**Re: Public Road Connection for Summerview Boulevard at FM 359 on behalf of M/I Homes of Houston, LLC. and FBC MUD 195 - Sponsorship**

Honorable Judge George:

Fort Bend County Engineering Department has received and reviewed a request (letter attached) from Costello, Inc. on behalf of M/I Homes of Houston LLC., for Fort Bend County to sponsor a project for a public road connection for Summerview Boulevard at FM 359. The road connection will provide the primary point of access for the Summerview development.

Any and all cost involved with the project will be borne by M/I Homes of Houston LLC., and FBC MUD 195. There will be no cost to Fort Bend County.

The Texas Department of Transportation requests that an agency, such as Fort Bend County, act as a sponsor for the project. This means that the permit for the work will be issued in the name of Fort Bend County and the County accepts responsibility for the terms and conditions of the permit.

We recommend acceptance of the sponsorship and request that this item be placed on the 9/28/2021 Commissioners Court agenda. We have prepared a letter to Texas Department of Transportation for the County Judges' signature.

If there are any questions please do not hesitate to call.

Sincerely,

Maggie Dalton  
Development Services Manager

Proposed Street Tie-In at FM 359 for Summerview Development  
Fort Bend County, Texas  
C.I. Job No. 2020-075-S01-DS-101

Dear Honorable Judge KP George:

We respectfully request that Fort Bend County consider sponsoring the project referenced above. The Texas Department of Transportation ("TxDOT") will only consider a permit for the street tie-in of Summerview Boulevard at FM 359 if you agree to sponsor the work on behalf of Fort Bend County Municipal Utility District No. 195 (the "District"). This will provide the primary point of access for the Summerview development.

We are preparing the street connection permit application to submit to TxDOT for the proposed Summerview Boulevard Street Tie-in to FM 359. M/I Homes of Houston, LLC., the developer, will fund the cost of the construction. There will be no expense to Fort Bend County. The attached construction plan drawings were prepared in accordance with TxDOT's street tie-in permit requirements.

Please contact me if you need further information or have any questions.

Sincerely,  
**Costello, Inc.**
