33. WORKSHOP:

Workshop to receive an update by the Houston Galveston Area Council, Water Resources Committee.

Commissioner Meyers gave a brief overview of actions that will impact Fort Bend County relating to the Flood Mitigation funding.

Greg Wine, Huitt-Zollars explained the four projects of interest for Project Brazos, initially were 13 critical sites. The four sites Mr. Wine spoke about include two sites in Simonton and two sites on I-69. One is on the north side of Simonton that will be a cut off and the other is the south side. This is an area just north of the 1093 bridge and could have significant impacts regionally along the river. Mr. Wine is working with Commissioner Meyers' committee to secure \$25 million to prevent the cut off from occurring. The other two sites are the north side of I-69 bridge and the south side (Greatwood side) which should qualify for an LMI project. These two sites will need an additional \$27 million.
