egress from the Premises, in common with other tenants;
- (5) replacement of Building standard light fixtures; and
- (6) electric lighting for public areas and special service areas of the Building to the extent as mutually agreed upon to be considered reasonable.

(b) Landlord shall furnish electrical current required for normal office use of the Premises. Upon the Commencement Date of the Lease, and thereafter, Tenant shall pay its estimated prorata share, using the rentable square footage of the Premises and the total rentable square footage of the Building, of the actual cost incurred by Landlord of providing electricity to the Premises, the common areas of the Building and the Building ("Electricity Cost"). Tenant shall pay such estimated amount to Landlord in equal monthly installments, in advance on the first day of each month. Landlord shall have the right upon thirty (30) days written notice to Tenant, to revise the written estimate of Tenant's share of the projected Electricity Cost and Tenant shall pay such revised estimate amount to Landlord in equal monthly installments, in advance on the first day of each month. Within one hundred twenty (120) days after the end of each calendar year, Landlord shall furnish Tenant a statement indicating in reasonable detail the Electricity Cost for the preceding year and the parties shall, within thirty (30) days thereafter, make any payment or allowance necessary to adjust Tenant's estimated payments to Tenant's actual share of Electricity Cost as indicated by such annual statement. Any payment due to Landlord shall be payable by Tenant on demand from Landlord. Any amount due Tenant shall be credited against installments next becoming due.

(c) Failure to furnish, stoppage, or interruption of these services resulting from any cause beyond Landlord's control shall not render Landlord liable in any respect for damages to either person, property or business, or be construed as an eviction of Tenant, work an abatement of rent, or relieve Tenant from performance of its obligations. Should any equipment furnished by Landlord cease to function properly, Landlord shall use reasonable diligence to repair the same promptly. Landlord shall not be obligated to furnish these services if Tenant is in default under this Lease.

4. **IMPROVEMENTS.** Landlord leases to Tenant the space and improvements described in "Exhibit B" attached hereto, hereinafter referred to as the "Premises". All other improvements to the Premises shall be installed at Tenant's expense only in accordance with plans and specifications and by contractors approved, in writing, by Landlord.

5. **RELOCATION.** Upon consultation with Tenant, Landlord may relocate Tenant to space the same size or larger, and the Basic Rent shall remain the same regardless of the size of the new space. Tenant may terminate this Lease if it objects to the space being proposed for relocation. Landlord may also relocate or renovate common areas in its sole discretion, without any obligation to Tenant.

6. **USE OF PREMISES.** Tenant will use the Premises for office purposes only. Tenant shall not: permit more persons to use or occupy the Premises than is permitted under applicable codes, ordinances, statutes, regulations or other laws to occupy the premises at any time; use or occupy the Building for any purpose which is unlawful or dangerous; permit the maintenance of any nuisance, disturb the quiet enjoyment for all of the Building, emit offensive odors or conditions into other portions of the Building; sell, purchase, or give away, or permit the sale, purchase or gift of food in the Building, or use any apparatus which might create undue noise or vibrations. Tenant shall not permit anything to be done which would increase any insurance rates on the Building or its contents, and if there is any increase and Landlord conclusively establishes that the increase in insurance rates is directly related to the activity of Tenant, then Tenant agrees to pay such increase promptly upon demand therefor by Landlord; however, any such payment shall not waive Tenant's duty to comply with this Lease. Landlord and any agent thereof does not represent or warrant that the Premises or Building conforms to applicable restrictions, ordinances, requirements, or other matters that may relate to Tenant's intended use, or with respect to the presence on, in or near the Premises or Building of hazardous substances, biological matter (including, but not limited to, mold, mildew and fungi) or materials which are categorized as hazardous or toxic. Tenant accepts the Premises "as is." *Landlord does not make any representations as to the suitability, condition, layout, footage, expenses or operation of the Premises, except as specifically set forth herein, and tenant expressly acknowledges that no such representations have been made. Landlord makes no other warranties, express or implied, or merchantability, marketability, or fitness, and any implied warranties are hereby expressly disclaimed, to the extent allowed by law.* Tenant must satisfy itself that the Premises may be used as Tenant intends by independently investigating all matters related to its intended use. Tenant agrees the terms of the Lease, including its name, may be publicized in press releases and industry publications.

7. **TENANT'S OBLIGATIONS.** Tenant will not damage the Building and will pay the cost of repairing any damage done to the Building by Tenant or Tenant's agents, employees, or invitees. Tenant shall take good care of the Premises and keep them free of waste and nuisance. Tenant must immediately notify Landlord in writing of any water leaks, mold, electrical problems, malfunctioning lights, broken or missing locks, or any other condition that might pose a hazard to property, health, or safety. Tenant will keep the Premises and all fixtures in good condition and repair. If Tenant fails to make necessary repairs within fifteen (15) days after notice from Landlord, Landlord may, at its option, make such repairs and Tenant shall, upon demand, pay Landlord the cost thereof. At the end of the Term, Tenant shall deliver to Landlord the Premises and all improvements in the same condition as received, ordinary wear and tear excepted, and all keys to the Premises in Tenant's possession. Tenant will not make or allow to be made any alterations or physical additions in or to the Premises without prior written consent of Landlord. At the end of the Term, Tenant shall, if Landlord requires, remove all alterations, physical additions or improvements as directed by Landlord and restore the Premises to substantially the same condition as on the Commencement Date. All of Tenant's fixtures, and any personal property not removed from the Premises at the end of the Term, shall be presumed to have been abandoned by Tenant and shall become the property of the Landlord.

8. **INDEMNITY.** Tenant agrees to waive any governmental immunity with respect to any claim by Landlord against Tenant for Tenant's failure to fulfill the terms of this Lease. Notwithstanding the foregoing, it is understood that by execution of this Lease, Tenant does not waive or surrender any of its governmental powers or immunities related to torts.

9. **MORTGAGES.** Tenant accepts this Lease subordinate to any deeds of trust, mortgages or other security interests which might now or hereafter constitute a lien upon the Building or the Premises, and shall attorn to the lender thereunder, with such attornment to be effective upon lender's acquisition of the Building. Furthermore, such lender, as successor landlord, shall not be liable for any act, omission or obligation of any prior landlord, and lender shall have the option to reject such attornment. Tenant shall, upon request, execute such documents, including estoppel letters, as may be required for the purposes of subordinating or verifying this Lease.

10. **ASSIGNMENT; SUBLEASING.** Tenant shall not assign this Lease by operation of law or otherwise (including without limitation by transfer of stock merger, or dissolution), mortgage or pledge the same, or sublet the Premises or any part thereof, without prior written consent of Landlord, which may not be unreasonably withheld. Landlord's consent to an assignment or subletting shall not release Tenant from any obligation hereunder, and Landlord's consent shall be required for any subsequent assignment or subletting. If Tenant desires to assign or sublet the Premises, it shall so notify Landlord at least sixty (60) days in advance, and shall provide Landlord with a copy of the proposed assignment or sublease and any additional information requested to allow Landlord to make informed judgments as to the proposed transferee. After receipt of notice, Landlord may elect to: (i) Cancel the Lease as to the Premises or portion thereof proposed to be assigned or sublet; or (ii) Consent to the proposed assignment or sublease; and if the Rent and other consideration payable in respect thereof exceeds the Rent payable hereunder, Tenant shall pay to Landlord such excess within ten (10) days following receipt thereof by Tenant; or (iii) Withhold its consent, which shall be deemed to be elected unless Landlord gives Tenant written notice otherwise.

11. **EMINENT DOMAIN.** If the Premises are taken or condemned in whole or in part for public purposes or are sold under threat of condemnation, Landlord may terminate this Lease. Landlord shall be entitled to receive the entire award of any condemnation or the proceeds of any sale in lieu thereof.

12. **ACCESS.** Landlord and its agents may enter the Premises at any reasonable time upon reasonable prior notice (except in the case of an emergency) and if accompanied by Tenant's representative (except in the case of an emergency) to: inspect, supply janitorial or other services; show the Premises to prospective lenders, purchasers or tenants; alter, improve, or repair the Premises or the Building (including erecting scaffolding and other necessary structures where reasonably required by the character of the work to be performed). Landlord shall at all times have a key to the Premises. During an emergency, Landlord may use any means which it deems proper to open any door in an emergency without liability therefor. Landlord reserves the right to prevent access to or close the Building as reasonably necessary to protect the Building, its tenants, and visitors.

13. **CASUALTY.** If the Building should be totally destroyed by casualty or if the Premises or the Building be so damaged that Landlord determines that repairs cannot be completed within one hundred twenty (120) days after the date of such damage, either party may terminate this Lease. Landlord shall not be required to rebuild, repair, or replace any part of the furniture, equipment, fixtures, and other improvements which may have been placed by Tenant in the Premises. Any insurance which may be carried by Landlord or Tenant against loss or damage to the Building or the Premises shall be for the sole benefit of the party carrying such insurance.

14. **INTENTIONALLY DELETED.**

15. **HOLDING OVER.** Subject to further agreement of the parties for continued occupancy, if Tenant fails to vacate at the end of the Term, then Tenant shall be a tenant at will and subject to all terms and conditions of the Lease, and, in addition to all other damages and remedies to which Landlord may be entitled, Tenant shall pay, in addition to the other Rent, a daily Basic Rent, payable in full in advance each month, equal to the greater of: (a) twice the Basic Rent payable during the last month of the Term, or (b) the prevailing rental rate in the Building for similar space.
16. **TAXES ON TENANTS' PROPERTY.** Tenant shall be liable for all taxes levied or assessed against personal property or fixtures placed by Tenant in the Premises. If any such taxes are assessed against Landlord or Landlord's property, Landlord may pay the same, and Tenant shall upon demand, reimburse Landlord therefor. Any claim arising against Tenant by Landlord under this provision shall be assessed interest at fifteen percent (15%) per year until satisfied.
17. **INTENTIONALLY DELETED.**
18. **MECHANIC'S LIENS.** Tenant shall not permit any mechanic's or other liens to be filed against the Premises or the Building for any work performed, materials furnished or obligation incurred by or at the request of Tenant. Tenant shall, within thirty (30) days following the imposition of any such lien, cause it to be released or record by payment or posting of a proper bond, failing which Landlord may cause it to be released, and Tenant shall immediately reimburse Landlord for all costs incurred in connection therewith. The Tenant's obligations under this section shall survive any termination of or default under the Lease.
19. **EVENTS OF DEFAULT.** Any of the following shall constitute an event of default ("Event of Default") hereunder:
- Any failure by Tenant to pay the Rent when due. Landlord shall not be required to provide Tenant with notice of failure to pay Rent.
 - Any failure by Tenant to observe and perform any provision of this Lease, other than the payment of Rent, that continues for fifteen (15) days after notice to Tenant of such failure.
 - Tenant or any guarantor of Tenant's obligations hereunder: (1) being unable to meet its obligations as they become due, or being declared insolvent according to any law, (2) having its property assigned for the benefit of its creditors, (3) having a receiver or trustee appointed for itself or its property, (4) having its interest under this Lease levied on under legal process, (5) having any petition filed or other action taken to reorganize or modify its debts or obligations, or (6) having any petition filed or other action taken to reorganize or modify its capital structure if either Tenant or such guarantor is a corporation or other entity.
 - The abandonment of the Premises by Tenant (which shall be conclusively presumed if Tenant is absent from the Premises for ten (10) consecutive days and is late on any payment due Landlord).
 - Any failure by Landlord to observe and perform any of its Obligations under Section 3 that continues for thirty (30) days after notice to Landlord of such failure.
20. **REMEDIES.** Upon an Event of Default by Landlord, after applicable notice and cure periods, Tenant may terminate this Lease and exercise all or rights and remedies afforded Tenant by law or equity. Upon an Event of Default by Tenant, Landlord may, in addition to all other rights and remedies afforded Landlord hereunder or by law or equity, take any of the following actions:
- Terminate this Lease by written notice to Tenant, in which event Tenant shall immediately surrender the Premises. If Tenant fails to surrender the Premises, Landlord may, without prejudice to any other remedy, enter and take possession of the Premises or any part thereof by changing the door locks or by any other means reasonably necessary. If this Lease is terminated hereunder, Tenant shall pay to Landlord: (1) all Rent accrued through the date of termination, (2) all amounts due under Section 21, (3) any unamortized commission paid by Landlord in connection with the Lease, and (4) an amount equal to: (A) the total Rent that Tenant would have been required to pay for the remainder of the Term discounted to present value at a per annum rate equal to the interest rate on one-year Treasury bills as published on the nearest date this lease is terminated by the Wall Street Journal, Southwest Edition, minus (B) the then present fair rental value of the Premises for such period, similarly discounted.
 - Terminate Tenant's right to possession of the Premises without terminating this Lease by written notice to Tenant, in which event Tenant shall immediately surrender the Premises. If Tenant fails to surrender the Premises, Landlord may, without prejudice to any other remedy, enter upon and take possession of the Premises and expel or remove Tenant and any other person who may be occupying the Premises or any part thereof by changing the door locks or by any other means reasonably necessary. If Tenant's right to possession of the Premises is so terminated, Tenant shall pay to Landlord: (1) all Rent to the date of termination of possession, (2) all amounts due from time to time under Section 21, (3) any unamortized commission paid by Landlord in connection with the Lease, and (4) all Rent required hereunder to be paid by Tenant during the remainder of the Term, minus any net sums thereafter received by Landlord through reletting the Premises during such period. Landlord shall use commercially reasonable efforts to relet the Premises on such terms and conditions as Landlord, in its sole discretion, may determine (including a term different from the Term, rental concessions, and alterations to, and improvement of, the Premises); however, Landlord shall not be obligated to relet the Premises before leasing other portions of the Building. Landlord will conclusively be deemed to have used "commercially reasonable efforts to relet the Premises if Landlord lists the Premises with a real estate broker or agent and considers all written proposals for such space made by such broker or agent. Landlord shall not be liable for, nor shall Tenant's obligations be diminished because of, Landlord's failure to relet the Premises or to collect rent due for such reletting, after using such commercially reasonable efforts to relet. Tenant shall not be entitled to any excess obtained by reletting over the Rent due hereunder. Reentry by Landlord shall not affect Tenant's obligations for the unexpired Term; rather, Landlord may, from time to time, bring action against Tenant to collect amounts due by Tenant, without the necessity of Landlord's waiting until the expiration of the Term. Unless Landlord delivers written notice to Tenant expressly stating that it has elected to terminate this Lease, all actions taken by Landlord to exclude or dispossess Tenant of the Premises shall be deemed to be taken under this Section 20.(b). If Landlord elects to proceed under this Section 20.(b), it may at any time elect to terminate this Lease under Section 20.(a).
 - Change the door locks and deny Tenant access to the Premises until such Event of Default is cured.
 - Enter the Premises without being liable for prosecution or any claim for damages and do whatever Tenant is obligated to do under the terms of this Lease. Tenant agrees to reimburse Landlord on demand for any expenses which Landlord may incur in so doing. Tenant further agrees that Landlord shall not be liable for any damages resulting to the Tenant from such action.
 - Tenant expressly waives notice as to the disposal of any property in the Premises as of default, lockout or termination, which has not claimed or redeemed within thirty (30) days.
21. **PAYMENT BY TENANT.** Upon any Event of Default by Tenant, Tenant shall pay to Landlord all costs incurred by Landlord (excluding court costs and reasonable attorneys' fees) in (a) obtaining possession of the Premises, (b) removing and storing Tenant's or any other occupants' property, (c) repairing, restoring, altering, remodeling or otherwise putting the Premises into same condition as received, ordinary wear and tear excepted, (d) if Tenant is dispossessed of the Premises and this Lease is not terminated, reletting all or any part of the Premises (including brokerage commissions, costs of tenant finish work, and all other costs incidental to such reletting). After any default in payment by Tenant (i.e. late payment, a returned check or reversed credit card charge), the Landlord may require that Tenant make future payments by certified check, cashier's check, or money order, for so long as the Landlord may reasonably require.
22. **LANDLORD'S LIABILITY.** The liability of Landlord to Tenant for any default by Landlord under the terms of this Lease shall be limited to Tenant's actual direct, but not consequential, damages therefor and shall be recoverable from the interest of Landlord in the Building, and Landlord shall not be personally liable for any deficiency. Landlord's reservation of rights under this Lease, such as to enter upon or maintain the Premises, shall not be deemed to create any duty on the part of Landlord to exercise any such right. Landlord expressly advises Tenant that Landlord's intention is that Tenant shall have full responsibility for, and shall assume all risk to, persons and property while in, on or about the Premises.
23. **SURRENDER OF PREMISES.** No act of Landlord or its agents during the Term shall be deemed as acceptance of surrender of the Premises. No agreement to accept surrender of the Premises shall be valid unless the same is in writing and signed by the Landlord.
24. **ATTORNEYS FEES.** If a party employs an attorney to interpret, enforce or defend any of its rights or remedies hereunder, the prevailing party in a dispute shall be entitled to recover payment of its reasonable and necessary attorney's fees incurred in such dispute as permitted by Chapter 271 of the Texas Local Government Code.
25. **FORCE MAJEURE.** Whenever a period of time is prescribed for action to be taken by Landlord, Landlord shall not be liable or responsible for, and there shall be excluded from the computation for any such period of time, any delays due to strikes, riots, acts of God, shortages of labor or materials, war, governmental laws, regulations, or restrictions, or any other causes of any kind whatsoever which are beyond the control of the Landlord.
26. **GOVERNMENTAL REGULATIONS.** Tenant will comply with all laws, ordinances, orders, rules and regulations of all governmental agencies having jurisdiction over the Premises with reference to the use, construction, condition or occupancy of the Premises. Tenant agrees that any cabling installed by or for its use during its occupancy shall meet the requirements of all applicable national and local fire and safety codes.
27. **APPLICABLE LAW.** This Lease shall be governed by and construed pursuant to the laws of the state in which the Building is located.
28. **SUCCESSORS AND ASSIGNS.** Except as otherwise provided in this Lease, all of the covenants, conditions and provisions of this Lease shall be

binding upon and shall inure to the benefit of the parties hereto and their respective heirs, successors, and assigns.

29. **SEVERABILITY.** If any provision of this Lease or the application thereof to any person or circumstances shall be invalid or unenforceable to any extent, the remainder of this Lease and the application of such provisions to other persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

30. **NAME.** Tenant shall not, without the written consent of Landlord, use the name of the Building for any purpose other than as the address of the business to be conducted by Tenant in the Premises, and in no event shall Tenant acquire any rights in or to such names.

31. **NOTICES.** Any notice or document required to be delivered hereunder shall be deemed to be delivered whether or not actually received, when deposited in the United States mail, postage prepaid, certified or registered mail, addressed to the parties hereto at their respective addresses set forth above, or when sent by facsimile transmission to the respective numbers set forth above, or delivered to Tenant's place of business in the Building, and when sent or delivered by Landlord or his representative, including its Management company for the Building.

32. **DEFINED TERMS AND MARGINAL HEADINGS.** The words "Landlord" and "Tenant" as used herein shall include the plural as well as the singular. If more than one person is named as Tenant, the obligations of such persons are joint and several. The headings and titles to the sections of this Lease are not part of this Lease and shall have no effect upon the construction or interpretation of any part thereof. Captions contained herein are for the convenience of reference only and in no way limit or enlarge the terms or conditions of this Lease.

33. **AUTHORITY; EXECUTION; ELECTRONIC FILES.** If Tenant executes this Lease as a corporation or other entity, each of the persons executing this Lease on behalf of Tenant personally covenants and warrants that Tenant is duly authorized and validly existing, that Tenant is qualified to do business in the state in which the Building is located, that Tenant has full right and authority to enter into this Lease, and that each person signing on behalf of Tenant is authorized to do so. In the event Tenant provides an email address to Landlord, Tenant agrees that Landlord, its representative and agents may contact Tenant via the address, and deliver marketing information and other announcements to such address(es). The Lease may be executed by the parties in multiple counterparts, which together shall have the full force and effect of a fully executed agreement between the parties. Electronic signatures by either party are valid, and Tenant agrees that the Lease and related documents and records may be created, kept and transmitted as electronic files only.

34. **LIQUIDATED DAMAGES.** If the Premises are not ready for occupancy by the Commencement Date, unless delayed by Tenant for any reason, the Basic Rent shall not commence until the Premises are ready for occupancy by Tenant. Such allowance for Basic Rent shall be in full settlement for any claim which Tenant might otherwise have by reason of the Premises not being ready for occupancy.

35. **INTEGRATED AGREEMENT.** This Lease contains the entire agreement of the parties with respect to any matter covered or mentioned in this Lease. No prior agreement, understanding or representation pertaining to any such matter shall be effective for any purpose. No provision of this Lease may be amended or added to except by an agreement in writing signed by the parties or their respective successors in interest.

36. **LATE FEE.** If Rent is not received by Landlord on or before the fifth (5th) day of any month, Tenant shall pay immediately upon written notice from Landlord a late fee equal to fifteen percent (15%) of the cumulative amount of Rent due, including Basic Rent and all other amounts payable by Tenant under this Lease, including any charges and previously assessed late fees. Failure by Tenant to make immediate payment of the delinquent Rent plus the late fee shall constitute an Event of Default by Tenant. This provision, expressly, does not relieve the Tenant's obligation to pay Rent on the first of each month and is not a waiver by the Landlord to require payment on the first day of each month.

37. **INTENTIONALLY DELETED.**

38. **INSURANCE.** Tenant will hold harmless Landlord from and against any loss, theft, damage or liability relating to any Event of Default or any willful or negligent act on the part of Tenant, its agents, employees, or invitees, or persons permitted on the Premises by Tenant. Tenant agrees to maintain, at Tenant's sole cost and expense, insurance policies covering Tenant's use and occupancy of the Premises, as well as coverage for theft and damage. Such policies shall be issued in the name of Tenant and Landlord as their interest may appear, or shall contain an "additional insured" endorsement in favor of Landlord, and with limits of liability of at least ONE MILLION DOLLARS (\$1,000,000.00) per occurrence with TWO MILLION DOLLARS (\$2,000,000.00) aggregate for bodily injury and TWO HUNDRED THOUSAND DOLLARS (\$200,000.00) per occurrence for property damage. Duplicate originals of such policies and endorsements shall be delivered to Landlord within thirty (30) days from the execution date hereof. This indemnity and waiver obligation shall survive the termination or expiration of the Lease.

39. **INTENTIONALLY DELETED.**

40. **RULES.** Tenant shall abide by attached Building Rules and Regulations "Rules-1", which are incorporated herein by reference, and which may be reasonably changed or amended, at any time, by Landlord to promote a safe, orderly and professional Building environment.

41. **PARKING.** Tenant and all Tenants' employees shall comply with all municipal, subdivisional or other restrictive covenants imposed on Landlord. Vehicles shall be towed at owner's expense for any of the following violations: (a) parking in any area other than as specifically designated by Landlord; or (b) lack of a properly displayed parking permit, if issued by Landlord; or (c) parking across stripes marking the parking spaces. Landlord may designate the specific space or area in which vehicles shall be parked and may change the same from time to time. Landlord may make, modify, or enforce rules and regulations relating to the parking of vehicles, and Tenant hereby agrees to obey such rules and regulations. Tenant shall only use a prorata share of parking spaces as designated by Landlord. In the event the Building does not possess parking, Landlord shall not be responsible for providing parking.

42. **ADDITIONAL PROVISIONS DUE TO FEDERAL FUNDING.** Landlord understands and acknowledges that this Lease may be totally or partially funded with federal and or state funds. As a condition of receiving these funds, Landlord represents that it is and will remain in compliance with all federal and or state terms as stated below. These terms flow down to all third party vendors and their subcontracts at every tier that exceed the simplified acquisition threshold, unless a particular award term or condition specifically indicates otherwise. Landlord shall require that these clauses shall be included in each covered transaction at any tier. Landlord will require all of their staff to comply with Federal documentation requirements administered by Tenant.

- (a) Americans with Disabilities Act (ADA) – Landlord shall comply with all federal, state, County, and local laws concerning this type of products/service/equipment/project and the fulfillment of all ADA requirements.
- (b) Drug-Free Workplace – Landlord shall provide any and all notices as may be required under the Drug-Free Workplace Act of 1988, 28 CFR Part 67, Subpart F, to their employees and all sub-contractors to insure that the Tenant maintains a drug-free workplace.
- (c) Energy Policy and Conservation Act – Landlord agrees to comply with the Energy Policy and Conservation Act (42 U.S.C. Section 6201).
- (d) Debarment and Suspension –

Information about Brokerage Services

Before working with a real estate broker, you should know that the duties of a broker depend on whom the broker represents. If you are a prospective seller or landlord (owner) or a prospective buyer or tenant (buyer), you should know that the broker who lists the property for sale or lease is the owner's agent. A broker who acts as a subagent represents the owner in cooperation with the listing broker. A broker who acts as a buyer's agent represents the buyer. A broker may act as an intermediary between the parties if the parties consent in writing. A broker can assist you in locating a property, preparing a contract or lease, or obtaining financing without representing you. A broker is obligated by law to treat you honestly.

IF THE BROKER REPRESENTS THE OWNER:

The broker becomes the owner's agent by entering into an agreement with the owner, usually through a written listing agreement, or by agreeing to act as a subagent by accepting an offer of subagency from the listing broker. A subagent may work in a different real estate office. A listing broker or subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first. The buyer should not tell the owner's agent anything the buyer would not want the owner to know because an owner's agent must disclose to the owner any material information known to the agent.

IF THE BROKER REPRESENTS THE BUYER:

The broker becomes the buyer's agent by entering into an agreement to represent the buyer, usually through a written buyer representation agreement. A buyer's agent can assist the owner but does not represent the owner and must place the interests of the buyer first. The owner should not tell a buyer's agent anything the owner would not want the buyer to know because a buyer's agent must disclose to the buyer any material information known to the agent.

IF THE BROKER ACTS AS AN INTERMEDIARY:

A broker may act as an intermediary between the parties if the broker complies with The Texas Real Estate License Act. The broker must obtain the written consent of each party to the transaction to act as an intermediary. The written consent must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. The broker is required to treat each party honestly and fairly and to comply with The Texas Real Estate License Act. A broker who acts as an intermediary in a transaction: (1) shall treat all parties honestly; (2) may not disclose that the owner will accept a price less than the asking price unless authorized in writing to do so by the owner; (3) may not disclose that the buyer will pay a price greater than the price submitted in a written offer unless authorized in writing to do so by the buyer; and (4) may not disclose any confidential information or any information that a party specifically instructs the broker in writing not to disclose unless authorized in writing to disclose the information or required to do so by The Texas Real Estate License Act or a court order or if the information materially relates to the condition of the property. With the parties' consent, a broker acting as an intermediary between the parties may appoint a person who is licensed under The Texas Real Estate License Act and associated with the broker to communicate with and carry out instructions of one party and another person who is licensed under that Act and associated with the broker to communicate with and carry out instructions of the other party. If you choose to have a broker represent you, you should enter into a written agreement with the broker that clearly establishes the broker's obligations and your obligations. The agreement should state how and by whom the broker will be paid. You have the right to choose the type of representation, if any, you wish to receive. Your payment of a fee to a broker does not necessarily establish that the broker represents you. If you have any questions regarding the duties and responsibilities of the broker, you should resolve those questions before proceeding.

TENANT NOTIFICATION

The City of Houston recently passed an amendment to the existing City Smoking Ordinance. In order to comply with the ordinance, the Landlord is responsible for notifying you, our valued tenant, about what this means for you. Here is a synopsis of what the ordinance requires.

Effective November 26, 2002:

- Smoking is not allowed within 25 feet of any building entrance, interior or exterior.
- Smoking is not allowed in the building. This includes inside of the individual tenant suites and any of the tenant offices.

An exception to the City Ordinance occurs if the following ventilation requirements are met:

The "exception area", or other exempt areas within a building, must have either a) a completely separate ventilation system from the building system, or b) a system that provides an air exchange at least every 15 minutes, and exhausts all exchanged air through ductwork directly to the exterior of the building. The exhausted air cannot be drawn into any occupied non-smoking area of the building. The ventilation system must be designed so that the air pressure where smoking is allowed is neutral to any adjacent occupied non-smoking area. The cost to install any such "exception area" is solely at the tenant's expense.

The amended ordinance also requires that each employer must adopt, implement and maintain a written employee smoking policy. The policy must accommodate the preference of non-smoking employees to work in a smoke free environment. A written copy of the policy must be provided to your employees within three weeks of the adoption of the policy. A written copy of the policy must be provided to all new employees at the inception of their employment.

The ordinance is enforced by the City of Houston, Department of Health & Human Services Bureau of Occupational Health. Concerns or complaints should be directed to that office.

We anticipate and appreciate your cooperation in complying with the new ordinance.
