**NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:** That the County, and the City, in consideration of the mutual covenants and agreements herein contained, do mutually agree as follows:

**I.**

The City and the County agree to allow the U. S. Department of Housing and Urban Development to use the City's population and other necessary demographic characteristics in the determination of whether the County will qualify as an "urban county" as defined in the Housing and Community Development Act of 1974, as amended, and the rules and regulations promulgated pursuant thereto.

The City and the County acknowledge that this Cooperation Agreement covers the Community Development Block Grant (CDBG) Entitlement Program, the HOME Investment Partnership (HOME) Program and Emergency Solutions Grants (ESG) Programs.

**II.**

The City understands that it may receive a formula allocation under the HOME Program only through the County, and that it may not apply for grants under the small cities or State Community Development Block Grant Programs from appropriations during the period in which it is participating in the County's CDBG Program. The City further understands that it may not participate in a HOME consortium except through the County.

The City understands that it may receive a formula allocation under the ESG Program only through the County. The City further understands that it cannot form an ESG consortium with other local governments.

**III.**

The City and the County acknowledge that they are aware that the Grant Application has not yet been completed or submitted to the U. S. Department of Housing and Urban Development and that no determination has been made at the time of execution of this Agreement as to where and for what purposes funding, if any, for the Community Development Block Grant Program will be sought or expended. In this regard it is agreed that County shall not be obligated to seek funds for expenditure in the City or for assistance to residents of the City in the Grant Application. If such funds for expenditure in the City or for assistance to its residents are awarded as a result of the Grant Application, the County may in its sole discretion, override such distribution of the award and spend such funds elsewhere and/or for other purposes when necessary or desirable in order to achieve compliance with Title I of the Housing and Community Development Act of 1974, as amended, and all appropriate implementing regulations applicable thereto or mentioned herein. The City has received no assurance, written or oral, from the County to the contrary, and is aware that the execution of this Agreement does not constitute any guarantee on the part of the County that funds received pursuant to the Grant Application, if any, will be expended for projects within the City limits of the City or for assistance to the residents of the City.

#### IV.

This Agreement shall remain in full force and effect for the program years 2016 through 2018 (September 1, 2016 - August 31, 2019). The City and the County acknowledge that failure by either party to adopt an amendment to the agreement incorporating all changes necessary to meet the requirements for cooperation agreements set forth in the Urban County Qualification Notice applicable for a subsequent three-year urban county qualification period shall automatically void the automatic renewal of such qualification period. Copies of executed amendments will be sent to the designated HUD field office.

The City may not sell, trade, or otherwise transfer all or any portion of such funds to another such metropolitan city, urban county, general local government, unit of general local government, or Indian tribe, or insular area that directly or indirectly receives CDBG funds in exchange for any other funds, credits or non-Federal considerations, but must use such funds for activities eligible under title I of the Consolidated and Further Continuing Appropriations Act, 2015, Pub.
