5.0 CONTRACT TERMS AND CONDITIONS

These Contract Terms and Conditions are part of the final contract in each product and/or service contract awarded as a result of this CSP and are part of the terms and conditions of each Purchase Order, Job Order, or proposal forms issued in connection with this CSP. Vendors are responsible for identifying any exceptions to these terms and conditions. **ANY EXCEPTIONS MUST BE NOTED DIRECTLY BELOW EACH OF THE RESPECTIVE TERMS AND CONDITIONS.** Proposals that are qualified with conditional clauses, items not called for, or other irregularities may be considered non-responsive by HCDE/CP and eliminated from further consideration.

**CONTRACT BETWEEN
HARRIS COUNTY DEPARTMENT OF EDUCATION AND
HVAC Mechanical Services of Texas, Ltd dba Hunton Services (“VENDOR”)
FOR
IDIQ Heating, Ventilating, and Air Conditioning (HVAC)**

This Contract is entered into between HCDE/CP and Vendor, having submitted a proposal in response to this CSP issued by HCDE/CP and whose proposal has been accepted and awarded by HCDE. In consideration of the mutual covenants and conditions contained in this Contract and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, HCDE/CP and Vendor, intending to be legally bound, and subject to the terms, conditions, and provisions of this Contract, agree as follows:

5.1. Definitions

The terms used in this Contract shall have the meanings assigned to them in **Section 1.0 Notice of Intent** of the CSP.

5.2. Use of Contract by CP members

Vendor agrees and understands that this CSP and Contract may be used to accomplish work for HCDE/CP, a local governmental entity. Vendor further agrees and understands that this CSP and Contract may also be utilized by CP members pursuant to the piggyback method, as contemplated in the U.S. Department of Agriculture Memorandum SP 35-2012, *Procuring Services of Purchasing Cooperatives, Group Purchasing Organizations, Group Buying Organizations, etc.* (“SP 35-2012). Vendor agrees and understands that CP members include “school food authorities,” as that term is used in SP 35-2012.

5.3. Contract Terms; Amendment

The terms and conditions of this Contract shall govern all procurements conducted hereunder. No pre-published terms on Vendor’s Purchase Order, acknowledgments, invoices, or other forms shall have any force or effect unless expressly agreed to by the CP member and Vendor. No amendment of this Contract shall be permitted unless and until first approved in writing by HCDE/CP and, if necessary, the CP member(s), and no such amendment shall have any effect unless and until a written amendment to this Contract is executed by the HCDE Superintendent or his designee after any necessary approvals have been obtained from the HCDE Board of Trustees. In the event that a Vendor has an existing HCDE/CP contract in the same contract title, upon award the new contract will immediately supersede the older contract.

5.4. Term of Contract; Renewal of Contract

The initial term of this Contract is for a period of one (1) year, with HCDE/CP having the option to renew the Contract for three (3) additional one-year terms, at HCDE’s sole discretion, unless otherwise specified in **Section 6.0 Scope of Proposal**. Consequently, the total term of the Contract may be for a period of **four (4)** years. The phrase “Term” in this Contract shall mean the then-current Term of the Contract, whether an initial term or a renewal term.

5.5. Termination of Contract; Survival

This Contract shall remain in effect until (1) the Contract expires by its terms or (2) the Contract is terminated by mutual consent of HCDE/CP and Vendor. All Supplemental Contracts, purchase orders, and/or orders for goods or services issued by HCDE and/or CP members and accepted by Vendor shall survive the expiration or termination of this Contract. During the term of any Supplemental Contract entered into

between Vendor and a CP member, all terms of this Contract shall continue to apply to the Supplemental Contract.

In the event of a breach or default of the Contract and/or the CSP by Vendor, HCDE/CP reserves the right to enforce the performance of the Contract in any manner prescribed by law or deemed to be in the best interest of HCDE/CP and/or CP members. HCDE/CP further reserves the right to terminate the Contract immediately in the event Vendor fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the CSP, this Contract, and/or a Purchase Order; (2) make any payments owed; or (3) otherwise perform in accordance with this Contract and/or the CSP. HCDE/CP also reserves the right to terminate the Contract immediately, with written notice to Vendor, if HCDE/CP believes, in its sole discretion that it is in the best interest of HCDE/CP and/or CP members to do so.

In the event that a material change to the terms of the Contract occurs, then the Contract shall be allowed to expire and shall not be renewed upon the conclusion of the Contract's term. The phrase "material change" in this paragraph shall mean a modification that substantially exceeds the terms of the original contract between HCDE/CP and Vendor. Upon the expiration of the Contract's term, HCDE/CP may issue a new CSP for the goods or services procured under the previous contract.

Vendor agrees that HCDE/CP shall not be liable for damages in the event that HCDE/CP declares Vendor to be in default or breach of this Contract and/or the CSP. Vendor further agrees that upon termination of the Contract for any reason, Vendor shall, in good faith and with reasonable cooperation, aid in the transition to any new arrangement and/or Vendor.

5.6. Prevailing Wage Rates

Vendor and all subcontractors of Vendor shall comply with all laws regarding prevailing wage rates, including, but not limited to, TEX. GOV'T. CODE Chapter 2258, applicable to the construction of a public work, and any related federal requirements, including the DAVIS-BACON ACT. In the event TEX. GOV'T. CODE Chapter 2258 applies to a product or service provided by Vendor to HCDE/CP or a CP member, Vendor and any subcontractor(s) shall comply with the prevailing wage rates set by HCDE/CP or the CP member.

5.7. Change Orders

Pursuant to TEX. EDUC. CODE § 44.0411(a), for HCDE/CP and CP members that are Texas school districts, if a change in plans or specifications is necessary after the performance of a Purchase Order or Job Order has begun or if it is necessary to decrease or increase the quantity of work to be performed or of materials, equipment, or supplies to be furnished, the CP member may approve change orders making the changes. The total Purchase Order or Job Order price may not be increased because of the changes unless additional money for increased costs is approved for that purpose from available money or is provided for by the authorization of the issuance of time warrants. The CP member may grant general authority to an administrative official to approve the change orders. A Purchase Order or Job Order with an original contract price of \$1 million or more may not be increased under TEX. EDUC. CODE § 44.0411(a) by more than 25 percent. If a change order for a Purchase Order or Job Order with an original contract price of less than \$1 million increases the contract amount to \$1 million or more, the total of the subsequent change orders may not increase the revised contract amount by more than 25 percent of the original contract price.

5.8. Compliance with Laws

Vendor shall comply with all applicable federal, state, and local laws, statutes, ordinances, standards, orders, rules, and regulations, including, as applicable, workers' compensation laws; minimum and maximum salary and wage statutes and regulations; prompt payment and licensing laws and regulations; anti-discrimination statutes and regulations (Title VI of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; Title 7 C.F.R. Parts 15, 15a, and 15b; the Americans with Disabilities Act; and FNS Instruction 113-1, Civil Rights Compliance and Enforcement—Nutrition Programs and Activities); the Davis-Bacon Act (40 U.S.C. § 276a / 29 CFR Part 5); the Copeland "Anti-Kickback" Act (18 U.S.C. § 874 / 29 CFR Part 5); the Equal Opportunity Employment requirements (Executive Orders 11246 and 11375 / 41 CFR Chapter 60); the McNamara-O'Hara Service Contract Act (41 U.S.C. 351); Section 306 of the Clean Air Act (42 U.S.C. § 1857h); Section 508 of the Clean Water Act (33 U.S.C. §

1368); Executive Order 11738, Environmental Protection Agency regulations (40 CFR Part 15); the Contract Work Hours and Safety Act (40 U.S.C. § 3701-3708; 29 C.F.R. Part 5; the Solid Waste Disposal Act (Section 6002 as amended by the Resource Conservation and Recovery Act for procuring solid waste management services in a manner that maximizes energy and resource recovery when contract amount is in excess of \$10,000); the Education Department General Administrative Regulations (“EDGAR”) (2 C.F.R. Part 200); mandatory standards and policies contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871); and all applicable requirements and regulations, including those related to reporting, patent rights, copyrights, data rights, and those mandated by federal agencies making awards of federal funds to HCDE/CP and/or CP members, including, without limitation, the U.S. Department of Agriculture and/or Texas Department of Agriculture. Vendor understands that Vendor is ineligible to receive a contract award with HCDE/CP if Vendor or its principal(s) is listed on the government wide exclusions in the System for Award Management (Debarment and Suspension Orders Executive Orders 12549 and 12689) or is 30 days or more delinquent in paying child support (Tex. Fam. Code § 231.006). For the entire duration of this Contract, Vendor and all subcontractors shall maintain all required licenses, certifications, permits, and any other documentation necessary to perform this Contract. All permits will be acquired by Vendor and invoiced to the CP member at cost as part of the Purchase Order, unless the permits are provided by the CP member. For the entire duration of this Contract, Vendor and all subcontractors shall also comply with all requirements pertaining to local, state, or federal health and safety certifications, licensing, or regulations. Vendor must comply with all state and local building code requirements unless otherwise specifically provided in the CP member’s Purchase Order, and Vendor must pay all fees and charges for connections to outside services and for use of property outside the project site. The states of individual CP members may have regulations and laws that govern payment retention and progress payments for public projects. Vendor is responsible for being acquainted with and complying with each state’s requirements. When required or requested by HCDE/CP or a CP member, Vendor shall furnish HCDE/CP and/or the CP member with satisfactory proof of Vendor’s compliance with this provision.

5.9. **Confidentiality**

Vendor and HCDE/CP agree to secure the confidentiality of all information and records in accordance with applicable federal and state laws, rules, and regulations. Vendor and HCDE/CP understand that the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, governs the privacy and security of educational records and information and agree to abide by FERPA rules and regulations, as applicable. Vendor also acknowledges that HCDE/CP and numerous CP members are subject to the Texas Public Information Act, and Vendor waives any claim against and releases from liability HCDE/CP and CP members, their respective officers, employees, agents, and attorneys with respect to disclosure of information provided under or in this Contract or otherwise created, assembled, maintained, or held by Vendor, HCDE, or a CP member and determined by HCDE/CP or the CP member, the Attorney General of Texas, or a court of law to be subject to disclosure under the Texas Public Information Act.

5.10. **Performance and Payment Bonds**

Vendor agrees to provide performance bonds and/or payment bonds as required by law, based on the amount or estimated amount of any Purchase Order or Job Order for a public work contract, which is defined as a contract for constructing, altering, or repairing a public building or carrying out or completing any public work. TEX. GOV’T. CODE §§ 2253.001(4); 22269.411. Pursuant to TEX. GOV’T. CODE § 2253.021, a performance bond is required if a Purchase Order is in excess of \$100,000 for CP members that are governmental entities subject to Chapter 2253; a payment bond is required if a Purchase Order or Job Order is in excess of \$25,000 for CP members that are governmental entities subject to Chapter 2253 and are not municipalities or a joint board created under Subchapter D, Chapter 22 of the Tex. Transp. Code, and a payment bond is required if a Purchase Order or Job Order is in excess of \$50,000 for CP members that are governmental entities subject to Chapter 2253 and are municipalities or a joint board created under Subchapter D, Chapter 22 of the TEX. TRANSP. CODE.

5.11. **Title and Risk of Loss**

Whenever HCDE/CP or a CP member is purchasing (and not leasing) a product under this Contract, title and risk of loss shall pass upon the later of HCDE/CP or the CP member’s acceptance of the product or payment of the applicable invoice.

5.12. **Warranty Conditions**

All product(s) and/or service(s) provided by the Vendor under this Contract must be warranted to be free from defects in material, workmanship, and free from such defects in design for a period of one (1) year upon the later of HCDE's or the CP member's acceptance of the product and/or service or payment of the applicable invoice. Vendor warrants that all products and/or services furnished under this Contract shall conform in all respects to the terms of this Contract, including any drawings, specifications, and/or standards incorporated herein, including, without limitation, those detailed in the CSP and Purchase Order. In addition, Vendor warrants that products and/or services are suitable for and will perform in accordance with the purposes for which they are intended. Vendor shall assume all liabilities incurred within the scope of consequential damages and incidental expenses, as set forth in the Vendor or manufacturer's warranty, which result from either delivery or use of product, which does not meet the specifications within this Contract, the CSP, or Purchase Order.

5.13. **Criminal History Review**

Section 10.0 Attachment–SB 9 Contractor Certification: Contractor Employees (Required) and Attachment–SB 9 Contractor Certification: Subcontractor Form (If Applicable) must be submitted with packet, if applicable.

Prior to commencing any work under the Contract, if Vendor contracts with HCDE/CP to provide services, Vendor must certify, on the form provided herein, that for each covered employee of Vendor who will have direct contact with students, Vendor has obtained, as required by TEX. EDUC. CODE Section 22.0834: (a) state criminal history record information from a law enforcement or criminal justice agency or a private entity that is a consumer reporting agency governed by the Fair Credit Reporting Act (15 U.S.C. Section 1681 et seq.) for each covered employee of Vendor employed before January 1, 2008; and (b) national criminal history record information for each employee of Vendor employed on or after January 1, 2008. Vendor must also obtain similar certifications of compliance with TEX. EDUC. CODE, Chapter 22 requirements from any subcontractors on the form provided herein. Covered employees with disqualifying criminal history are prohibited from serving at HCDE/CP or at CP school district members' locations; Vendor and any subcontracting entity may not permit a covered employee to provide services at a school if the employee has been convicted of a felony or misdemeanor offense that would prevent a person from being employed under TEX. EDUC. CODE § 22.085(a) (i.e., Title 5 felony or an offense requiring registration as a sex offender and victim was under 18 years of age or was enrolled in a public school at the time the offense occurred). Covered employees do not include employees of a contracting or subcontracting entity that is providing engineering, architectural, or construction services on a project to design, construct, alter, or repair a public work if: (1) the public work does not involve the construction, alteration, or repair of an instructional facility as defined by Texas Education Code Section 46.001; (2) the employee's duties will be completed more than seven (7) days before a new instructional facility will be used for instruction; or (3) for an existing instructional facility, the work area contains sanitary facilities separated from all areas used by students by a fence at least six (6) feet high, and the Contractor adopts, informs employees of, and enforces a policy prohibiting employees and any subcontractor's employees from interacting with students or entering areas used by students. Tex. Educ. Code §§ 22.0834(a-1), .08341. The criminal history record information review obligation applies only if Vendor contracts with HCDE/CP to provide services; it does not apply to a contract for the purchase of goods, products or real estate.

5.14. **Customer Support**

Vendor shall provide timely and accurate technical advice and sales support to HCDE/CP staff, and CP members. Vendor shall respond to requests for customer support within one (1) business day after receipt of the request. Vendor shall provide training to HCDE/CP staff and/or CP members regarding products and/or services supplied by Vendor, at no additional charge, if requested by HCDE/CP or a CP member.

5.15. **HCDE/CP and/or CP members' Property**

In the event of loss, damage, or destruction of any property owned by or loaned by HCDE/CP or a CP member that is caused by Vendor or Vendor's representative, agent, employee, or contractor, Vendor shall indemnify HCDE/CP or the CP member and pay to HCDE/CP or the CP member the full value of or the full cost of repair or replacement of such property, whichever is greater, within thirty (30) days of Vendor's receipt of written notice of HCDE's or the CP member's determination of the amount due. If Vendor fails to make

timely payment, HCDE/CP or the CP member may obtain such money from Vendor by any means permitted by law, including, without limitation, offset or counterclaim against any money otherwise due to Vendor by HCDE/CP or the CP member.

5.16. Tax Exempt Status

HCDE/CP and all CP members that are Texas governmental entities or agencies are exempt from payment of Texas State Sales Taxes under TEXAS TAX CODE§ 151.310 for the purchase of tangible personal property. Laws of other states govern the tax status of CP members in states other than Texas. Vendor represents and warrants that it shall pay all taxes or similar amounts resulting from this Contract, including, without limitation, any federal, state, or local income, sales or excise taxes of Vendor or its employees. HCDE/CP and CP members shall not be liable for any taxes resulting from this Contract, except where otherwise required by law.

5.17. Other State Tax Requirements

5.17.1. Payment of Taxes by CP members Outside of Texas – CP members outside of Texas will pay only the rate and/or amount of taxes identified in Vendor’s proposal submitted in response to the CSP as appropriate to the specific CP member.

5.17.2. State and Local Transaction Privilege Taxes – The CP member is subject to all applicable state and local transaction privilege taxes. Transaction privilege taxes apply to the sales of products and are the sole responsibility of Vendor, as the seller, to remit. Failure to remit taxes from HCDE/CP and/or the CP member, as the buyer, does not relieve Vendor, as the seller, from its obligation to remit taxes.

5.18. State of Texas Franchise Tax

By submitting a proposal in response to the CSP, Vendor certifies that Vendor is not currently delinquent in Vendor’s payment of any franchise taxes or other taxes owed to the State of Texas.

5.19. Tax Responsibilities of Vendor and Indemnification for Taxes

Vendor is responsible for complying with the tax laws of states and the federal government. Vendor and all subcontractor(s) of Vendor shall pay all federal, state, and local taxes applicable to Vendor’s operation, any persons employed by Vendor, and all subcontractors of Vendor. Vendor shall require all subcontractors to hold HCDE/CP and the CP member harmless from any responsibility for taxes, damages, and interest. If applicable, contributions required under federal, state, and/or local laws and regulations and any other costs, including, but not limited to, transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker’s Compensation, shall be the sole responsibility of Vendor.

5.20. IRS W-9

To receive payment under this Contract, Vendor shall have a current I.R.S. W-9 Form on file with the CP member.

5.21. Assignment of Contract

Vendor may not assign this Contract or any of its rights, duties or obligations hereunder without the prior written approval of HCDE. Any attempted assignment of this Contract by Vendor shall be null and void. Any Purchase Order or Job Order made as a result of this Contract may not be transferred, assigned, subcontracted, mortgaged, pledged, or otherwise disposed of or encumbered in any way by Vendor without the prior written approval of HCDE/CP and, if applicable, the CP member.

5.22. Notification of Material Change

Vendor is required to notify HCDE/CP when any material change in operations occurs, including changes in distribution rights for awarded products, bankruptcy, material changes in financial condition, change of ownership, and the like, within three (3) business days of such change.

5.23. Performance

Vendor agrees to use commercially reasonable best efforts to provide the product(s) and/or service(s) subject to this Contract. Vendor shall furnish all supervision, labor, tools, equipment, permits, licenses, transportation, insurance, material, and supplies necessary to complete any scope of work, Purchase Order, or Job Order under this Contract. Vendor shall use skilled, trained personnel, who shall be supervised by Vendor.

5.24. **Subcontractors**

If Vendor uses subcontractors in the performance of any part of this Contract, Vendor shall be fully responsible to HCDE/CP and CP members for all acts and omissions of the subcontractors. Nothing in this Contract shall create for the benefit of any such subcontractor any contractual relationship between HCDE/CP and any such subcontractor, nor shall it create any obligation on the part of HCDE/CP or CP members to pay or to see to the payment of any monies due any such subcontractor except as may otherwise be required by law. Vendor represents and warrants that it is willing, able, and capable of obtaining, supervising, and being responsible for any subcontractors who perform and/or provide products and services related to this Contract.

If Vendor uses subcontractors in the performance of any Purchase Order or Job Order issued as a result of a Job Order Contract awarded via this procurement solicitation, subcontractors must issue their Job Order Quotes using the same pricing method(s) outlined in the procurement solicitation and according to Texas Government Code Chapter 2269, Subchapter I, Job Order Contracts Method.

Vendor shall remit payment of the HCDE/CP Fee to HCDE/CP no later than **thirty (30)** days following the end of the month. Failure to pay the HCDE/CP Administrative Fee in a timely manner may result in Vendor breaching this Contract and may result in HCDE/CP suspending or terminating this Contract. Vendor shall honor and pay HCDE/CP the HCDE/CP Administrative Fee for any sales resulting from this Contract that occurred within **thirty (30) days** of the expiration or termination of this Contract. All rebates, discounts, and other applicable credits granted by Vendor as a result of any Supplemental Contracts entered into between Vendor and CP members shall accrue exclusively to CP member(s).

Nothing in this Contract may be construed to imply that Vendor has the exclusive right to provide products and/or services to HCDE/CP and/or CP members. During the Term of this Contract, HCDE/CP and CP members reserve the right to use all available resources to procure other products and/or services as needed and doing so will not violate any rights of Vendor. In the event that a Vendor has an existing HCDE/CP contract in the same contract title, upon award the new contract will immediately supersede the older contract.

For so long as this Contract is valid and enforceable between the parties, Vendor agrees to display the CP seal in its marketing collateral materials, such as Vendor's website and related marketing materials. Vendor shall submit all promotional materials to HCDE/CP and obtain written approval before Vendor finalizes or publishes promotional material bearing the HCDE/CP or HCDE/CP name or seal. A CP member and Vendor may enter into a separate, Supplemental Contract. Any Supplemental Contract developed as a result of this Contract and/or the CSP is exclusively between the CP member and Vendor and shall have no effect or impact on HCDE, any other CP member, or this Contract. Any Supplemental Contract between Vendor and a CP member is exclusively between that specific CP member and Vendor and will be subject to immediate cancellation by the CP member (without penalty to the CP member) if, in the opinion of the CP member, the quality, service, and specification requirements, and/or the terms and conditions are not maintained as stated in the Supplemental Contract. Delay or failure of performance, by either party to this Contract, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event. HCDE, CP members, and Vendor shall not have any claim for damages against any other party resulting from delays caused solely by force majeure. Notwithstanding any other provision of this Contract, in the event the Vendor's performance of its obligations under this Contract is delayed or stopped by a force majeure event, HCDE/CP shall have the option to terminate this Contract. In the event of a conflict between this Contract and the CSP or Vendor's proposal submitted in response to the CSP, this Contract shall control. In the event of a conflict between the CSP and Vendor's proposal submitted in response to the CSP, the CSP shall control. This Contract supersedes any conflicting terms and conditions on any Purchase Order/Job Order, invoices, checks, order acknowledgements, forms, purchase orders, or similar commercial documents relating hereto and which may be issued by Vendor after the Effective Date of this Contract.

In addition to this Contract, a Supplemental Contract between Vendor and the CP member may be established to further detail the terms and conditions of the CP member's specific project. In the event of a conflict or inconsistency between the following terms and conditions and any provision of the Agreement, the procurement solicitation issued by HCDE, or the portion of Vendor's proposal submitted in response to HCDE's procurement solicitation that is satisfactory to HCDE, the following terms and conditions shall control.

5.57 Market Basket Analysis

HCDE/CP reserves the right, in its sole discretion, to use a "Market Basket Analysis" method, as that term is defined by applicable USDA/TDA regulations and guidance. The Market Basket Analysis sample is established to represent 75% of the total estimated value of the Contract. The most recent velocity/sales report(s) from HCDE/CP's current supplier(s) was used to project the balance of the year and adjusted for any estimated change in menu and participation for the following year. As a result, this list of [100] goods to be purchased under this procurement solicitation and any resulting Contract includes the top [60] goods purchased by dollar volume representing the 75% threshold. Prices for the remaining [40] goods listed in this procurement solicitation should also be included, though they will not be a part of the Market Basket Analysis. The Market Basket Analysis shall not be used for service or equipment contracts/procurement solicitations or for Fee-For-Service Processing contracts.

5.58 Material Change

If a material change (as the term is defined by TDA rules and regulations) to a contract entered into between HCDE/CP and Vendor occurs, then the contract will not be renewed upon the conclusion of its term. Upon the expiration of the term, HCDE/CP may issue a new RFP for the goods or services procured under the previously-existing contract. Material change for purposes of this Section 5.56.2 means a modification that substantially exceeds the terms of the original contract between HCDE/CP and Vendor.

5.59 Supplemental Contracts

Supplemental Contracts are entered into pursuant to the piggyback method delineated in the U.S. Department of Agriculture directive SP 35-2012. Should the "piggybacking" result in a material change to the Contract, HCDE/CP will proceed under Section 5.56.2 of this RFP.

5.60 New Products

During the Term of a Contract awarded under this RFP, additional purchases not included in the original RFP list and resulting awarded contract may become necessary and benefit HCDE/CP members. Vendor and HCDE/CP agree that the aggregate value of added purchases during each year of the Contract (if renewed)

shall not exceed 10% of the estimated total value of the Contract. The total value of the Contract must be agreed upon, and the dollar value listed in the Contract and each renewal term of the Contract (if any). For purposes of this section, the total value of the Contract includes all contracts awarded as a result of the procurement solicitation to all vendors. For the initial Term of a Contract awarded under this RFP, Vendor and HCDE/CP agree that the total value of the Contract shall be \$ 200 Million. Additions of new products may be included in the awarded Contract list during the renewal of the Contract through an amendment to the Contract, and the total Contract value adjusted accordingly. For each renewal term of the Contract, the total actual value of the Contract in the preceding year and the additional new product(s) made during that Term will be the basis for determining the maximum dollar amount (not to exceed 10%) of the additional new product(s) that will be allowed during the next Contract renewal term.

5.61 Bonds

Vendor shall provide all bonds, including bid guarantee, performance bond, and payment bond, as applicable under U.S. Department of Agriculture and/or Texas Department of Agriculture rules.

5.62 Use by Other Governmental Entities

In the event that HCDE/CP allows other governmental entities to “piggyback” onto any existing contract between HCDE and Vendor entered into pursuant to this procurement solicitation, Vendor agrees and understands that such other governmental entities may include “school food authorities,” as that term is used in SP 35-2012. Should the “piggybacking” result in a material change to the Agreement for purposes of USDA/TDA purchases, HCDE/CP will proceed under the foregoing section entitled “Material Changes.”

5.63 No Guarantee of Quantities

Quantities for purchases paid for with School Nutrition Program funds are subject to change for various reasons, which include, but are not limited to the following: USDA commodity allocation(s), variations in student population, production item substitution(s), changes in consumer taste or expectations, pricing, and nutrition regulatory changes.

5.64 Buy American Act

The Buy American Act, set forth in 7 C.F.R. Part 210.21(d), requires that participants in the National School Lunch Program and School Breakfast Program use the federal nonprofit food service funds, to the maximum extent practical, to buy domestic commodities or products for Program meals. 7 CFR Part 210.21(d) defines a “domestic commodity or product” as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. “Substantially” means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

Because many HCDE/CP members participate in the National School Lunch Program and School Breakfast Program, HCDE/CP requires Vendor to certify whether its products are “domestic commodities or products”, as defined by 7 C.F.R. Part 210.21(d). Accordingly, Vendor agrees to provide certification and any necessary documentation requested by HCDE/CP member that the food product was processed in the U.S. and the percentage of U.S. content, by weight or volume, in the food component of processed food products supplied to HCDE/CP members. When USDA Foods items are manufactured into processed end products, 51% of resulting food products must be of United States origin.

Exceptions to the Buy American provision should be used as a last resort; however, an alternative or exception may be approved by the CP member, upon request. To be considered for an exception to the Buy American provision, Vendor may submit a good faith request for an exception, certifying that Vendor reasonably believes that:

- (a) the product is not produced or manufactured in the U.S. in sufficient and reasonable available quantities of a satisfactory quality (i.e., there is no alternative source that can provide a domestic product and/or there is no substitute domestic food product for this food product); and/or
- (b) the costs of a U.S. product are significantly higher than the non-domestic product (i.e., the cost difference in purchasing a domestic product is unreasonable).

Vendor further agrees to provide HCDE/CP members with documentation verifying that a domestic product is not available and the cost range is reasonable within a reasonable time upon request by HCDE/CP members.

In the event Vendor or Vendor's supplier(s) are unable or unwilling to certify compliance with the Buy American Provision, or the applicability of an exception to the Buy American provision, HCDE/CP members may decide not to purchase from Vendor and/or HCDE/CP may terminate this Contract if Vendor is incapable of fulfilling the terms and conditions of the Contract, including the Buy American requirements.

Additionally, HCDE/CP members may require country of origin on all products and invoices submitted for payment by Vendor, and Vendor agrees to comply with any such requirement.

5.65 Records Retention

When school nutrition program funds are expended by HCDE or any CP member pursuant to this Contract, Vendor certifies that it will comply with the record retention requirements promulgated by USDA/TDA. Vendor further certifies that Vendor will retain all records as required by USDA/TDA for a period of five (5) years after the end of the fiscal year to which the documentation/records pertain. Vendor further certifies that these records must be accessible to appropriate HCDE/CP member and federal or state reviewers. *See* TDA ARMS Manual, 17.107.
