AUTOMOBILE: Chevy Trailblazer

CCM
01/05/2021
item # 5A

By BARBARA FULENWIDER
From the L at \$19,000 to the \$21,600 LS and LT at \$23,700 every Trailblazer meets its mark.

From the L, \$19,000 the miles per gallon in city driving go up to 29 and 33 on the highway. It has 10 air bags, 54.4 cu. ft., seats up to 5 and has available all wheel drive.

The Chevy price you pay is what all pay and not a cent more. Employee discounts meet up at \$1,835. The all new 2021 Trailblazer is bold, spacious and has the technology and capability. It also has multiple trims to choose from and style options.

Striking style gets noticed about this SUV. It has a sculpted design and bold proportions. The standard two-tone roof on ACTIV and RS set you apart from other vehicles on the road.

The Trailblazer offers the versatility needed to keep everyone comfortable and things in place. The surprisingly spacious interior has a versatile center console to keep items in easy reach while passengers stay comfortable with best-in-class rear-seat leg room.

Rear vision camera is standard along with teen driver technology and rear seat reminder.

Whether driving in snow or all sport drive modes the Trailblazer has the efficiency to take all where ever. Whether in town or in another town the Trailblazer is an efficient drive. The traction needed is normal, all-wheel drive and sport. The max torque goes to 174-hp.

For the first time ever you can get Alexa. It is built into the vehicle and can stream music, add to an Amazon

shopping list and even connect with our smart home devices.

The Trailblazer is not only a looker it comes with Chevy Safety Assist and additional safety and driver assistance features. The driver is to always remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions can affect future performance so read the owner manual.

Other options on the Trailblazer include forward collision alert and automatic emergency braking. A collision that provides a tailgate alert is usual one that is following another vehicle too closely.

When traveling with speeds below 50 mph in the daytime, the system works with forward collision alert to reduce the severity of front end collision

with a detected vehicle you are following.

Camera technology automatically provides hard emergency braking to enhance the drivers hard braking.

- Can warn you when it detects a potential front-end collision with a vehicle you're following so you can quickly take action
- Also can provide a tailgating alert if you are following a detected vehicle much too closely
- When traveling at speeds below 50 mph in the daytime, the system works with Forward Collision Alert to help you avoid or reduce the severity of a front-end collision with a detected vehicle you're following
- Camera technology is used to automatically provide hard emergency braking or enhance the driver's hard braking.

Suburban Houston - Fort Bend Alumnae Chapter of receives 8 awards

Suburban Houston - Fort Bend Alumnae Chapter (SHFBAC) of Delta Sigma Theta Sorority, Incorporated (1913) received 8 outstanding awards at their recent 47th Southwest Regional Inaugural Virtual Conference.

Sugar Land 101 Class Applications Available

The city of Sugar Land is accepting applications through Dec. 22 for the next Sugar Land 101 class scheduled to be held virtually in January through March 2021.

Sugar Land 101 participants learn about city operations from Sugar Land's top managers. The class also includes a leadership development component as well as virtual tours of city facilities.

Those applying for Sugar Land 101 must be a resident of Sugar Land for at least one year, a registered voter, over 21 years of age, not currently holding or running for elected office and willing to attend the 7-week session.

For more information about Sugar Land 101, visit www.sugarlandtx.gov/SL101 and to submit your application, visit <https://volunteer.sugarlandtx.gov/>.

City of Rosenberg to Distribute Free PPE Kits on Saturday, Dec. 12

The City of Rosenberg will be distributing free Personal Protective Equipment (PPE) kits in a no contact, drive-thru event on Saturday, Dec. 12 from 8 a.m. to 2 p.m. at the Rosenberg Civic Center, located at 3825 Hwy 36 S. The kits are available on a first-come, first-served basis while supplies last. A maximum of four kits will be distributed to each car. Each PPE kit will contain a pack of masks, one bottle of hand sanitizer, one bottle of hand soap and one pack of wipes.

Vehicles are asked to enter the distribution line at the Seabourne Creek Nature Park. Front gate entrance located next to the Rosenberg Civic Center on Highway 36. City staff will be on site to direct vehicles where to go. Attendees will remain in their vehicles for the no contact distribution and City staff will place the bags inside your vehicle.

The PPE kits are provided free of charge thanks to Fort Bend County Commissioners Court. For more information or questions about the distribution, please call Citizens Relations at 832-594-5301.
