

# Proclamation

**WHEREAS**, Fort Bend County Students Raisa Gire, Zunaira Farooq, and Samar Siddiqui, have joined together to inspire and support the international community by founding the R-Zu Water Project, a nonprofit organization that provides clean water to people in need across the globe; and

**WHEREAS**, R-ZU Water Project was called to action to address the hardships millions of people face in developing countries. R-ZU founders are passionate about building a better future for communities around the world; and

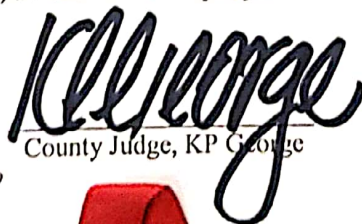

**WHEREAS**, in response, the students created hand-sketched greeting cards, which they sold to generate funding for their cause, that was inspired by their Eid collection initiated during Ramadan in 2016. The overwhelming response from the community led them to start their charity, the R-Zu Water Project; and

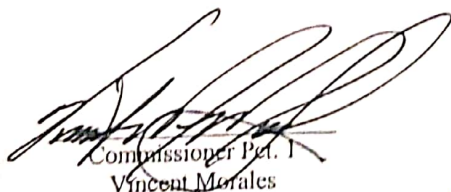

**WHEREAS**, we recognize Raisa, Zunaira, and Samar for their values, leadership, and dedicated service to helping others. They have proven themselves to be compassionate and resourceful global citizens; and

**NOW, THEREFORE**, be it resolved that I, KP George, County Judge, and The Commissioners' Court of Fort Bend County, TX, on this 1<sup>st</sup> day of June 2021, do gladly recognize
