4. Public Comments regarding the Agenda and Announcements.

Beatrice Galan, HR Generalist for Training announced an upcoming development session, for the employees of Fort Bend County, which will be on the topic of Unconscious Bias and will be held on February 24, 2021.

Dr. Jacquelyn Minter, Director of Health and Human Services gave an update on the COVID vaccine distribution in Fort Bend County. As of yesterday, there are 46,775 laboratory confirmed cases for COVID-19, 38,603 have recovered and 455 people have lost their lives from complications of COVID-19. Dr. Minter stated we are encouraged we have passed the peak in the growth of cases and are seeing a sustained downward trend. The average new cases are still higher than our summer surge, however the County has experienced a 22% decrease in the past weeks. The consistent decrease in cases and hospitalization is being seen throughout the region. According to the Department of State Health Services, there have been over 70,000 first doses of vaccines administered in Fort Bend County since December. This includes all the providers in Fort Bend, including our private and public partners. Over 25,000 people have received first and/or second doses of vaccine at Fort Bend County operated sites. Dr. Minter stated that getting vaccinated is the major part of getting us back to where we want to be. While we wait for the supply to meet demand, she encourages everyone to continue to wear a mask and distance until enough people are vaccinated.

There were three public comments.

Vishalaxi Magdum, 5018 Tramonte Trail spoke on Item 24G, providing day shelter and rapid re-housing through the emergency solutions grants program COVID-19. Ms. Magdum questioned the necessity for the facilities, asked about the application for the funds and asked if this item is in preparation of pandemic II, which may require more mask wearing.

Bonnie Anderson, 27722 Cold Spring Trace spoke on Item 12B, the roof replacement on Bob Lutts Library. Ms. Anderson went on to speak about why libraries are important to a healthy community. (Judge George interrupted Ms. Anderson, due to Ms. Anderson not speaking on topic for the agenda item. The court moved to the next speaker.)

Surekha Patil, 1020 Brand Lane, Stafford spoke on Item 24G the rental program for the COVID assistance and feels it is not required. Ms. Patil spoke on what the government in India is doing for COVID testing. (Judge George interrupted Ms. Patil and asked that she speak about the agenda item. Ms. Patil continued to speak and was stopped due to not speaking on topic of the agenda item.)

Item 4 continued - Public Comments:

Commissioner Meyers stated he was unaware that public comment applications had to be in before 10:00 AM the day of the meeting. A Precinct 3 constituent was denied his participation form and asked Commissioner Meyers to read into the record his comments. Commissioner will bring forward to the court a more specific plan with regard to public comments that comply with state law and with desire of residents to speak on behalf of issues being taken up by the County's Commissioners court. Commissioner Meyers read Mr. Wes Noonan, Precinct 3, Katy, TX comments regarding Items 28B and 29B, Mr. Noonan is concerned about the EpiCenter Complex. He brought to the court's attention the fact that Harris County is currently going through another repeated survey with the Astrodome and believes the County does not need to put a similar burden for a long term financial commitment to an entertainment complex. If taxpayer's money will be spent on this type of deal, then the taxpayers need to have a direct vote on the issue and the court needs to respect the will of the taxpayers. Harris County is not doing that and is the reason they have this debacle with the Astrodome building. Mr. Noonan believes the Commissioners Court needs to be transparent on this proceeding and have a public discussion. He does not want to be like Harris County in wasting millions of dollars of saddling future generations on a project we know nothing about. Mr. Noonan is respectfully asking Commissioners Court to hold transparent and full discussions on this moving forward.

Commissioner Prestage announced on the January 22, 2021 meeting of the Transportation Policy Council of the Houston- Galveston Area Council, he was elected Secretary of the Board. This puts him in the leadership hierarchy of this important group which helps determine where Federal Transit and highway funds are spent. Commissioner will make sure that transportation prices around the region are distributed fairly and effectively.
